1. Representations and Warranties of the Company.

(a) The Company represents and warrants to, and agrees with, each of the Underwriters and each of the Selling Stockholders as of the date hereof (such date being referred to as the "Representation Date"), as follows:

(i) The Company has satisfied the conditions for use of Form S-1 under the Act, as set forth in the general instructions thereto, and has filed with the Commission a registration statement (Registration No. 333-108423) on such form, including a Preliminary Prospectus, for the registration under the Act of the offering and sale of the Shares (the "Offering"). The Company has filed one or more amendments thereto, each of which has previously been furnished to the Underwriters. After the execution of this Agreement, the Company will file with the Commission either (A) prior to effectiveness of such registration statement, a further amendment to such registration statement (including a form of prospectus), a copy of which amendment has been furnished to and approved by the Underwriters prior to the execution of this Agreement, or (B) after effectiveness of such registration statement, a prospectus in the form most recently included in an amendment to such registration statement (or, if no amendment shall have been filed, in such registration statement) in accordance with Rules 430A and 424(b) of the Act Regulations and as have been provided to and approved by the Underwriters prior to execution of this Agreement. No document has been or will be prepared or distributed in reliance on Rule 434.

(ii) Neither the Commission nor any "blue sky" or securities authority of any jurisdiction in which the Shares have been offered has issued any order preventing or suspending the use of any Preliminary Prospectus, the Prospectus or any amendment or supplement thereto. On the Effective Date, the Registration Statement did or will, and when the Prospectus is first filed (if required) in accordance with Rule 424(b) and on each Closing Date, the Prospectus will, comply with the applicable requirements of the Act and the Act Regulations; on the Effective Date, the Registration Statement did not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; on the Effective Date if not filed pursuant to Rule 424(b), and on the date of any filing pursuant to Rule 424(b) and each Closing Date,

the Prospectus did not and will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, and each Preliminary Prospectus and the Prospectus delivered to the Underwriters for use in connection with the Offering will, at the time of such delivery, be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T under the Act. Notwithstanding anything to the contrary in this Agreement, the Company makes no representations or warranties as to the information contained in or omitted from the Registration Statement, any Preliminary Prospectus or the Prospectus in accordance with information provided in writing to the Company by or on behalf of the Underwriters expressly for use in any Preliminary Prospectus, the Registration Statement or the Prospectus, and the Company agrees that the only information provided in writing by or on behalf of Underwriters to the Company expressly for use in any Preliminary Prospectus, the Registration Statement or the Prospectus is (1) that information contained in the fourth paragraph under the caption "Underwriting", (2) that information contained in the twelfth paragraph under the caption "Underwriting", (3) the fifteenth paragraph under the caption "Underwriting" and (4) that information on the cover page of the Prospectus stating that the Underwriters expect to deliver the Shares to purchasers on or about October 1, 2003 (collectively, the "Underwriters' Information"). In addition, notwithstanding anything to the contrary in this Agreement, the Company makes no representations or warranties to the Selling Stockholders as to the information contained in or omitted from the Registration Statement, any Preliminary Prospectus or the Prospectus in reliance upon and in conformity with information provided in writing to the Company by or on behalf of the Selling Stockholders expressly for use therein (collectively, the "Selling Stockholder Information").

(iii) Each document filed with, or furnished to, the Commission by the Company since January 1, 2001, when it became effective, or was filed with, or furnished to, the Commission, as the case may be, conformed in all material respects to the requirements of the Act or the Exchange Act, as applicable, and the Exchange Act Rules and Regulations, and none of such documents contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(iv) The Company has been duly organized and is validly existing and in good standing under the laws of the State of Delaware, with all requisite power (corporate and other) and authority to own, lease and operate its properties and to conduct its business as described in the Registration Statement and the Prospectus, and is duly qualified to conduct its business and is in good standing in each jurisdiction or place where the nature or location of its properties (owned, leased or managed) or the conduct of its business requires such qualification, except where the failure so to qualify would not, individually or in the aggregate, have an adverse effect on the condition (financial or other), business, properties, assets, rights, operations or results of operations of the Company or any of the Subsidiaries (as hereinafter defined) that is

or would be, material to the Company and the Subsidiaries, taken as a whole, whether or not occurring in the ordinary course of business (a "Material Adverse Effect").

(v) The only subsidiaries of the Company that are significant subsidiaries within the meaning of Rule 405 under the Act and Rule 1-02(w) of Regulation S-X (individually, a "Subsidiary" and collectively, the "Subsidiaries") are listed in Schedule 1(a)(v) to this Agreement. Each of the Subsidiaries is a corporation duly organized, validly existing and in good standing in the jurisdiction of its incorporation with all requisite power (corporate or other) and authority to own, lease, manage and operate its properties and to conduct its business as described in the Registration Statement and the Prospectus, and is duly qualified to conduct its business and is in good standing in each jurisdiction or place where the nature or location of its properties (owned, leased or managed) or the conduct of its business requires such qualification, except where the failure to so qualify would not, individually or in the aggregate, have a Material Adverse Effect.

(vi) Each of the Company and each Subsidiary possesses all authorizations, approvals, orders, licenses, certificates, franchises and permits of and from, and has made all declarations and filings with, all regulatory or governmental officials, bodies and tribunals ("Permits") that are material to the ownership, leasing, management or operation of their respective properties and to the conduct of the business of the Company and its Subsidiaries as described in the Registration Statement and the Prospectus, except where the failure to have obtained or made the same would not have a Material Adverse Effect. None of the Company or any of the Subsidiaries has received any notice of proceedings relating to the revocation or modification of any such Permits where the failure to be so licensed or approved or the Company's becoming subject to an unfavorable decision, ruling or finding, would have a Material Adverse Effect. Except as described in the Registration Statement and Prospectus, each of the Company and each Subsidiary has fulfilled and performed all its current material obligations with respect to such Permits and no event has occurred that allows, or after notice or lapse of time, or both, would allow, revocation or termination thereof or result in any other material impairment of the rights of the holder of any such Permit, except where such non-fulfillment, failure to perform, revocation, termination or impairment would not result in a Material Adverse Effect. The Company and each of the Subsidiaries are, in all material respects, in compliance with all federal, state, local and foreign laws, rules, regulations, orders and consents of any governmental agency or body or court and, to the knowledge of the Company, except as set forth in the Registration Statement and Prospectus, no prospective change in any such federal, state, local or foreign laws, rules, regulations, orders or consents has been adopted or is proposed which, when made effective, would have a Material Adverse Effect. The property and business of the Company and the Subsidiaries conform in all material respects to the descriptions thereof contained in the Registration Statement and the Prospectus.

