Item 1.01. Entry into a Material Definitive Agreement.

On June 14, 2019, Cabot Financial (Luxembourg) II S.A. (the “Issuer”), an indirect subsidiary of Encore Capital Group, Inc. (the “Company”), issued €400 million in aggregate principal amount of its Senior Secured Floating Rate Notes due 2024 (the “Notes”). The Notes are guaranteed on a senior secured basis by Cabot Credit Management Limited, Cabot Financial Limited and all material subsidiaries of Cabot Financial Limited (other than the Issuer, Marlin Intermediate Holdings plc, Cabot Securitisation UK Limited and Cabot Securitisation (UK) II Limited) (each a subsidiary of the Company and collectively, the “Guarantors”). The Notes are secured by a first-ranking security interest in all the outstanding shares of the Issuer and the Guarantors (other than Cabot Credit Management Limited and Marlin Midway Limited) and substantially all the assets of the Issuer and the Guarantors (other than Cabot Credit Management Limited). The Notes were issued pursuant to an Indenture, dated June 14, 2019, (the “Indenture”), among the Issuer, the Guarantors, and Citibank, N.A. London Branch, as trustee. The Indenture includes customary terms and covenants, including certain events of default after which the Notes may be due and payable immediately.

The Notes were sold in a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States to certain non-U.S. persons pursuant to Regulation S under the Securities Act.

The Notes will bear interest at a rate of three-month EURIBOR (subject to a 0% floor) plus 6.375%, reset quarterly, per year payable quarterly in arrears on January 15, April 15, July 15 and October 15 of each year, beginning on July 15, 2019. The Notes will mature on June 14, 2024, unless earlier repurchased.

The proceeds of the offering will be used, together with cash on hand, to redeem in full Cabot Financial (Luxembourg) S.A.’s £80 million senior secured notes due 2021 and pay accrued interest thereon, redeem in full the Issuer’s €310 million senior secured floating rate notes due 2021 and pay premium and accrued interest thereon, and pay fees, expenses and commissions incurred in connection with the offering of the Notes.

A copy of the Indenture (including the form of the Note) is attached as an exhibit to this report and is incorporated herein by reference (and this description is qualified in its entirety by reference to such document).

The information set forth under Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.

Item 7.01. Regulation FD Disclosure.

On May 3, 2019, Turkhan Mirzayev (“Plaintiff”) filed a Verified Complaint (the “Complaint”), Motion for Expedited Proceedings and Motion for a Preliminary Injunction in the Court of Chancery of the State of Delaware against the Company and the members of its board of directors (the “Board”) captioned Turkhan Mirzayev v. Michael P. Monaco, et al., C.A. No. 2019-0331-JRS (the “Action”). In the Action, Plaintiff alleged that the defendants breached their fiduciary duty of disclosure in connection with their recommendation to stockholders to vote at the Company’s 2019 annual meeting of stockholders in favor of an amendment to the Company’s Amended and Restated Certificate of Incorporation to increase the number of authorized shares of common stock from 50,000,000 to 75,000,000 shares via the affirmative vote of the majority of shares voting for or against the amendment at the Company’s annual meeting, not counting abstentions and broker non-votes (the “Proposed Amendment”). Plaintiff sought to enjoin the vote on the Proposed Amendment until the defendants disclosed that the approval of the Proposed Amendment requires the approval of a majority of the outstanding stock entitled to vote on the Proposed Amendment (whether or not such shares were voted at the 2019 Annual Meeting). While the Company and the Board deny completely all of the allegations of wrongdoing in the complaint, on May 6, 2019, the Company filed with the U.S. Securities and Exchange Commission, an amendment to the Company’s proxy statement which addressed the alleged disclosure deficiencies Plaintiff identified (the “Proxy Amendment”). As a result of the Proxy Amendment, Plaintiff agreed that his claims were moot, and the Company agreed to pay \$82,500 in fees and expenses to Plaintiff’s counsel. On June 6, 2019, the Court entered a Stipulation and Order providing that Plaintiff’s action will be dismissed with prejudice only as to Plaintiff and the case will be closed. The Court has not passed on the amount of fees and expenses. Plaintiff’s Counsel are Christopher J. Kupka, Esq., of Levi & Korsinsky, LLP,

