PROXY STATEMENT

This Proxy Statement relates to the 2003 Annual Meeting of Stockholders to be held at the offices of Jefferies & Company, Inc., 520 Madison Avenue, New York, New York 10022, on November 18, 2003, beginning at 5:00 p.m. local time, or at such other time and place to which the annual meeting may be adjourned or postponed. **The enclosed proxy is solicited by the Board of Directors of the Company.** The proxy materials relating to the annual meeting are first being mailed to stockholders entitled to vote at the meeting on or about October 27, 2003.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At the Company's annual meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including the election of nine directors and the ratification of independent auditors. In addition, the Company's management will report on the progress of the Company and respond to questions from stockholders.

Who is entitled to vote?

Only stockholders of record at the close of business on the record date, October 17, 2003 are entitled to receive notice of the annual meeting and to vote the shares that they held on that date at the meeting, or any postponement or adjournment of the meeting.

At the close of business on October 17, 2003, there were 21,273,038 outstanding shares of the Company's common stock, which are entitled to cast 21,273,038 votes.

Who can attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. As a result of heightened security concerns, admission to the meeting will be by ticket only. If you are a registered stockholder (your shares are held in your name) or a beneficial owner (your shares are held by a bank, broker or other holder of record) and you plan to attend the meeting, please present the admission ticket included with your proxy materials upon entering the meeting. In addition, you can obtain an admission ticket in advance by writing to Encore Capital Group, Inc., Attention: Corporate Secretary, 5775 Roscoe Court, San Diego, California 92123. Please be sure to enclose proof of ownership, such as a bank or brokerage account statement or a letter from the bank or broker verifying such ownership. Stockholders who do not obtain tickets in advance may obtain them upon presenting verification of ownership at the registration desk on the day of the meeting. Tickets may be issued to others at the discretion of the Company.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares on the record date will constitute a quorum, permitting the Company to conduct its business at the annual meeting. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the meeting.

How do I vote?

You can vote on matters to come before the meeting in two ways:

1. You can attend the meeting and cast your vote in person; or
2. You can vote by completing, dating and signing the enclosed proxy card and returning it to the Company. If you do so, you will authorize the individuals named on the proxy card, referred to as the proxyholders, to vote your shares according to your instructions or, if you provide no instructions, according to the recommendations of the Board of Directors.

What if I submit a proxy and then change my mind?

You may revoke your proxy at any time before it is exercised by:

- filing with the Secretary of the Company a notice of revocation; or
- sending in another duly executed proxy bearing a later date; or
- attending the meeting and casting your vote in person.

What are the Board’s recommendations?

Unless you give other instructions on your proxy card, the persons named on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board’s recommendations are set forth together with a description of such item in this proxy statement. In summary, the Board recommends a vote for election of the nominated slate of directors and the ratification of independent auditors.

With respect to any other matter that properly comes before the meeting, the proxyholders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each item?

Election of Directors. The nine nominees who receive the most votes will be elected to the Board of Directors. A properly executed proxy marked “WITHHOLD AUTHORITY” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Other Items. For each other item the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for approval. A properly executed proxy marked “ABSTAIN” with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a vote against a proposal.

Effect of Broker Non-Votes. If you hold your shares in “street name” through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such “broker non-votes” will, however, be counted in determining whether there is a quorum.

Can I dissent or exercise rights of appraisal?

Under Delaware law, holders of our voting stock are not entitled to dissent from any of the proposals to be presented at the annual meeting or to demand appraisal of their shares as a result of the approval of any of the proposals.

Who pays for the cost of this proxy solicitation?

We will bear the cost of solicitation of proxies. This includes the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of our outstanding common stock. We may solicit proxies by mail, personal interview, telephone or telegraph.

**Election of Directors
(Proposal No. 1)**

General

A board of nine (9) directors is to be elected at the annual meeting. All of the nine (9) nominees named below are presently directors of the Company. In the event that any nominee named below is unable or declines to serve as a director, the Board of Directors may reduce the size of the board or may designate an alternate nominee to fill the vacancy. If a substitute nominee is named, the proxyholders will vote the proxies held by them for the election of such person, unless contrary instructions are given. The Company is not aware of any nominee who will be unable or will decline to serve as a director. The term of office for each person elected as a director will continue until the next annual meeting of stockholders or until his or her successor has been elected and qualified.