(vii) All of the Company's issued and outstanding capital stock has been duly authorized, validly issued and is fully paid and nonassessable, and the Company's outstanding classes of capital stock, including, without limitation, the Common Stock, and the capitalization (authorized and outstanding) of the Company conform in all material respects to the descriptions thereof and the statements made with respect thereto in the Registration Statement and the Prospectus as of the date set forth therein under the captions "Capitalization" and "Description of Capital Stock." None of the issued and outstanding shares of the Company's

capital stock including, without limitation, the Common Stock, have been issued in violation of any preemptive or other rights to subscribe for or purchase shares of capital stock of the Company. Except as set forth in the Registration Statement and the Prospectus, there are no outstanding securities convertible into or exchangeable for, and no outstanding options, warrants or other rights to purchase, any shares of the capital stock of the Company, nor any agreements or commitments to issue any of the same, and there are no preemptive or other rights to subscribe for or to purchase, and no restrictions upon the voting or transfer of, any capital stock of the Company pursuant to the Company's certificate of incorporation or bylaws or any agreement or other instrument to which the Company is a party. All offers and sales of the Company's capital stock prior to the date hereof were at all relevant times duly registered or exempt from the registration requirements of the Act, and were duly registered or the subject of an available exemption from the registration requirements of the applicable state securities or blue sky laws. The form of certificates for the Shares complies with the corporate laws of the State of Delaware.

(viii) All the outstanding shares of capital stock or other equity interests of each Subsidiary have been duly authorized and validly issued and are fully paid and nonassessable, and all outstanding shares of capital stock and other equity interests of such Subsidiaries are owned of record and beneficially by the Company, either directly or through one of the other Subsidiaries, free and clear of any security interests, liens, encumbrances, equities or other claims. (xxv) Neither the execution, delivery or performance of this Agreement, the offer, issuance, sale or delivery of the Shares, nor the consummation of the other transactions contemplated hereby and by the Registration Statement and the Prospectus (A) requires the consent, approval, authorization or order of or provision by the Company to any court or governmental agency or body applicable to the Company or any Subsidiary, except such as have been obtained under the Act and such as may be required under the blue sky laws of any jurisdiction in connection with the purchase and distribution of the Shares by the Underwriters or such as may be required by the National Association of Securities Dealers, Inc. (xxviii) The Company (including all predecessors of the Company) and each of the Subsidiaries have filed (or have obtained extensions thereto) all federal, state, local and foreign tax returns that are required to be filed (other than returns with respect to which failure to so file could not be expected to have a Material Adverse Effect), which returns are

(xxx) No holder of any security of the Company has the right (other than a right which has been waived or complied with) to have any security owned by such holder included in the Registration Statement and, except as described in the Registration Statement and the Prospectus, no holder of any security of the Company has the right to demand registration of any security owned by such holder during the period ending 12 months after the date of the Prospectus.

(xxxi) Neither the Company nor any Subsidiary or their respective officers, directors, employees or agents on behalf of the Company or any Subsidiary have taken, directly or indirectly, (A) any action designed to cause or to result in, or that has constituted or which might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Shares, or (B) since the filing of the Registration Statement (1) sold, bid for, purchased or paid anyone any compensation for soliciting purchases of the Shares or (2) paid or agreed to pay any person any compensation for soliciting another to purchase any securities of the Company.

(xxxv) To the Company's knowledge, no officer, director or beneficial owner of 5% or more of the Common Stock of the Company has any affiliation or association with the NASD or any member thereof.

(xxxvi) There are no contracts, agreements or other documents which are required to be described in the Prospectus or filed as exhibits to the Registration Statement by the Act or by the Act Regulations which have not been described in the Prospectus or filed as exhibits to the Registration Statement as required by the Act Regulations. The contracts so described or otherwise described in the Prospectus or filed as exhibits to the Registration Statement are in full force and effect on the date hereof, and neither the Company or any Subsidiary nor, to the Company's knowledge, any other party is in material breach of or default under any of such contracts. The Company has not received any written notice of such default or breach. The descriptions of such contracts in the Prospectus and the Registration Statement are true summaries thereof and fairly present, in all material respects, the information purported to be summarized. All such agreements to which the Company or any of its Subsidiaries is a party have been duly authorized, executed and delivered by the Company or a Subsidiary, constitute valid and binding agreements of the Company or a Subsidiary, and are enforceable against the Company or a Subsidiary in accordance with the terms thereof, except as the enforcement thereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws relating to or affecting creditors' rights generally, or by general equitable principles.

(xxxvii) No relationship, direct or indirect, exists between or among the Company or any Subsidiary on the one hand, and the directors, officers, stockholders, customers or suppliers of the Company or any Subsidiary (or any partner, affiliate or associate of any of the foregoing persons or entities) on the other hand, which is required to be described in the Prospectus which is not so described.

(xxxix) There are no claims, payments, issuances, arrangements or understandings, whether oral or written, for services in the nature of a finder's, consulting or origination fee with respect to the sale of the Shares hereunder or any other arrangements, agreements, understandings, payments or issuances with respect to the Company or any Subsidiary, or any of their respective officers, directors, stockholders, partners, employees or

(v) The execution, delivery and performance of this Agreement by such Selling Stockholder, the compliance by such Selling Stockholder with all the provisions hereof and the consummation by such Selling Stockholder of the transactions contemplated hereby will not (A) require such Selling Stockholder to obtain any consent, approval, authorization or other order of, or qualification with, any court or governmental body or agency (except as such may be required under the Act and the Exchange Act or the securities or blue sky laws of the various states or as have been or will be obtained), (B) conflict with or constitute a breach of any of the terms or provisions of, or a default under, any indenture, loan agreement, mortgage, deed of trust, lease, license or other agreement or instrument to which such Selling Stockholder is a party or by which such Selling Stockholder or any property of such Selling Stockholder is bound, except for such as would not adversely affect such Selling Stockholder's ability to perform its obligations hereunder, or (C) to his knowledge, violate or conflict with any applicable federal, state, local or foreign law, statute, rule, regulation or judgment, order or decree of any court or any governmental body or agency having jurisdiction over such Selling Stockholder or any property of such Selling Stockholder.