(212) 363-7500, and P. Bradford deLeeuw, Esq. of Rosenthal, Monhait & Goddess, P.A., (302) 656-4433, and Company's counsel are Michele D. Johnson, Esq. of Latham & Watkins LLP, (714) 540-1235, and Raymond J. DiCamillo, Esq. of Richards, Layton & Finger, P.A., (302) 651-7700.

The information in Item 7.01 of this Current Report on Form 8-K is being furnished to the Securities and Exchange Commission pursuant to Item 7.01, and shall not be deemed to be "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, and shall not be deemed to be incorporated by reference into any filing under the Securities Act or the Exchange Act, except as shall be expressly set forth by a specific reference in such filing.

“Financial Indebtedness” means any Indebtedness described under clauses (1), (2), (4), (5), (6) and (7) of the definition of “Indebtedness”.

“Fixed Charge Coverage Ratio” means, with respect to any Person on any determination date, the ratio of Consolidated EBITDA of such Person for the most recently completed four consecutive fiscal quarters ending immediately prior to such determination date for which internal consolidated financial statements are available to the Fixed Charges of such Person and its Restricted Subsidiaries for such four consecutive fiscal quarters. In the event that the Company or any Restricted Subsidiary Incurs, assumes, Guarantees, redeems, defeases, retires or extinguishes any Indebtedness (other than, in the case of redemption, defeasance, retirement or extinguishment, Indebtedness Incurred under any revolving credit facility unless such Indebtedness has been permanently repaid and has not been replaced) or issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to or simultaneously with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “Fixed Charge Coverage Ratio Calculation Date”), then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such Incurrence, assumption, Guarantee, redemption, defeasance, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock, as if the same had occurred at the beginning of the applicable four-quarter period; provided, however, that the pro forma calculation of Fixed Charges shall not give effect to (i) any Indebtedness incurred on the Fixed Charge Coverage Ratio Calculation Date pursuant to the provisions described in Section 4.09(b) or (ii) the discharge on the Fixed Charge Coverage Ratio Calculation Date of any Indebtedness to the extent that such discharge results from the proceeds incurred pursuant to the provisions described in Section 4.09(b).

For purposes of making the computation referred to above, any Investment, acquisitions, dispositions, mergers, consolidations and disposed or discontinued operations that have been made by the Company or any of its Restricted Subsidiaries during the four-quarter reference period or subsequent to such reference period and on or prior to or simultaneously with the Fixed Charge Coverage Ratio Calculation Date shall be calculated on a pro forma basis assuming that all such Investments, acquisitions, dispositions, mergers, consolidations and disposed or discontinued operations (and the change in any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the four-quarter reference period. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged with or into the Company or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, consolidation or disposed or discontinued any operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect thereto for such period as if such Investment, acquisition, disposition, merger, consolidation or disposed or discontinued operation had occurred at the beginning of the applicable four-quarter period.

For purposes of this definition, whenever pro forma effect is to be given to a transaction, the pro forma calculations shall be made in good faith by a responsible financial or chief accounting officer of the Company (including synergies and cost savings). If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Coverage Ratio Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with IFRS. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period except as set forth in the first paragraph of this definition. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be determined to have

been based upon the rate actually chosen, or if none, then based upon such optional rate chosen as the Company may designate.

ARTICLE II

The Notes

Section 2.01. Form and Dating.