Vote Required

If a quorum is present and voting, the **nine (9)** nominees receiving the highest number of votes will be elected to the Board of Directors.

The options may never be exercised and the value, if any, will depend on the actual share price at the time of exercise.

Employment Agreements and Related Matters

Employment Agreements. In March 2002, the Company entered into employment agreements with two of its executive officers, Messrs. Gregory and Black. These agreements generally provide for one-year terms with automatic renewals, base compensation aggregating approximately \$600,000 per year, plus incentive compensation, as defined, and non-competition provisions. The agreements provide for severance payments over periods between one year and one and a half years upon termination without cause, as defined. During the second quarter of 2002, the Company reached agreement on severance matters with a former officer. In connection therewith, we paid \$500,000 for a release of all claims and liability.

Performance-Based Bonuses. The Company maintains a cash bonus plan for individuals, including executive officers, who are deemed key to the Company’s performance. The amounts of such bonuses will be based on the Company’s financial performance, quantifiable individual performance and management’s evaluation of each eligible individual’s contribution.

1999 Equity Participation Plan. The Board of Directors has adopted the 1999 Equity Participation Plan as a part of the Company’s ongoing program to provide senior management with incentives linked to corporate performance. The plan is designed to provide senior management and key employees with stock based incentives which are intended to provide competitive long-term incentive opportunities and tie executive long-term financial gain to increases in the Company’s stock price.

Officers, directors, and employees of the Company and its subsidiaries and affiliates, as well as key consultants to the Company and its subsidiaries and affiliates, are eligible to receive grants of stock options under the plan.

The Compensation Committee of the Board of Directors administers the plan. No member of the Board or the Compensation Committee is liable for any action or determination made in good faith with respect to the plan or any option granted under the plan. The Company pays all of the expenses of administering the plan.

An aggregate of 2,600,000 shares of the Company’s common stock are available for awards under the plan. Shares subject to an option that terminates or expires without being exercised are again made available for grant under the plan. The exercise price of any options granted under the plan is determined by the Board, but may not be less than 85% of the fair market value of the stock on the date of grant.

The plan is not subject to the Employment Retirement Income Security Act of 1974 and is not qualified under Section 401(a) of the Internal Revenue Code.

The plan may be amended or terminated by the Board, but the Board must obtain stockholder approval prior to modifying or terminating the plan if such approval is required to comply with any tax or regulatory requirement. In addition, no amendment may be made that will adversely affect in any material way the rights of any participant under any award previously granted under the plan without that participant’s written consent.

401(k) Plan. The Company maintains a 401(k) Salary Deferral Plan under which eligible employees may voluntarily contribute up to a maximum percentage of compensation, subject to Internal Revenue Code limitations. The Company matches 25% of employee contributions.

12

Deferred Compensation Plan. Effective March 1, 2002, the Company adopted a non-qualified deferred compensation plan for its senior management. This plan permits deferral of a portion of compensation until a specified period of time. The use of plan assets is legally restricted to distributions to participants or creditors in the event of bankruptcy.

The Company's executive compensation program is administered by the Compensation Committee of the Board. The members of the Compensation Committee are not employees of the Company. The Compensation Committee determines the compensation of the Company's executive officers and administers the Company's stock option plans.

Executive Compensation Policies

Overview. Incentive compensation arrangements are the cornerstone of the Compensation Committee's executive compensation policies. These incentive compensation arrangements reward those executive officers that achieve individual and Company objectives that increase stockholder value.

The Company's executive compensation package consists of three components: base salary and related benefits; annual cash bonus incentives; and stock-based compensation incentives. The Compensation Committee reviews each of these components and develops an incentive compensation package for each of the Company's executive officers based, in part, upon the recommendations of senior management and, in part, upon the Compensation Committee's assessment of each executive officer's contribution to the Company. In addition, from time to time, the Compensation Committee may review competitive information. The Compensation Committee strives to develop individual compensation packages for the Company's executive officers that will encourage superior individual and Company-wide performance, serve to retain those executive officers that perform well, and lead to increased stockholder value. Each component of the Company's executive compensation package is discussed below.

Base Salary and Benefits. Each executive officer receives a base salary and benefits based on his or her responsibilities and experience. The Compensation Committee reviews each executive officer's base salary and benefits from time to time.