(vii) Such Selling Stockholder has not taken, and will not take, directly or indirectly, any action designed to, or which might reasonably be expected to, cause or result in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Shares pursuant to the distribution contemplated by this Agreement, and, other than as permitted by the Act, such Selling Stockholder has not distributed and will not distribute any prospectus or other offering material in connection with the Offering.

(viii) Such Selling Stockholder has duly authorized, executed and delivered a Custody Agreement and Irrevocable Power of Attorney ("Custody Agreement"), which Custody Agreement is a legal, valid and binding agreement of such Selling Stockholder, except as rights to indemnity and contribution thereunder may be limited by federal or state securities laws or public policy underlying such laws, and except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally and by equitable principles (whether enforcement is sought by proceedings in equity or at law); pursuant to the Custody Agreement, such Selling Stockholder has placed in custody with American Stock Transfer & Trust Company, as Custodian (the "Custodian"), for delivery under this Agreement, certificates or securities entitlements in respect of shares held in "street name" representing the Shares to be sold by such Selling Stockholder, and/or the certificates representing shares of Series A Stock which are convertible into shares of Common Stock to be sold by such Stockholder under this Agreement, and/or an Irrevocable Exercise Notice (as defined in the Custody Agreement) with respect to an option or warrant granting the right to purchase shares of Common Stock to be sold by such Stockholder under this Agreement; and such certificates or Irrevocable Exercise Notice with respect to such option or warrant were duly and properly endorsed in blank for transfer, or were accompanied by all documents duly and properly executed that are necessary to validate the transfer of title thereto, to the Underwriters, free of any legend, restriction on transferability, proxy, lien or claim, whatsoever.

(b) Subject to the terms and conditions and in reliance upon the representations, warranties, covenants and agreements herein set forth, each such Selling Stockholder agrees, severally and not jointly, to sell to the Underwriters, and each Underwriter agrees, severally and not jointly, to purchase from such Selling Stockholder, at the Purchase Price, that number of Firm Shares which bears the same proportion to the aggregate number of Firm Shares to be sold by such Selling Stockholder as the number of Firm Shares set forth opposite the name of such Underwriter in Schedule I bears to the aggregate number of Firm Shares, subject to adjustment in accordance with Section 10 hereof.

(c) Each Selling Stockholder listed on Schedule II as a seller of Additional Shares, grants, severally and not jointly, to the Underwriters an option to purchase all or any part of such Additional Shares at the Purchase Price. Subject to the terms and conditions and in reliance upon the representations, warranties, covenants and agreements herein set forth, Additional Shares may be purchased from such Selling Stockholders, for the accounts of the respective Underwriters in the same proportion that the number of Firm Shares set forth in Schedule I hereto opposite the name of such Underwriter bears to the total number of Firm Shares. Such option may be exercised only to cover over-allotments in the sale of the Firm Shares by the Underwriters and may be exercised in whole or in part at any time and from time to time within 30 days after the date of this Agreement, in each case upon written or facsimile notice, or verbal or telephonic notice confirmed by written or telegraphic notice, by the Underwriters to such Selling Stockholder no later than 12:00 noon, New York City time, on the business day before the Firm Shares Closing Date (as hereinafter defined) or at least two business days before the Additional Shares Closing Date (as hereinafter defined), as the case may be, setting forth the number of Additional Shares to be purchased and the time and date (if other than the Firm Shares Closing Date) of such purchase.

The Firm Shares Closing Date and the Additional Shares Closing Date are called, individually, a "Closing Date" and together, the "Closing Dates." Payment shall be made to such Selling Stockholders by wire transfer and payable in immediately available funds to the order of such Selling Stockholders against delivery to the Underwriters of the applicable Additional Shares.

(f) The Shares shall be in such denominations and registered in such names as the Underwriters may request in writing at least two business days before the Firm Shares Closing Date or, in the case of the Additional Shares, on the day of notice of exercise of the option as described in Section 3(c) hereof. Any such payment by an Underwriter shall not relieve such Underwriter or Underwriters from any of its or their other obligations hereunder.

4. Covenants of the Company.

(a) The Company covenants with each Underwriter as follows:

(i) The Company will use its reasonable best efforts to cause the Registration Statement, if not effective at the Representation Date, and any amendment thereto, to become effective, as promptly as possible after the filing thereof and agrees to prepare the Prospectus in a form approved by the Underwriters. The Company will not file any amendment to the Registration Statement or amendment or supplement to the Prospectus of which the Underwriters shall not previously have been advised and furnished with a copy or to which the Underwriters shall reasonably object in writing after a reasonable opportunity to review such amendment or supplement. Subject to the foregoing sentences in this clause 4(a)(i), if the Registration Statement has become or becomes effective pursuant to Rule 430A, or filing of the Prospectus or supplement to the Prospectus is otherwise required under Rule 424(b), the

Company will cause the Prospectus, properly completed, or such supplement thereto, to be filed with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed therein and will provide evidence satisfactory to the Underwriters of such timely filing upon their request. The Company will promptly advise the Underwriters (A) when the Registration Statement, if not effective at the Representation Date, and any amendment thereto, shall have become effective, (B) when the Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b), (C) when any amendment to the Registration Statement shall have been filed or become effective, (D) of receipt of any comments from the Commission or any request by the Commission for any amendment of or supplement to the Registration Statement or any Prospectus or for any additional information, (E) of the receipt by the Company of any notification of, or if the Company otherwise has knowledge of, the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the institution or threatening of any proceeding for that purpose, (F) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Shares for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose and (G) when, prior to termination of the Offering of the Shares, any document shall have been filed by the Company under the Act or the Exchange Act or under the rules and regulations promulgated thereunder. The Company will use its best efforts to prevent the issuance of any such stop order and, if issued, to obtain as soon as possible the lifting thereof.

(ii) If, at any time when a prospectus relating to the Shares is required to be delivered under the Act or the Act Regulations in connection with the Offering of the Shares, any event occurs as a result of which the Prospectus as then amended or supplemented would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading, or if it shall be necessary to amend the Registration Statement or amend or supplement the Prospectus to comply with the Act or the Act Regulations, the Company promptly will prepare and file with the Commission, at the Company's expense, an amendment or supplement which will correct such statement or omission or effect such compliance and will use its reasonable best efforts to cause the same to become effective as soon as possible; and, in case any Underwriter is required to deliver a prospectus after such time, the Company upon request, but at the expense of such Underwriter, will promptly prepare such amendment or amendments to the Registration Statement and such Prospectus or Prospectuses as may be necessary to permit compliance with the requirements of the Act and the Act Regulations. Neither your consent to, nor your delivery of, any such amendment or supplement shall constitute a waiver of any of the conditions set forth in Section 7.

