May 11, 2026 at 6:54 PM EDT

SAN DIEGO, May 11, 2026 (GLOBE NEWSWIRE) -- Encore Capital Group, Inc. (Nasdaq: ECPG) (the "Company") today announced the pricing of its offering of \$750.0 million aggregate principal amount of 6.625% senior secured notes due 2032 (the "notes"), which was upsized to \$750.0 million from \$550.0 million, at an issue price of 100.00% in a private offering to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act") and outside the United States to non-U.S. persons (within the meaning of Regulation S under the Securities Act).

The notes will be senior secured obligations of the Company, and will be fully and unconditionally guaranteed on a senior secured basis by substantially all material subsidiaries of the Company. The obligations of the Company and the guarantors will be secured, together with the Company's other senior secured indebtedness, by substantially all of the assets of the Company and the guarantors. The notes will accrue interest at a rate of 6.625% per annum, payable semi-annually in arrears on June 1 and December 1 of each year, beginning on December 1, 2026. The notes will mature on June 1, 2032 unless earlier repurchased or redeemed by the Company.

The Company intends to use the proceeds from this offering, together with drawings under its revolving credit facility, to (a) redeem its outstanding \$500.0 million of 9.250% senior secured notes due 2029 in full, including payment of the premium due as part of the redemption price and estimated accrued interest payable on the redemption date, (b) redeem €200.0 million of its €415.0 million outstanding senior secured floating rate notes due 2028, including payment of estimated accrued interest payable on the redemption date and (c) pay estimated fees, expenses and the initial purchasers' discounts for the offering. The offering and the use of proceeds therefrom does not change the guidance for the fiscal year ended December 31, 2026 that the Company provided on May 6, 2026.

Depending on the capital markets, the Company continuously considers additional financings, including offerings of additional senior secured notes in different currencies and with fixed or floating interest rates, to fund its operations and to refinance existing debt obligations.

The offer and sale of the notes have not been, and will not be, registered under the Securities Act, and the notes may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. This press release does not constitute an offer to sell, or the solicitation of an offer to buy, the notes nor will there be any sale of the notes in any state or other jurisdiction in which such offer, sale or solicitation would be unlawful. Any offer of the securities will be made only by means of a private offering memorandum.