Annual Incentive Bonuses. The second component of the Company's executive compensation package is an annual incentive bonus. Officer bonuses under the Company's annual performance-based cash incentive plan are computed using a sliding scale based upon achievement of the Company's targeted operating measures, quantifiable individual performance and the Compensation Committee's evaluation of each officer's contribution. In addition, when appropriate the Company may pay discretionary bonuses to certain executives. Bonuses paid to the Named Executive Officers for the year ended December 31, 2002 are shown in the Executive Compensation Summary above.

Stock-Based Compensation Incentives. The third component of the Company's executive compensation package is stock-based compensation incentives, traditionally non-qualified stock options. This compensation component is an important incentive tool designed to more closely align the interests of the executive officers of the Company with the long-term interests of the Company's stockholders and to encourage its executive officers to remain with the Company.

The Compensation Committee considers grants of options to the Company's executive officers and key employees on an annual basis, taking into account the other components of the recipients' compensation packages, the recipients' responsibilities and performance, the Company's performance during the preceding fiscal year, the exercise price of the options to be awarded and prior option grants.

Compensation of Chief Executive Officer

On May 22, 2000, Carl C. Gregory, III was hired as the President and Chief Executive Officer of the Company. Mr. Gregory and the Company have entered into an employment agreement dated as of May 22, 2000. The agreement is described in "Employment Contracts and Related Matters" above. The agreement resulted from arms-length negotiation between the Compensation Committee, represented by Eric Kogan, and Mr. Gregory. The Compensation Committee believes that the compensation provisions contained in the agreement were necessary to secure Mr. Gregory's continued employment with the Company and are in the best interests of the Company and its stockholders. Mr. Gregory's current base salary is \$367,500 per year. On March 14, 2003 Mr. Gregory was paid a bonus of \$525,000 pursuant to the Company's performance-based incentive plan.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code limits the deductibility of executive compensation paid by publicly-held corporations to \$1 million for each executive officer named in this proxy statement. The \$1 million limitation generally does not apply to compensation that is considered performance-based. Non-performance-based compensation paid to the Company's executive officers for the 2002 fiscal year did not exceed the \$1 million limit per employee. The Company believes that its compensation policy satisfies Section 162(m). As a result, the Company believes that the compensation paid under this policy is not subject to limits of deductibility. However, we cannot assure you that the Internal Revenue Service would reach the same conclusion.

Compensation Committee Interlocks and Insider Participation

None of the Company's compensation committee members and none of the Company's executive officers has a relationship that would constitute an interlocking relationship with executive officers or directors of another entity, and no interlocking relationship existed in fiscal 2002.

Certain Relationships and Related Transactions

Temporary Line of Credit

Effective October 31, 2000, the Company executed an agreement with a limited liability company for a \$2.0 million stand-by working capital line of credit secured by substantially all of the Company's assets and those of its subsidiaries. The members of the limited liability company included Messrs. Kogan, Lemond and Whyte, directors of the Company; entities affiliated with Messrs. Peltz and May, directors of the Company; and entities and individuals affiliated with Triarc and Consolidated Press International Holdings Limited, stockholders of the Company. In connection with this agreement, the lenders received 250,000 warrants

to acquire the Company's common stock at \$0.01 per share. As of December 31, 2001, when the stand-by line expired, no indebtedness existed. The fair value of the warrants, \$0.1 million, was accounted for by recording deferred loan costs with an offset to additional paid-in capital as a component of stockholders' equity. All 250,000 warrants were exercised on April 16, 2002.

Guarantees of Line of Credit

Until October 14, 2003, the Company had a facility with Bank of America, NA, formerly NationsBank, NA, for a revolving line of credit of up to \$5.0 million. Some of the Company's present and former directors, stockholders and affiliates guaranteed this facility, including Messrs. May, Lemond, Peltz and Kogan, directors of the Company; Frank Chandler, a former officer and director of the Company and a current stockholder of the Company; Triarc and the Chandler Family Limited Partnership, current stockholders of the Company; Consolidated Press Holdings Limited, an affiliate of a stockholder of the Company; and Peter Nigel Stewart Frazer, the father-in-law of Robert M. Whyte and a stockholder of the Company. In connection with such guarantee, an aggregate fee of \$75,000 per quarter was paid to the guarantors. As of June 30, 2003, there were no amounts outstanding under the line of credit. At December 31, 2001 and 2002, the Company had available \$0.3 million and \$11.1 million, respectively, under the line of credit. The line of credit was terminated on October 14, 2003.