(iii) During such period when a prospectus is required by law to be delivered in connection with sales by an Underwriter or dealer, the Company, at its expense, will furnish to each Underwriter or mail to its order copies of the Registration Statement, the Prospectus, the Preliminary Prospectus and all amendments and supplements to any such documents in each case as soon as available and in such quantities as such Underwriter may reasonably request, for the purposes contemplated by the Act.

(iv) The Company consents to the use of the Prospectus in accordance with the provisions of the Act and with the securities or blue sky laws of the jurisdictions in

which the Shares are offered by the Underwriters and by all dealers to whom Shares may be sold, both in connection with the Offering and for such period of time thereafter as the Prospectus is required by the Act to be delivered in connection with the sales by any Underwriter or dealer. The Company will comply with all requirements imposed upon it by the Act as the same may be amended so far as necessary to permit the continuance of sales of or dealing in the Shares in accordance with the provisions hereof and the Prospectus.

(v) As soon as practicable, the Company will make generally available to its security holders and to the Underwriters a consolidated earnings statement or statements of the Company and the Subsidiaries covering a twelve-month period beginning with the first full calendar quarter following the Effective Date which will satisfy the provisions of Section 11(a) of the Act and Rule 158 thereunder (it being understood that such delivery requirements shall be deemed met by the Company's compliance with the Company's reporting requirements pursuant to the Exchange Act and the Exchange Rules and Regulations).

(vi) The Company will (A) on or before the Closing Date, deliver to the Underwriters manually signed copies of the Registration Statement as originally filed and of each amendment thereto filed prior to the time the Registration Statement becomes effective and, promptly upon the filing thereof, manually signed copies of each post-effective amendment, if any, to the Registration Statement (together with, in each case, all exhibits thereto unless previously furnished to you) and will also deliver to you, for distribution to the Underwriters, a sufficient number of additional conformed copies of each of the foregoing (but without exhibits) so that one copy of each may be distributed to each Underwriter, (B) as promptly as possible deliver to you and send to the several Underwriters, at such office or offices as you may designate, as many copies of the Preliminary Prospectus and Prospectus as you may reasonably request and (C) thereafter from time to time during the period in which a prospectus is required by law to be delivered by an Underwriter or dealer, likewise send to the Underwriters as many additional copies of the Prospectus and as many copies of any supplement to the Prospectus and of any amended Prospectus, filed by the Company with the Commission, as you may reasonably request for the purposes contemplated by the Act.

(vii) The Company will apply the net proceeds from the Offering, and the sale of the Shares to be sold by the Company, in accordance with the description set forth in the "Use of Proceeds" section of the Prospectus.

(ix) The Company will cooperate with the Underwriters and their counsel in connection with endeavoring to obtain and maintain the qualification or registration, or exemption from qualification, of the Shares for offer and sale under the applicable securities laws of such states of the United States and other jurisdictions as the Underwriters may designate; provided, that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action which would subject it to taxation or general service of process in any jurisdiction where it is not now so subject.

(x) The Company will not, and will not permit any Subsidiary to, at any time, directly or indirectly (A) take any action designed to cause or result in, or that has constituted or which might reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of any of the Shares or

(B) (1) sell, bid for, purchase or pay anyone any compensation for soliciting purchases of the Shares or (2) pay or agree to pay any person any compensation for soliciting another to purchase any other securities of the Company.

(xi) The Company will comply with all the provisions of any undertakings contained in the Registration Statement.

(xii) The Company will not for a period of 90 days following the date of the Prospectus, without the prior written consent of Jefferies, (A) directly or indirectly, offer, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant for the sale of, lend, pledge, hypothecate or otherwise dispose of or transfer or enter into any transaction which is designed, or might reasonably be expected, to result in the disposition of any shares of capital stock of the Company or any securities convertible into or exercisable or exchangeable for or repayable with shares of capital stock of the Company (other than (1) the Shares, (2) shares of capital stock of the Company or securities convertible into or exercisable or exchangeable for shares of capital stock of the Company which are issued, sold or awarded pursuant to the Company's 1999 Equity Participation Plan as contemplated by and described in the Registration Statement and Prospectus; provided, however, that any such shares of capital stock or other securities issued, sold or awarded under the Company's 1999 Equity Participation Plan shall not vest or become exercisable prior to the 90th day following the date of the Prospectus (unless otherwise subject to a Lockup Agreement for such period) or (3) pursuant to currently outstanding options, warrants or rights (which are described in the Registration Statement and Prospectus), or enter into any swap or other derivatives transaction that transfers to another, in whole or in part, any of the economic benefits or risks of ownership of shares of such capital stock of the Company or securities convertible into or exercisable or exchangeable for shares of capital stock of the Company whether any such transaction is to be settled by delivery of capital stock, or other securities, in cash or otherwise or (B) file (or participate in the filing of) a registration statement with the Commission in respect of any shares of capital stock of the Company or securities convertible into or exercisable or exchangeable for such capital stock (except for a registration statement on Form S-8) or (C) publicly announce any intention to effect any transaction described in clause (A) or clause (B) during the 90 days following the date of the Prospectus, other than the transactions that are specifically permitted by clause (A) and clause (B). In addition, during the 90 days following the date of the Prospectus, the Company will not (x) release any executive officer, director or security holder of the Company from their obligations under any similar agreement with the Company not to sell, transfer or dispose of securities of the Company for the 90-day period following the date of the Prospectus and (y) waive compliance with any prohibitions on trading which may be in effect during such 90-day period under the Company's trading policy as previously provided to the Underwriters and in effect on the date hereof.

(xiii) The Company shall cause the Shares to be quoted on the Nasdaq National Market and shall use its reasonable best efforts to maintain such trading while the Shares are outstanding for a period of 365 days following the Firm Shares Closing Date; provided, however, that during the 365-day period, the Company may apply to list the securities on a national securities exchange in lieu of being included for quotation on the Nasdaq National Market.

(xiv) The Company has not taken and will not take, directly or indirectly, any action designed to or which might reasonably be expected to cause or result in, or which has constituted, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Shares, and has not effected any sales of Common Stock which are required to be disclosed in response to Item 701 of Regulation S-K under the Act which have not been so disclosed in the Registration Statement.

