

Encore Capital Group Teams Up with Habitat for Humanity for Largest-Ever Global Volunteer Day

April 26, 2018

- Encore to provide \$50,000 in donations to Habitat and other charitable organizations –
- Day includes 500 volunteers working 2,500 volunteer hours in 16 global locations –

SAN DIEGO, April 26, 2018 (GLOBE NEWSWIRE) -- [Encore Capital Group](#), Inc. (NASDAQ:ECPG), an international specialty finance company, today announced it will hold its sixth annual Global Volunteer Day on Saturday, April 28. Activities will take place in 16 locations around the world, including the company's U.S., India, and Costa Rica locations and, for the first time, its wholly owned subsidiaries, Baycorp, Lucania Gestión and Grove.

Nearly 500 Encore employees will give their Saturdays to spend a collective 2,500 hours in service to their communities. Most of the volunteers will build homes alongside Habitat for Humanity — an international non-profit that provides affordable housing to low-income families around the world.

"Enabling people to live better lives through financial well-being is the cornerstone of our business, and we're proud to carry out that mission alongside Habitat for Humanity," said Sheryl Wright, Encore's Senior Vice President of External Affairs. "Through our charitable giving and the incredible volunteerism of our employees, we are proud to support Habitat in providing affordable housing to people all over the world, which we know is a critical piece of economic empowerment."

With the inclusion of its wholly owned subsidiaries in Global Volunteer Day, Encore extends its efforts to 16 locations. In the U.S., sites include San Diego, California; Phoenix, Arizona; Troy, Michigan; St. Cloud, Minnesota; Tampa, Florida; Roanoke, Virginia; San Antonio and Houston, Texas; and Hato Rey, Puerto Rico. Global Volunteer Day activities will take place internationally in Madrid, Spain; Auckland, New Zealand; Perth and Parramatta, Australia; Manila, Philippines; Heredia, Costa Rica; and New Delhi, India.

"We're excited to share this day with our Encore family around the world, and we are proud of their willingness to volunteer their time and talents," said Wright. "This global effort is an extension of the work we do together every day and will help facilitate positive, long-term change in the communities where we live."

Encore held its first Global Volunteer Day in 2013 as part of its Corporate Social Responsibility (CSR) program, which underscores the company's commitment to supporting its employees and communities through volunteerism, financial donations and strategic non-profit partnerships. To date, Encore has donated more than \$1 million around the world to support organizations like Habitat for Humanity that offer a path to dignity and financial self-sufficiency through education, job skills training and affordable housing. To complement these efforts, Encore recently launched a financial literacy program for students, which has already impacted over 1,500 people in high school and community college.

In addition to the work with Habitat for Humanity this Global Volunteer Day, employees at Encore's international locations will support charitable organizations around the world that align with the company's CSR commitments. Employees in New Delhi are providing volunteer hours and financial support for Literacy India and Rainbow Homes, and employees in Heredia, Costa Rica, are supporting Banco de Alimentos Costa Rica. Other volunteers will work with the Gawad Kalinga community in Manila, People Who Care in Perth, and Serve the City in Madrid.