Guarantees of Senior Notes

On January 12, 2000, the Company issued \$10 million in principal amount of 12% Series No. 1 Senior Notes to an institutional investor. The Senior Notes were unsecured obligations of the Company but were guaranteed by Triarc, a stockholder of the Company, and by the Company's subsidiary, Midland Credit Management, Inc. As of October 21, 2003, Triarc beneficially owns approximately 9.4% of the Company's outstanding common stock. In connection with the issuance of the Senior Notes, the Company issued warrants to the institutional investor and Triarc to acquire up to 428,571 and 100,000 shares, respectively, of the Company's common stock at an exercise price of \$0.01 per share. The warrants contained anti-dilution provisions. In addition, the Company paid a fee to Triarc in the amount of \$0.2 million in consideration of Triarc's guarantee of this indebtedness. The Company engaged an independent valuation firm to determine the allocation of the \$10 million principal amount between the Senior Notes and the warrants. The results of the valuation valued the warrants at approximately \$3.05 per share. This valuation of \$3.05 per share resulted in the warrants being included as a component of stockholders' equity in the amount of \$1.6 million with the same amount recorded as a debt discount to the \$10 million note payable. The Senior Notes required semi-annual interest payments on January 15 and July 15. Since February 2002, the Company elected to make the interest payments in cash. On September 30, 2003, Triarc exercised all of its warrants. On October 1, 2003, the Senior Notes were repaid in full, at par, in accordance with their terms, with proceeds of a public offering of the Company's common stock.

Preferred Stock

On February 22, 2002, certain existing stockholders and their affiliates (the "Purchasers") made an additional \$5.0 million investment in Encore Capital Group, Inc. Immediately prior to such investment, the Purchasers on a collective basis beneficially owned in excess of 50% of the Company's common stock. In a related transaction, the Company's Senior Notes lender forgave \$5.3 million of outstanding debt. The terms of the investment were negotiated by a committee of the board of directors composed of an independent director, with the assistance of independent advisors.

The Purchasers purchased 1,000,000 shares of the Company's Series A Senior Cumulative Participating Convertible Preferred Stock (the "Series A Preferred Stock") at a price of \$5.00 per share. Each share of Series A Preferred Stock was convertible at the option of the holder at any time into ten shares of common stock at a conversion price of \$.50 per share of common stock, subject to customary anti-dilution adjustments. The last reported sale price of the Company's common stock prior to such investment was \$0.35 per share. The Series A Preferred Stock had a cumulative dividend, payable semi-annually. Dividends were payable in cash and/or additional Series A Preferred Stock, at the Company's option, at the rate of 10.0% per annum. Since issuance, all dividends with respect to the Series A Preferred Stock were paid in cash. The dividend rate would increase to 15.0% per annum in the event of a qualified public offering, a change of control (each as defined) or the sale of all or substantially all of the assets of the Company. In the event dividends were not declared or paid, the dividends would have accumulated on a compounded basis. The Series A Preferred Stock had a liquidation preference equal to the sum of the stated value of the Series A Preferred Stock (\$5.0 million in the aggregate) plus all accrued and unpaid dividends thereon and a participation payment equal to shares of common stock at the conversion price and/or such other consideration that would be payable to holders of the Series A Preferred Stock if their shares had been converted into shares of the Company's common stock immediately prior to the liquidation event.

Pursuant to an agreement between the Company and the holders of the Series A Preferred Stock, all of the preferred shares were converted into 10,000,000 shares of the Company's common stock simultaneously with the closing of the public offering of the Company's common stock on October 1, 2003. The holders of the Series A Preferred Stock were paid accrued dividends to the conversion date in accordance with the terms of the Series A Preferred Stock, but did not pay or receive any other consideration in connection with the conversion.

Recent Public Offering

During October 2003 the Company completed an underwritten public offering in which the Company sold 3,000,000 shares of its common stock and certain selling stockholders sold 2,750,000 shares of common stock (including the underwriters' over-allotment option). Pursuant to registration rights granted to such parties, the Company bore certain customary costs related to the offering on behalf of the selling stockholders. Among the selling stockholders were Messrs. Gregory, Lemond, Kogan and Whyte, directors of the Company; entities affiliated with Messrs. May and Peltz, directors of the Company; Messrs. Barkley and Black, officers of the Company; C. P. International Investments Limited, an affiliate of the employer of Raymond Fleming, a director of the Company; Madison West Associates Corp., an affiliate of Triarc and of Messrs. May and Peltz; certain current and former officers and employees of Triarc; and Peter Nigel Stewart Frazer, the father-in-law of Robert M. Whyte. Total offering expenses on behalf of the Company and the selling stockholders are estimated to be approximately \$771,000.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Report into such other filing.