(a) General. The Notes shall be euro-denominated Senior Secured Floating Rate Notes due 2024. The Notes and the Trustee’s or Authentication Agent’s certificate of authentication will be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage. The Initial Notes will initially be represented by the Global Notes. Each Note will be dated the date of its authentication. The Notes shall be in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof. The terms and provisions contained in the Notes will constitute, and are hereby expressly made, a part of this Indenture and the Issuer and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) Global Notes. Notes issued in global form will be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Notes issued in definitive form will be substantially in the form of Exhibit A hereto (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note will represent outstanding Notes of each such series as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby

will be made by the Trustee or the Common Depositary therefor, at the direction of the Trustee, in accordance with Section 2.06.

(c) Euroclear and Clearstream Procedures Applicable. The provisions of the “Operating Procedures of the Euroclear System” and “Terms and Conditions Governing Use of Euroclear” and the “General Terms and Conditions of Clearstream Banking” and “Customer Handbook” of Clearstream will be applicable to transfers of beneficial interests in the Global Notes that are held by Participants through Euroclear or Clearstream.

Section 2.02. Execution and Authentication. An Officer must sign the Notes for the Issuer by manual or facsimile signature. If the Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual or facsimile signature of the Trustee or Authentication Agent. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

On the Issue Date, the Trustee (or the Authentication Agent (as defined herein below)) shall, upon receipt of a written order of the Issuer signed by an Officer (an “Authentication Order”), authenticate the Initial Notes for original issue up to €400,000,000 in aggregate principal amount of Notes and, upon delivery of any Authentication Order at any time and from time to time thereafter, the Trustee (or the Authentication Agent) shall authenticate Additional Notes for original issue, or Definitive Notes issued pursuant to Section 2.06, in an aggregate principal amount specified in such Authentication Order. Such Authentication Order shall specify the aggregate principal amount of Notes to be authenticated, the series and type of Notes, the date on which the Notes are to be authenticated, and the date from which interest on such Notes shall accrue, whether the Notes are to be issued as definitive Notes or Global Notes and whether or not the Notes shall bear any legend, or such other information as the Trustee may reasonably request. In addition, such Authentication Order shall include (a) a statement that the Persons signing the Authentication Order have (i) read and understood the provisions of this Indenture relevant to the statements in the Authentication Order and (ii) made such examination or investigation as is necessary to enable them to make such statements and (b) a brief statement as to the nature and scope of the examination or investigation on which the statements set forth in the Authentication Order are based.

The Trustee may appoint an authentication agent (the “Authentication Agent”) acceptable to the Issuer to authenticate Notes. Such an agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. Any Authentication Agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer. Any such appointment shall be evidenced by an instrument signed by a Responsible Officer, a copy of which shall be furnished to the Issuer. Unless limited by the terms of such appointment, an Authentication Agent may authenticate Notes whenever the Trustee may do so. The Trustee appoints Citigroup Global Markets Europe AG as the Authentication Agent and Citigroup Global Markets Europe AG hereby accepts such appointment. The Issuer confirms this appointment as acceptable to it. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An Authentication Agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer.

Section 2.03. Registrar, Paying Agent, Calculation Agent and Transfer Agent. The Issuer shall maintain offices or agencies where Notes may be presented for registration of transfer or for exchange (each, a “Registrar”) and one or more Paying Agents where Notes may be presented for payment. Offices or agencies of the Paying Agent for the Notes shall be maintained in London, England. The Issuer shall also maintain a Registrar with offices in

Frankfurt, Germany, a transfer agent (the “Transfer Agent”) in London, England, and a Calculation Agent in London, England (the “Calculation Agent”). The Registrar, acting as agent of the Issuer solely for this purpose, shall keep a register of the Notes and of their transfer and exchange. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar and the term “Paying Agent” includes any additional paying agent. The Issuer may change any Paying Agent, Registrar, Calculation Agent or Transfer Agent without prior notice to any Holder. The Issuer shall notify the Trustee in writing of the name and address of any Paying Agent not a party to this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee, acting as agent of the Issuer solely for this purpose, shall act as such. The Issuer or any of its Subsidiaries, acting as agent of the Issuer solely for this purpose, may act as Paying Agent, Transfer Agent, Calculation Agent or Registrar.