(b) The Company agrees to use its reasonable best efforts to appoint such number of additional independent directors as may be necessary for the Company to remain in compliance with applicable SEC rules and regulations and the Nasdaq National Market listing standards.

5. Covenants of the Selling Stockholders.

(a) Each Selling Stockholder covenants with each Underwriter as follows:

(i) Such Selling Stockholder will advise the Underwriters promptly upon such Selling Stockholder obtaining actual knowledge of any event during any period in which a prospectus relating to the Shares is required to be delivered under the Act which, in the judgment of such Selling Stockholder, would require the making of any change in the Selling Stockholder Information relating to such Selling Stockholder so that the Prospectus would not include an untrue statement of material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading.

(ii) Such Selling Stockholder will pay all federal and other taxes, if any, on the transfer and sale of the Shares being sold by such Selling Stockholder to the Underwriters. The Selling Stockholder will deliver to Jefferies on or prior to the first Closing Date a properly completed and executed United States Treasury Department Form W-9 (or other applicable form in lieu thereof).

6. Payment of Expenses.

(a) The Company shall, regardless of whether the Offering contemplated by this Agreement and the Prospectus is consummated, be responsible for and shall pay all costs, fees and expenses incurred in connection with or incident to the proposed Offering, including, without limitation, (A) all expenses and taxes incident to the authorization, issuance, sale and delivery of the Shares to be sold by the Company to the Underwriters, (B) all expenses incident to the registration of the Shares under the Act, (C) all costs of preparing stock certificates, including printing and engraving costs, (D) all fees and expenses of the registrar and transfer agent of the Shares, (E) without limiting clause (A) above, all necessary, transfer and other stamp taxes in connection with the issuance and sale of the Shares to be sold by the Company to the Underwriters, (F) all fees and expenses of the Company's counsel, the Company's independent accountants and any other experts retained by or on behalf of the Company in connection with the Offering, (G) all costs and expenses incurred in connection with the preparation, printing, filing, shipping and distribution of the Registration Statement, each Preliminary Prospectus and the Prospectus, including all exhibits and financial statements, and all amendments and supplements provided for herein, including, without limitation, any post-effective amendments,

the blue sky memoranda, this Agreement, the Agreement among Underwriters, the Underwriters' Questionnaire and Power of Attorney, (H) the filing fees and expenses incurred by the Company or the Underwriters in connection with exemptions from qualifying or registering (or obtaining qualification or registration of) all or any part of the Shares for offer and sale and determination of eligibility for investment under the blue sky or other securities laws of such jurisdictions as the Underwriters may designate and incurred in connection with filings made with the NASD (including related fees and expenses of counsel to the Underwriters not to exceed \$7,500), (I) all travel and lodging fees and expenses incurred by or on behalf of officers and representatives of the Company in connection with presentations to prospective purchasers of the Shares, (J) all word processing charges, messenger and duplicating services, facsimile expenses and other customary expenses of the Company related to the proposed Offering, (K) the costs and expenses relating to preparation and delivery to the Underwriters of five closing binders, (L) all applicable listing or other fees relating to the Shares, including, without limitation, the fees relating to quotation of the Common Stock on the Nasdaq National Market and (M) all other costs and expenses incident to the performance by the Company and such Selling Stockholders of their obligations under this Agreement; provided, however, that except as provided in this Section 6 and in Section 11, the Underwriters shall pay their own costs and expenses, including the costs and expenses of their counsel.

(b) The Company will pay, either directly or by reimbursement, all fees and expenses incident to the performance of such Selling Stockholders' obligations under this Agreement, which are not otherwise specifically provided for herein, including but not limited to the fees and expenses of the Selling Stockholders' counsel and any fees payable to the Custodian, provided, however, that (i) in no event shall such fees and expenses include the underwriting discounts and commissions applicable to such Selling Stockholders Firm Shares or the Additional Shares; and (ii) the provisions of this Section 6(b) shall not affect any agreement which the Company and such Selling Stockholders may make for the allocation or sharing of such expenses and costs.

7. Conditions of the Underwriters' Obligation.

The several obligations of the Underwriters to purchase the Shares hereunder are subject to the accuracy of the representations and warranties of the Company and such Selling Stockholders herein contained as of the date hereof and on each Closing Date, to the accuracy of the statements of the Company and such Selling Stockholders made in any certificate or certificates pursuant to the provisions hereof as of the date of thereof and on each Closing Date and to the performance by the Company and such Selling Stockholders of their obligations hereunder, and to the following further conditions:

(a) The Registration Statement shall have become effective either prior to the execution of this Agreement or not later than 1:30 P.M., Pacific Standard Time, on the first full business day after the date of this Agreement, or at such later time and date as may be approved by the Underwriters and the Company, and shall remain effective at each Closing Date. No stop order suspending the effectiveness of the Registration Statement or the qualification or registration of the Shares under the Act shall be in effect or proceedings therefor initiated or threatened by the Commission. If the Company has elected to rely upon Rule 430A, the price of the Shares and any price-related or other information previously omitted from the effective

Registration Statement pursuant to Rule 430A shall have been transmitted to the Commission for filing pursuant to Rule 424(b) within the prescribed time period, and prior to the Firm Shares Closing Date, the Company shall have provided evidence satisfactory to the Underwriters of such timely filing, or a post-effective amendment providing such information shall have been promptly filed and declared effective in accordance with the requirement of Rule 430A.

(b) Since the respective dates as of which information is given in the Registration Statement and the Prospectus, and except as set forth in or contemplated in the Prospectus, there shall not have occurred (i) any change in or affecting the business (including, without limitation, a change in management or control of the Company), properties, condition (financial or other), or results of operations of the Company or the Subsidiaries, taken as a whole, or adverse change in the capital stock, short-term debt or long-term debt of the Company which, in the good faith judgment of the Underwriters, materially adversely affects the market for the Shares or otherwise makes it impracticable or inadvisable to proceed with the Offering or to purchase the Shares as contemplated by this Agreement or (ii) any material loss or interference with the business or properties of the Company or any of the Subsidiaries from fire, explosion, flood or other casualty, whether or not covered by insurance, or from any labor dispute, (iii) any development involving any court or legislative or other governmental or administrative action, order or decree, which would have a Material Adverse Effect, if in the judgment of the Underwriters any such development makes it impracticable or inadvisable to proceed with completion of the Offering and the sale of and payment for the Shares, or (iv) any development involving any governmental investigation involving the Company or any Subsidiary if in the judgment of the Underwriters any such development makes it impracticable or inadvisable to proceed with completion of the Offering and the sale and payment for the Shares.