Management is responsible for the Company's financial reporting process including its system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or procedures. We are not employees of the Company and we may not be, and we may not represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on the Company's financial statements.

In accordance with our written charter, a copy of which is attached as Appendix I to this proxy statement, we assist the Board in oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. We are composed of three members, two of whom have been determined by the Board to be independent directors, as independence is defined by the listing standards of The NASDAQ National Market. The Board has determined that (i) Mr. Lemond does not meet the NASDAQ independent director requirements solely as a result of his employment by Triarc Companies, Inc., an affiliate of the Company; (ii) Mr. Lemond meets the exception from the independence standards provided for in the NASDAQ listing standards in that he is not a current employee or immediate family member of such an employee; and (iii) due to Mr. Lemond's in-depth knowledge of the Company and its operations, his prior service on the Board and the Audit Committee, and his financial expertise, Mr. Lemond's membership on the Audit Committee is required by the best interests of the Company and its stockholders. BDO Seidman, LLP, the Company's independent auditors, have unrestricted access to the Audit Committee.

In performing our oversight function, we reviewed the Company's audited consolidated financial statements for the fiscal year ended December 31, 2002 and met with both management and BDO Seidman, LLP to discuss those consolidated financial statements. As noted above, management has represented to us that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have received from and discussed with BDO Seidman, LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). We have also considered whether the independent auditors' provision of non-audit services to the Company is compatible with the auditors' independence from the Company and have determined that their provision of such non-audit services does not adversely impact their independence. We also discussed with BDO Seidman, LLP any matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 89 and No. 90, and, with and without management present, discussed and reviewed the results of BDO Seidman, LLP's examination of the Company's consolidated financial statements.

recommended to the Board that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS (Proposal No. 2)

The Audit Committee has selected BDO Seidman, LLP as the Company's independent auditors for the fiscal year ending December 31, 2003, and the Board has directed that management submit the selection of independent auditors for ratification by stockholders at the annual meeting. BDO Seidman, LLP began auditing the Company's consolidated financial statements with the fiscal year ended December 31, 2001.

Stockholder ratification of the selection of BDO Seidman, LLP as the Company's independent auditors is not required by the Company's Bylaws or otherwise. However, the Board is submitting the selection of BDO Seidman, LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the election, the Audit Committee and the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee and the Board in their discretion may direct the appointment of different independent auditors at any time during the year if they determine that such an appointment would be in the best interests of the Company and its stockholders.

The Board of Directors recommends a vote FOR the ratification of the selection of BDO Seidman, LLP as the Company's independent auditors for 2003.

STOCKHOLDER PROPOSALS AND NOMINATIONS

Stockholder proposals for the 2004 annual meeting, currently anticipated to be held in the spring of 2004, must be received at the principal executive offices of the Company by December 15, 2003, to be considered for inclusion in the Company's proxy materials relating to such meeting.

If you wish to nominate directors or bring other business before the stockholders at the 2004 annual meeting of stockholders:

- You must be a stockholder of record at the time of giving notice and be entitled to vote at the meeting of stockholders to which the notice relates;
- You must notify the Company in writing no later than March 25, 2004; and
- Your notice must contain the specific information required in our Bylaws. Our Bylaws require that there be furnished to the Company written notice with respect to the nomination of a person for election as a director, as well as the submission of a proposal, at a meeting of stockholders. In order for any such nomination or submission to be proper, the notice must contain certain information concerning the nominating or proposing stockholder, and the nominee or the proposal, as the case may be. A copy of the applicable Bylaws may be obtained, without charge, upon written request to the Secretary of the Company at its principal executive offices in San Diego, California.

A nomination or other proposal will be disregarded if it does not comply with the above procedure and any additional requirements set forth in our Bylaws. Please note that these requirements relate only to the matters that you wish to bring before your fellow stockholders at an annual meeting. They are separate from the SEC's requirements to have your proposal included in our proxy statement.

INDEPENDENT AUDITORS

Representatives of BDO Seidman, LLP are expected to be present at the meeting and will be given an opportunity to make a statement and to respond to questions regarding BDO Seidman's audit of the Company's consolidated financial statements and records for the fiscal year ended December 31, 2002.