Each of Euroclear and Clearstream shall act as a Depositary with respect to the Global Notes. Citibank Europe plc will act as Common Depositary for the Global Notes on behalf of Euroclear and Clearstream.

The Issuer initially appoints Citibank N.A., London Branch to act as the Principal Paying Agent, the Calculation Agent and the Transfer Agent, and initially appoints Citigroup Global Markets Europe AG to act as the Registrar. Each hereby accepts such appointments.

Subject to any applicable laws and regulations, the Issuer shall cause the Registrar to keep a register (the “Register”) at its office in which, subject to such reasonable regulations as it may prescribe, the Issuer shall provide for the registration of ownership, exchange and transfer of the Notes. Such registration in the Register shall be conclusive evidence of the ownership of Notes. Included in the books and records for the Notes shall be notations as to whether such Notes have been paid, exchanged or transferred, cancelled, lost, stolen, mutilated or destroyed and whether such Notes have been replaced. In the case of the replacement of any of the Notes, the Registrar shall keep a record of the Note so replaced and the Note issued in replacement thereof. In the case of the cancellation of any of the Notes, the Registrar shall keep a record of the Note so cancelled and the date on which such Note was cancelled. A register of the Notes shall also be maintained, in accordance with the provisions of the Luxembourg law of August 10, 1915 on commercial companies, as amended, at the registered office of the Issuer in Luxembourg (the “Duplicate Register”). In the case of Definitive Notes only, each time the Register is amended or updated, the Registrar shall send a copy of the relevant Register to the Issuer who will keep an updated copy of the Duplicate Register at its registered office. In the event of an inconsistency between the Register and the Duplicate Register, for the purposes of Luxembourg law only, the Duplicate Register shall prevail.

The Issuer shall enter into an appropriate agency agreement with any Paying Agent or co-Registrar not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Issuer shall notify the Trustee and the Agents of the name and address of any such agent. If the Issuer fails to maintain a Registrar or Paying Agent, the Trustee may appoint a suitably qualified and reputable party to act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.07.

Upon notice to the Trustee, the Issuer may change any Paying Agent, Registrar, Calculation Agent or Transfer Agent. For so long as the Notes are listed on the official list of the Luxembourg Stock Exchange and traded on the Euro MTF Market and the rules and regulations of the Luxembourg Stock Exchange so require, the Issuer shall provide notice of any change of Paying Agent, Calculation Agent, Registrar or Transfer Agent to the Luxembourg Stock Exchange. To the extent and in the manner permitted by such rules, the Issuer will request the notice to be posted on the official website of the Luxembourg Stock Exchange in accordance with Section 13.02 and, in the case of Definitive Notes, in addition to such publication and

posting, mail such notice by first-class mail to each Holder's registered address, as it appears on the Register, with a copy to the Trustee.

Payment of principal shall be made upon the surrender of Definitive Notes at the office of any Paying Agent. In the case of a transfer of a Definitive Note in part, upon surrender of the Definitive Note to be transferred, a Definitive Note shall be issued to the transferee in respect of the principal amount transferred and a Definitive Note shall be issued to the transferor in respect of the balance of the principal amount of the transferred Definitive Note at the office of any Transfer Agent.

The obligations of the Agents are several and not joint.

Section 2.04. Paying Agent to Hold Money. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and will notify the Trustee of any default by the Issuer in making any such payment. Money held by a Paying Agent need not be segregated, except as required by law, and in no event shall any Paying Agent be liable for interest on any money received by it hereunder. For the avoidance of doubt, any funds held by the Paying Agent are held as banker are not subject to United Kingdom's Financial Conduct Authority's Client Money Rules and, in the event the Paying Agent fails, the client money distribution rules will not apply and so the Issuer shall not be entitled to share in any distribution under the client money distribution rules. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon payment over to the Trustee, the Paying Agent will have no further liability for the money. Upon any bankruptcy or reorganization proceedings relating to the Issuer, Citibank N.A., London Branch, will serve as Paying Agent for the Notes.