(c) Since the respective dates as of which information is given in the Registration Statement and the Prospectus, there shall have been no litigation, investigation or other proceeding instituted against the Company or any of the Subsidiaries or any of their respective officers, directors or senior management personnel, before or by any federal, state, local or foreign court, commission, regulatory body, administrative agency or other governmental body, domestic or foreign, or arbitrator, in which such litigation, investigation or proceeding, an unfavorable ruling, decision or finding would result in a Material Adverse Effect or may affect the Company's or such Selling Stockholders' ability to perform their respective obligations under this Agreement.

(d) All corporate proceedings and other legal matters incident to the authorization, form and validity of this Agreement, the Shares, the Registration Statement and the Prospectus, and all other legal matters relating to this Agreement and the transactions contemplated hereby and by the Registration Statement and Prospectus shall be reasonably satisfactory in all material respects to counsel for the Underwriters, and the Company and such Selling Stockholders shall have furnished to such counsel all documents and information that they may reasonably request to enable them to pass upon such matters.

(e) Snell & Wilmer LLP, counsel for the Company, shall have furnished to the Underwriters their opinion, reasonably satisfactory in form and substance to counsel for the

Underwriters, dated each Closing Date and substantially to the effect as set forth in Exhibit A hereto.

(f) Debevoise & Plimpton, counsel for certain Selling Stockholders, and Mayer, Brown, Rowe & Maw LLP, counsel to the remaining Selling Stockholders, shall have furnished to the Underwriters their opinion, reasonably satisfactory in form and substance to counsel for the Underwriters, dated each Closing Date and substantially to the effect as set forth in Exhibit B hereto.

(g) Latham & Watkins LLP, counsel for the Underwriters, shall have furnished to the Underwriters an opinion with respect to such matters as may be reasonably requested by the Underwriters, dated each Closing Date.

(h) The following conditions contained in clauses (A) through (C) of this Section 7(h) shall have been satisfied on and as of each Closing Date and the Company shall have furnished to the Underwriters and the Selling Stockholders a certificate of the Company, signed by the Chairman of the Board or the President and the principal financial or accounting officer of the Company, dated such Closing Date, to the effect that the signers of such certificate have examined the Registration Statement, the Prospectus, any supplement or amendment to the Prospectus and this Agreement and that:

(A) the representations and warranties of the Company in this Agreement are true and correct on and as of such Closing Date, with the same effect as if made on such Closing Date; and the Company has complied with all the agreements and satisfied all the conditions under this Agreement on its part to be performed or satisfied at or prior to such Closing Date;

(B) no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or, to the knowledge of the Company, threatened; and

(C) since the date of the most recent financial statements included in the Prospectus, there has been no change, with respect to the business, financial condition or results of operations of the Company or the Subsidiaries, taken as a whole, that could reasonably be expected to have a Material Adverse Effect.

(i) There shall have been furnished to the Underwriters a certificate or certificates dated as of such Closing Date and addressed to the Underwriters, signed by each of such Selling Stockholders or any of such Selling Stockholder's Attorneys-in-Fact to the effect that the representations and warranties of such Selling Stockholder contained in this Agreement are true and correct as if made at and as of such Closing Date, and that such Selling Stockholder has complied with all the agreements and satisfied all the conditions on such Selling Stockholder's part to be performed or satisfied at or prior to such Closing Date.

(j) At the Effective Date, and at each Closing Date, the Underwriters shall have received from each of BDO Seidman, LLP and Ernst & Young LLP a letter, in form and substance satisfactory to the Underwriters, addressed to the Underwriters and dated the respective dates set forth above stating, as of the date thereof (or, with respect to matters

involving changes or developments since the respective dates as of which specified financial information is given in the Prospectus, as of a date not more than five days prior to the date thereof), the conclusions and finding of such firm with respect to the financial information and other matters ordinarily covered by accountants' "comfort letters" to underwriters in connection with registered public offerings. The letter from BDO Seidman, LLP shall also confirm they are independent public accountants within the meaning of the Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission. At the Effective Date, and at each Closing Date, the Underwriters shall have received from BDO Seidman, LLP a letter, in form and substance satisfactory to the Underwriters, addressed to the Underwriters and dated the respective dates set forth above stating, as of the date thereof, certain agreed upon procedures that such firm has performed in connection with specified disclosures in the Prospectus.

(k) The Nasdaq National Market shall have approved the Shares for inclusion, subject only to official notice of issuance and evidence of satisfactory distribution.

(l) At each Closing Date, counsel for the Underwriters shall have been furnished with such information, certificates and documents as they may reasonably require for the purpose of enabling them to pass upon the issuance and sale of the Shares as contemplated herein and related proceedings, or to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained, or otherwise in connection with the Offering contemplated hereby; and all opinions and certificates mentioned above or elsewhere in this Agreement shall be reasonably satisfactory in form and substance to the Underwriters and counsel for the Underwriters.

(m) The Underwriters shall have received the Lock-Up Agreements referenced in Section 1(a)(xl).

8. Indemnification and Contribution.

(a) The Company agrees to indemnify, defend and hold harmless, each Underwriter, each Selling Stockholder, the directors, officers, employees and agents of each Underwriter and each Selling Stockholder and each person who controls any Underwriter or any Selling Stockholder within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, to the fullest extent lawful from and against any losses, expenses, claims, damages or liabilities (including any and all investigative, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted), which, jointly or severally, any of them may become subject under the Act, the Exchange Act, or any other federal, state, local or foreign statute or regulation, at common law or otherwise insofar as such losses, expenses, claims, damages or liabilities arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in (A) the Registration Statement, any Preliminary Prospectus or the Prospectus, or in any amendment thereof or supplement thereto, or (B) any blue sky application or other document executed by the Company specifically for that purpose or based upon information furnished by the Company in writing filed in any state or other jurisdiction in order to qualify any or all of the Shares under the securities laws thereof or filed with the Commission or any securities association or securities exchange (each, an "Application"), or (C) in any materials or information provided to investors