The Company has elected to adopt the Securities and Exchange Commission's new proxy disclosure requirements relating to fees paid to the Company's independent certified public accountants prior to the effective date of such disclosure requirements. Under the new requirements there are four categories of fees: Audit, Audit Related, Tax and All Other. Under the previous disclosure requirements, there were three categories of fees: Audit, Financial Information Systems Design and Implementation, and All Other. In addition, the new disclosure requirements also provide that comparative information for the prior fiscal year be reported. Accordingly, the fee information presented in the 2002 proxy for 2001 has been restated here for comparative purposes.

24

We have paid the following fees to BDO Seidman, LLP for work performed in 2002 and to BDO Seidman, LLP and Ernst & Young, LLP for work performed in 2001 or attributable to the audit of our 2002 and 2001 consolidated financial statements:

2002

2001

	(Amounts in thousands)	
Audit Fees	\$311	\$355
Audit-Related Fees	\$234	\$167
Tax Fees	\$103	\$ 69
All Other Fees	\$ 19	\$ 12

Audit Fees

Audit fees include fees for services that normally would be provided by the accountant in connection with statutory and regulatory filings or engagements and that generally only the independent accountant can provide. In addition to fees for an audit or review in accordance with generally accepted auditing standards, this category contains fees for comfort letters, statutory audits, consents, and assistance with and review of documents filed with the SEC.

Audit Related Fees

Audit-related fees are assurance related services that traditionally are performed by the independent accountant, such as: employee benefit plan audits, due diligence related to mergers and acquisitions, internal control reviews, attest services that are not required by statute or regulation and consultation concerning financial accounting and reporting standards.

Tax Fees

Tax fees include corporate, international and employee benefit services, in addition to expatriate related services

As noted in the Audit Committee Report (see page 22), the Audit Committee has considered whether the provision of services by BDO Seidman, LLP that were not related to the audit of the Company's consolidated financial statements referred to above and to the reviews of the interim financial statements included in the Company's Forms 10-Q is compatible with maintaining BDO Seidman, LLP's independence.

Changes in the Company's Certifying Accountant

Effective July 30, 2001, the Company engaged BDO Seidman, LLP as the Company's independent accounting firm. The decision to engage BDO Seidman, LLP as the Company's accountants was recommended by the Company's Audit Committee and approved by the Company's Board of Directors. The Company had not consulted with BDO Seidman, LLP on any matter during the two most recent fiscal years or any later interim period prior to engaging BDO Seidman, LLP. Information relating to the resignation of the Company's former accountant, Ernst & Young LLP, was reported on the Company's Form 8-K dated May 31, 2001.

OTHER MATTERS

As of the date of this proxy statement, the Board of Directors does not intend to present at the annual meeting any matters other than those described herein and does not presently know of any matters that will be presented by other parties. If any other matter is properly brought before the meeting for action by stockholders, proxies in the enclosed form returned to the Company will be voted in accordance with the recommendation of the Board of Directors or, in the absence of such a recommendation, in accordance with the judgment of the proxy holder.

**ENCORE CAPITAL GROUP, INC.
CHARTER OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS**

- Purpose

The primary function of the Audit Committee is to assist the Board of Directors in fulfilling its oversight responsibilities by reviewing (i) the Company's financial statements provided to stockholders, debtholders, the public and others, (ii) the Company's system of internal controls regarding finance, accounting,

legal compliance and ethical behavior and (iii) the Company's auditing, accounting and financial reporting process generally. Consistent with this function, the Audit Committee shall encourage continuous improvement of, and foster adherence to, the Company's policies, procedures and practices at all levels.

In meeting its responsibilities, the Audit Committee is expected to:

- serve as an independent and objective party to review the Company's financial reporting process and internal control system;
- review and appraise the audit activities of the Company's outside auditors; and
- provide an open avenue of communication among the outside auditors, management and the Board of Directors.

Without limiting the foregoing, and in recognition of the fact that the Company's outside auditors are ultimately accountable to the Board of Directors and the Audit Committee, the Board of Directors and the Audit Committee have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the outside auditors and/or nominate the outside auditors for stockholder approval.

The Audit Committee shall primarily fulfill these responsibilities by carrying out the activities enumerated in Section IV of this Charter. In carrying out its responsibilities, the Audit Committee has the authority to retain legal, accounting or other consultants to advise the Audit Committee.