Section 2.05. Holder Lists. If the Trustee is the Registrar, the Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer shall furnish to the Trustee at least five Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Neither the Trustee nor any of the Agents will have any responsibility or be liable for any aspect of the records in relation to, or payments made on account of, beneficial ownership interests in the Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 2.06. Transfer and Exchange.

(a) Transfer and Exchange of Global Notes. A Global Note may not be transferred as a whole except by the nominee of an applicable Depositary to another nominee of the applicable Depositary, or by the applicable Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes of a series will be exchanged by the Issuer for Definitive Notes if:

(1) in the case of any Global Note, the Issuer delivers to the Trustee notice from Euroclear and Clearstream that they are unwilling or unable to continue to act as clearing agencies and a successor Depositary is not appointed by the Issuer within 120 days after the date of such notice from the Depositary; or

(2) in the case of any Global Note, there has occurred and is continuing an Event of Default with respect to such Global Note and the Participant who owns a book entry interest in such Global Note so requests in writing.

Upon the occurrence of any of the events listed in the preceding clause (1) of this Section 2.06(a), the Issuer shall execute, and the Trustee or the Authentication Agent shall, upon receipt of an Authentication Order, authenticate and deliver Definitive Notes of the series and in an aggregate principal amount equal to the principal amount of the applicable Global Note tendered in exchange therefor. The Issuer shall, at the cost of the Issuer (but against such indemnity as the Registrar or any relevant Agent may require in respect of any tax or other duty of whatever nature which may be levied or imposed in connection with such exchange), cause sufficient Definitive Notes to be executed and delivered to the Trustee or the Authentication Agent for authentication and the Registrar for registration of the exchange and dispatch to the relevant Holders within 30 days of the relevant event. The Trustee or the Registrar shall, at the cost of the Issuer, deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Definitive Notes issued in exchange for beneficial interests in Global Notes pursuant to this Section 2.06(a) shall be registered in such names and in such authorized denominations as the Depositary, pursuant to instructions from its Participants or Indirect Participants or otherwise, shall instruct the Trustee. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a); provided, however, that notable, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b), (c), (d) or (e).

(b) Transfer and Exchange of Beneficial Interests in the Global Notes. The transfer and exchange of beneficial interests in the Global Notes will be effected through the applicable Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; provided, however, that transfers of beneficial interests in a Regulation S Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person prior to the expiration of the 40-day “distribution compliance period” under Regulation S, unless such person is a “distributor” as defined in Rule 902. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(2) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar or the Transfer Agent both (i) a written order from a Participant or an Indirect Participant given to the applicable Depositary in accordance with the Applicable Procedures directing the applicable Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged,

and (ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase.

Upon satisfaction of all the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee or the Transfer Agent shall arrange the adjustment to the principal amount of the relevant Global Note(s) pursuant to Section 2.06(h).

(3) Transfer of Beneficial Interests to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar or the Transfer Agent receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in a 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transferee will take delivery in the form of a beneficial interest in a Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof.

(4) Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note. A beneficial interest in any Restricted Global Note may be exchanged by any holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar or the Transfer Agent receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

(B) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note, a certificate from such holder in the form of Exhibit B hereto, including the appropriate certifications in item (3) thereof;

and, in each such case, if the Registrar or the Transfer Agent so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

If any such transfer is effected at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee (or the Authentication Agent) shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred.

Beneficial interests in an Unrestricted Global Note cannot be exchanged for, or transferred to Persons who take delivery thereof in the form of, a beneficial interest in a Restricted Global Note.