by, or with the approval of, the Company in connection with the marketing of the Offering, including any roadshow or investor presentations made to investors by the Company (whether in person or electronically), or (ii) the omission or alleged omission to state (with respect to (A), (B) or (C) above) therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company will not be liable in any such case to the extent that any such loss, expense, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with the Underwriters' Information; provided further, that the Company will not be liable to any Selling Stockholder to the extent that any such loss, expense, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with the Selling Stockholder Information relating to such Selling Stockholder; and, provided further, that with respect to any untrue statement or omission or alleged untrue statement or omission made in any Preliminary Prospectus, the indemnity contained in this Section 8(a) shall not inure to the benefit any such indemnified Selling Stockholder or Underwriter or their respective officers, employees, directors, agents and control persons, and the Company shall not be liable to any such indemnified Selling Stockholder or Underwriter or their respective officers, employees, directors, agents, and control persons, from whom the person asserting any such losses, claims, expense, damage, or liabilities purchased the Shares concerned, to the extent that any such loss, claim, expense, damage or liability of such indemnified Selling Stockholder or Underwriter or their respective officers, employees, directors, agents and control persons results from the fact that there was not sent or given to such person at or prior to the written confirmation of the sale of such shares to such person, a copy of the Prospectus, as the same may be amended or supplemented, and the untrue statement or alleged untrue statement of a material fact or omission or alleged omission to state a material fact in such Preliminary Prospectus was corrected in such Prospectus and the Company had previously furnished copies thereof to such indemnified Underwriter on a timely basis to permit the Prospectus (as the same may be amended or supplemented) to be sent or given. The foregoing indemnity agreement shall be in addition to any liability that the Company may otherwise have.

(b) Each Selling Stockholder agrees, severally and not jointly, to indemnify, defend and hold harmless the Company, each of its directors, each of its officers who signs the Registration Statement, each Underwriter, the directors, officers, employees and agents of each Underwriter and each person who controls any Underwriter or the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, to the fullest extent lawful from and against any losses, expenses, claims, damages or liabilities (including any and all investigative, legal and other expenses reasonably incurred in connection with, and any amount paid in settlement of, any action, suit or proceeding or any claim asserted), which, jointly or severally, any of them may become subject under the Act, the Exchange Act, or any other federal, state, local or foreign statute or regulation, at common law or otherwise, as such expenses are incurred, insofar as such losses, expenses, claims, damages or liabilities arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained (A) in the Selling Stockholder Information that relates to such Selling Stockholder, or (B) in any Application executed by such Selling Stockholder for that purpose or based upon information furnished in writing by such Selling Stockholder specifically for inclusion in any Application, or

(ii) the omission or alleged omission to state therein with respect to either (A) or (B) a material fact required to be stated therein or necessary to make the statements relating to such Selling Stockholder therein not misleading; provided, however, that such Selling Stockholder will not be liable in any such case to the extent that any such loss, expense, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with the Underwriters' Information; and, provided further, that with respect to any untrue statement or omission or alleged untrue statement or omission made in any Preliminary Prospectus, the indemnity contained in this Section 8(b) shall not inure to the benefit any such indemnified Underwriter or its respective officers, employees, directors, agents and control persons, and such Selling Stockholders shall not be liable to any such indemnified Underwriter or its respective officers, employees, directors, agents, and control persons, from whom the person asserting any such losses, claims, expense, damage, or liabilities purchased the Shares concerned, to the extent that any such loss, claim, expense, damage or liability of such indemnified Underwriter or its respective officers, employees, directors, agents and control persons results from the fact that there was not sent or given to such person at or prior to the written confirmation of the sale of such shares to such person, a copy of the Prospectus, as the same may be amended or supplemented, and the untrue statement or alleged untrue statement of a material fact or omission or alleged omission to state a material fact in such Preliminary Prospectus was corrected in such Prospectus and the Company had previously furnished copies thereof to such indemnified Underwriter on a timely basis to permit the Prospectus (as the same may be amended or supplemented) to be sent or given. The Underwriters agree that the only information provided in writing by or on behalf of such Selling Stockholders expressly for use in the Registration Statement is that information contained in the section of the Prospectus entitled "Selling and Principal Stockholders." The foregoing indemnity agreement shall be in addition to any liability that such Selling Stockholders may otherwise have.

(c) Each Underwriter severally agrees to indemnify and hold harmless the Company, each person, if any, who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, each director of the Company and each officer who signs the Registration Statement, and each Selling Stockholder, to the same extent as the foregoing indemnities from the Company and each Selling Stockholder to each Underwriter, the directors, officers, employees, and agents of such Underwriter and any person controlling such Underwriter, but only insofar as such loss, expense, claim, damage or liability arises out of or is based upon any untrue statement or omission or alleged untrue statement or omission made in reliance on or in conformity with the Underwriters' Information. This indemnity agreement will be in addition to any liability that any Underwriter may otherwise have.

(d) If any action is brought against an indemnified party under this Section 8, the indemnified party or parties shall promptly notify the indemnifying party in writing of the institution of such action (provided that the failure to give such notice shall not relieve the indemnifying party of any liability which it may have pursuant to this Agreement, unless and to the extent the indemnifying party did not otherwise learn of such action and such failure has resulted in the forfeiture of substantive rights or defenses by the indemnifying party) and the indemnifying party shall assume the defense of such action, including the employment of counsel and payment of reasonable expenses. The indemnified party or parties shall have the right to employ separate counsel (including local counsel) in any such case and to participate in

the defense thereof, but the fees and expenses of such counsel shall be at the expense of the indemnified party or parties unless (i) the employment of such counsel shall have been authorized in writing by the indemnifying party in connection with the defense of such action, (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to take charge of the defense of such action within a reasonable time after notice of the institution of such action, or (iii) the defendants in any such action include both the indemnified party and the indemnifying party and such indemnified party or parties shall have reasonably concluded that there may be defenses available to it or them that are different from or additional to those available to the indemnifying party or the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest that would make it inappropriate for the same counsel to represent both of them (in which case the indemnifying party shall not have the right to direct the defense of such action on behalf of the indemnified party or parties), in any of which events such fees and expenses shall be borne by the indemnifying party and paid as incurred; provided that the indemnifying party shall only be responsible for the reasonable fees and expenses of one firm of attorneys together with appropriate local counsel for the indemnified party or parties hereunder. Anything in this paragraph to the contrary notwithstanding, the indemnifying party shall not be liable for any settlement of any such claim or action effected without its written consent, which consent shall not be unreasonably withheld. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent involves only the payment of monetary damages and includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding.