- **Organization**

The Audit Committee shall be appointed by the Board of Directors and shall be comprised of three or more directors as determined by the Board of Directors, each of whom shall be an independent director (as defined by all applicable Nasdaq and SEC rules and regulations) and each of whom is free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of the director's independent judgment as a member of the Audit Committee.

All members of the Audit Committee shall have a working familiarity with basic finance and accounting practices and be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement or shall become able to do so within a reasonable time after his or her appointment to the Audit Committee. At least one member of the Audit Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in that member's financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

I-1

- **Meetings**

The Audit Committee shall meet as circumstances require. The Audit Committee may require members of management, the Company's outside auditors or others to attend meetings and to provide pertinent information as necessary. As part of its job to foster open communication, the Audit Committee shall meet at least annually with management and the Company's outside auditors in separate sessions to discuss any matters that the Audit Committee or any of these groups believe should be discussed privately.

- **Responsibilities and Duties**

To fulfill its responsibilities and duties, the Audit Committee shall:

- Review with financial management and the Company's outside auditors the Company's annual audited financial statements prior to the filing of such statements with the Securities and Exchange Commission. This review should include a discussion of the outside auditors' judgments about the quality and appropriateness of the Company's accounting principles and financial disclosure practices, as applied in its financial reporting, including review of estimates, reserves and accruals, review of judgmental areas, review of audit adjustments whether or not recorded and such other inquiries as may be appropriate. Based on this review, the Audit Committee shall make its recommendation to the Board of Directors as to the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K.
- Review the performance of the outside auditors and make recommendations to the Board of Directors regarding the appointment or replacement of the outside auditors.
- On an annual basis, review and discuss with the outside auditors all relationships the outside auditors have or have had during the current year with the Company to determine the outside auditors' continued independence. In connection with the foregoing, the Audit Committee shall request that the outside auditors submit to the Audit Committee on an annual basis a written statement delineating all such relationships, shall discuss with the outside auditors any disclosed relationship or services that may impact the objectivity and independence of the outside auditors and shall, if appropriate, recommend that the Board of Directors take appropriate action in response to the written statement to satisfy itself of the outside auditors' independence.
- Review and reassess the adequacy of the Audit Committee's Charter annually and recommend to the Board of Directors any changes deemed appropriate by the Audit Committee. The Chairman of the Audit Committee may represent the entire Audit Committee for purposes of this review.
- Consider and pre-approve all auditing services and non-audit services to be provided to the Company by its outside auditor. All non-audit services permitted pursuant to law to be provided by the outside auditors must be considered and pre-approved by the Audit Committee and such approvals must be disclosed in the Company's applicable periodic public filings. The Audit Committee may delegate to one or more designated members of the Audit Committee who are independent directors of the Company the authority to grant pre-approvals as required by this item IV(e), provided that the decisions of any such designated members to whom such authority is delegated will be presented to the full Audit Committee at its scheduled meetings.

I-2

- Prepare any reports of the Audit Committee required by applicable securities laws or stock market listing requirements or rules to be included in any proxy statements, information statements or other documents.
- Approve the fees to be paid to the outside auditors in connection with the Company's annual audit.
- Review with the outside auditors their audit plan, the scope of their audit, the auditors' report and their recommendations.
- Discuss with the outside auditors matters identified by the auditors for discussion with the Audit Committee in accordance with applicable AICPA statements on auditing standards.
- Review and discuss with management and the Company's outside auditors, the integrity of the Company's financial reporting process.
- Review and discuss with management and the Company's outside auditors, the quality and adequacy of the Company's internal accounting controls.
- Review, at least annually, with the Company's counsel, material pending or threatened litigation, legal compliance matters and any other legal matter that could have a significant impact on the Company's financial position or results of operations.
- Perform any other activities consistent with this Charter, the Company's By-laws and governing law, as the Audit Committee or the Board of Directors deems necessary or appropriate.

While the Audit Committee has the responsibilities and powers set forth in this Charter, the Company's management is responsible for preparing the Company's financial statements and the outside auditors are responsible for auditing them. The Audit Committee is responsible for overseeing the conduct of these activities. Consequently, in carrying out its responsibilities, the Audit Committee is not determining that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles, nor is the Audit Committee providing any expert or special assurance as to the Company's financial statements or any professional certification as to the outside auditors' work.