(c) Transfer or Exchange of Beneficial Interests for Definitive Notes. If any one of the events listed in clause (1) or (2) of Section 2.06(a) has occurred or the Issuer has elected pursuant to Section 2.06(a) to cause the issuance of Definitive Notes, transfers or exchanges of beneficial interests in a Global Note for a Definitive Note shall be effected, subject to the satisfaction of the conditions set forth in the applicable subclauses of this Section 2.06(c).

(1) Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes. If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon receipt by the Registrar or the Transfer Agent of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (2)(a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such beneficial interest is being transferred to a non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;

(D) if such beneficial interest is being transferred to the Issuer or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (4) thereof,

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(h), and the Issuer shall execute and, upon receipt of an Authentication Order, the Trustee (or the Authentication Agent) shall authenticate and deliver to the Person designated in the instructions a Restricted Definitive Note in the appropriate principal amount. Any Restricted Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(c) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar or the Transfer Agent through instructions from the Depository and the Participant or Indirect Participant. The Trustee or the Registrar (as the case may be) shall deliver such Restricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Restricted Definitive Note issued in exchange for a beneficial

interest in a Restricted Global Note pursuant to this Section 2.06(c)(1) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(2) Beneficial Interests in Restricted Global Notes to Unrestricted Definitive Notes. A holder of a beneficial interest in a Restricted Global Note may exchange such beneficial interest for an Unrestricted Definitive Note or may transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note only:

(A) if such beneficial interest is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof,

(B) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof; or

(C) if the Registrar or the Transfer Agent receives the following:

(i) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (1)(b) thereof; or

(ii) if the holder of such beneficial interest in a Restricted Global Note proposes to transfer such beneficial interest to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such holder in the form of Exhibit B hereto, including the appropriate certifications in item (3) thereof,

and, in each such case set forth in this subparagraph (C), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(3) Beneficial Interests in Unrestricted Global Notes to Unrestricted Definitive Notes. If any holder of a beneficial interest in an Unrestricted Global Note proposes to exchange such beneficial interest for an Unrestricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note, then, upon satisfaction of the conditions set forth in Section 2.06(b)(2) above, the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(h), and the Issuer shall execute and, upon receipt of an Authentication Order, the Trustee (or the Authentication Agent) shall authenticate and deliver to the Person designated in the instructions an

Unrestricted Definitive Note in the appropriate principal amount. Any Unrestricted Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(3) will be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest requests through instructions to the Registrar or the Transfer Agent from or through the applicable Depository and the Participant or Indirect Participant. The Trustee or the Registrar (as the case may be) shall deliver such Unrestricted Definitive Notes to the Persons in whose names such Notes are so registered. Any Unrestricted Definitive Note issued in exchange for a beneficial interest pursuant to this Section 2.06(c)(3) will not bear the Private Placement Legend.

(d) Transfer and Exchange of Definitive Notes for Beneficial Interests.

(1) Restricted Definitive Notes to Beneficial Interests in Restricted Global Notes. If any Holder of a Restricted Definitive Note proposes to exchange such Restricted Definitive Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (2)(b) thereof;

(B) if such Restricted Definitive Note is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such Restricted Definitive Note is being transferred to a non-U.S. Person in an offshore transaction in accordance with Rule 903 or Rule 904, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2) thereof;

(D) if such Restricted Definitive Note is being transferred to the Issuer or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (4) thereof,

the Trustee shall cancel the Restricted Definitive Note, increase or cause to be increased the aggregate principal amount of, in the case of clause (A) above, the appropriate Restricted Global Note, in the case of clause (B) above, the appropriate 144A Global Note, and in the case of clause (C) or (D) above, the appropriate Regulation S Global Note.