(e) If the indemnification provided for in this Section 8 is unavailable to an indemnified party under subsections (a), (b) or (c) of this Section 8 or is insufficient to hold harmless a party indemnified thereunder, in respect of any losses, expenses, claims, damages or liabilities referred to therein, then each applicable indemnifying party shall contribute to the amount paid in settlement of any action, suit or proceeding or any claims asserted, but after deducting any contribution received by an applicable indemnified party from persons who may also be liable for contribution, including persons who control the indemnified party within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, in such proportion as is appropriate to reflect the relative benefits received by the Company or such Selling Stockholders on the one hand, and the Underwriters on the other hand, from the Offering or, if, but only if, such allocation is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to above but also the relative fault of the Company or such Selling Stockholders on the one hand, and the Underwriters on the other hand, in connection with the statements or alleged statements or omissions or alleged omissions which resulted in such losses, expenses, claims, damages or liabilities as well as any other relevant equitable considerations. The relative benefits received by the Company or such Selling Stockholders on the one hand, and the Underwriters on the other hand, shall be deemed to be in the same proportion as the total proceeds from the Offering (net of underwriting discounts but before deducting expenses) received by the Company and such Selling Stockholder bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault of the Company or such

Selling Stockholders on the one hand, and the Underwriters on the other hand, shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, such Selling Stockholders or the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of the losses, expenses, claims and liabilities referred to above shall be deemed to include any legal or other fees or expenses reasonably incurred by such party in connection with investigating or defending any claim or action. The Company, such Selling Stockholder and the Underwriters agree that it would not be just and equitable if contribution pursuant hereto were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this Section 8(e), no Underwriter shall be required to contribute any amount in excess of the underwriting discount received by it by reason of such untrue statement or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this Section 8(e) to contribute are several in proportion to their respective underwriting obligations and not joint.

(f) The Company and such Selling Stockholders may agree, as between themselves and without limiting the rights of the Underwriters under this Agreement, as to the respective amounts of such liability for which they each shall be responsible; provided that in the absence of any such agreement, such liability shall be allocated in accordance with each such party's pro rata portion of the aggregate net proceeds from the Offering contemplated hereby.

(g) The liability of each Selling Stockholder under the indemnity and contribution agreements contained in this Section 8 shall be limited to an amount equal to the aggregate net sales price for the Shares sold by such Selling Stockholder to the Underwriters.

9. Survival. The respective indemnity and contribution agreements contained in Section 8 hereof and the covenants, warranties and other representations of the Company and such Selling Stockholders contained in this Agreement or contained in certificates of officers of the Company or such Selling Stockholders submitted pursuant hereto, shall remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter, or any of their respective officers, employees, directors, stockholders or persons who control the Underwriters within the meaning of Section 15 of the Act, or by or on behalf of the Company or any of its directors, officers, employees or any person who controls the Company within the meaning of Section 15 of the Act or any Selling Stockholder or any controlling persons thereof, and shall survive delivery of and payment for the Shares.

10. Default by an Underwriter. If one or more of the Underwriters shall fail or refuse on the Firm Shares Closing Date or the Additional Shares Closing Date to purchase and pay for any of the Shares agreed to be purchased by such Underwriter or Underwriters hereunder on such date and the aggregate number of Firm Shares or Additional Shares, as the case may be, which such defaulting Underwriter or Underwriters, as the case may be, agreed but failed or refused to purchase is not more than one-tenth of the total number of Shares to be purchased on

such date by all Underwriters, each non-defaulting Underwriter shall be obligated severally, in the proportion which the number of Firm Shares set forth opposite its name in Schedule I bears to the total number of Firm Shares which all the non-defaulting Underwriters, as the case may be, have agreed to purchase, or in such other proportion as the Underwriters may specify, to purchase the Firm Shares or Additional Shares, as the case may be, which such defaulting Underwriter or Underwriters, as the case may be, agreed but failed or refused to purchase on such date; provided that in no event shall the number of Firm Shares or Additional Shares, as the case may be, which any Underwriter has agreed to purchase pursuant to Section 3 hereof be increased pursuant to this Section 10 by an amount in excess of one-tenth of the total number of Firm Shares or Additional Shares, as the case may be, that the Underwriters are obligated to purchase on the Firm Shares Closing Date or the Additional Shares Closing Date, as applicable, without the written consent of such Underwriter. If on the Firm Shares Closing Date or on the Additional Shares Closing Date, as the case may be, any Underwriter or Underwriters shall fail or refuse to purchase Firm Shares, or Additional Shares, as the case may be, and the aggregate number of Firm Shares or Additional Shares, as the case may be, with respect to which such default occurs is more than one-tenth of the aggregate number of Shares to be purchased on such date by all Underwriters in the event of a default by an Underwriter and arrangements satisfactory to the Underwriters and the Company for purchase of such Shares are not made within 48 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter, any Selling Stockholder and the Company. In any such case which does not result in termination of this Agreement, either the Underwriters or the Company shall have the right to postpone the Firm Shares Closing Date or the Additional Shares Closing Date, as the case may be, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement and the Prospectus or any other documents or arrangements may be effected. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any default of any such Underwriter under this Agreement.

11. Termination of Agreement.

(a) The Underwriters may terminate this Agreement, by written notice to the Company and the Attorneys-in-Fact for such Selling Stockholders prior to the Firm Shares Closing Date (or, if applicable, the Additional Shares Closing Date) (i) if there shall occur any failure, refusal or inability of the Company or any Selling Stockholder to satisfy any of the conditions contained in Section 7 hereof or (ii) if, since the date of this Agreement and prior to the Firm Shares Closing Date (or, if applicable, the Additional Shares Closing Date), (A) there has occurred any material adverse change in the financial markets of the United States or in political, financial or economic conditions in the United States or any outbreak or material escalation of hostilities or any other insurrection or armed conflict or declaration by the United States of a national emergency or war or other calamity or crisis, the effect of which on the financial securities markets of the United States is such as to make it, in the judgment of the Underwriters, impracticable or inadvisable to market the Shares on the terms and in the manner contemplated by the Prospectus, (B) trading in any of the securities of the Company has been suspended by the Commission, or trading generally on the New York Stock Exchange or the Nasdaq National Market has been suspended, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices for securities have been required, by the New York Stock Exchange or the Nasdaq National Market or by order of the Commission or any other

governmental authority or (C) a banking moratorium has been declared by any of the federal or New York authorities.