(2) Restricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of a Restricted Definitive Note may exchange such Restricted Definitive Note for a beneficial interest in an Unrestricted Global Note or transfer such Restricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note only:

(A) if such Restricted Definitive Note is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(c) thereof;

(B) if such Restricted Definitive Note is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (3)(a) thereof; or

(C) the Registrar receives the following:

(i) if the Holder of such Restricted Definitive Note proposes to exchange such Restricted Definitive Note for a beneficial interest in the Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(c) thereof; or

(ii) if the Holder of such Restricted Definitive Note proposes to transfer such Restricted Definitive Note to a Person who shall take delivery thereof in the form of a beneficial interest in the Unrestricted Global Note, a certificate from such Holder in the form of Exhibit B hereto, including the appropriate certifications in item (3) thereof,

and, in each such case set forth in this subparagraph (C), if the Registrar so requests or if the Applicable Procedures so require, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

Upon satisfaction of the conditions of any of the subparagraphs in this Section 2.06(d)(2), the Trustee shall cancel the Definitive Note and increase or cause to be increased the aggregate principal amount of the Unrestricted Global Note.

(3) Unrestricted Definitive Notes to Beneficial Interests in Unrestricted Global Notes. A Holder of an Unrestricted Definitive Note may exchange such Unrestricted Definitive Note for a beneficial interest in an Unrestricted Global Note or transfer such Unrestricted Definitive Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note at any time. Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Definitive Note and increase or cause to be increased the aggregate principal amount of the relevant Unrestricted Global Note.

If any such exchange or transfer from an Unrestricted Definitive Note to a beneficial interest is effected pursuant to this subparagraph (3) at a time when an Unrestricted Global Note has not yet been issued, the Issuer shall issue and, upon receipt of an Authentication Order, the Trustee or Authentication Agent shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Unrestricted Definitive Notes so transferred.

(e) Transfer and Exchange of Definitive Notes for Definitive Notes. Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(e), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to

such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar and duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(e).

(1) Restricted Definitive Notes to Restricted Definitive Notes. Any Restricted Definitive Note may be transferred to and registered in the name of a Person who takes delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to Rule 144A under the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(C) if the transfer will be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications required by item (3) thereof.

(2) Restricted Definitive Notes to Unrestricted Definitive Notes. Any Restricted Definitive Note may be exchanged by the Holder thereof for an Unrestricted Definitive Note or transferred to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note if the Registrar receives the following:

(A) if the Holder of such Restricted Definitive Note proposes to exchange such Restricted Definitive Note for an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(d) thereof; or

(B) if the Holder of such Restricted Definitive Note proposes to transfer such Restricted Definitive Note to a Person who shall take delivery thereof in the form of an Unrestricted Definitive Note, a certificate from such Holder in the form of Exhibit B hereto, including the appropriate certifications in item (3) thereof,

and, in each such case, if the Registrar so requests, an Opinion of Counsel in form reasonably acceptable to the Registrar to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(3) Unrestricted Definitive Notes to Unrestricted Definitive Notes. A Holder of Unrestricted Definitive Notes may transfer such Unrestricted Definitive Notes to a Person who takes delivery thereof in the form of an Unrestricted Definitive Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Definitive Notes pursuant to the instructions from the Holder thereof.

(f) [Intentionally Omitted].

(g) Legends. The following legends shall appear on the face of all Global Notes and Definitive Notes issued under this Indenture unless specifically stated otherwise in the applicable provisions of this Indenture.

(1) Private Placement Legend.

(A) Except as permitted by subparagraph (B) below, each Global Note and each Definitive Note (and all Notes issued in exchange therefor or substitution thereof) shall bear the legend in substantially the following form:

THIS NOTE HAS NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD, EXCEPT AS SET FORTH IN THE FOLLOWING SENTENCE. BY ITS ACQUISITION HEREOF, THE HOLDER FOR THE BENEFIT OF THE ISSUER AND THE GUARANTORS AND ANY OF THEIR SUCCESSORS IN INTEREST (1) REPRESENTS THAT (A) IT IS A "QUALIFIED INSTITUTIONAL BUYER" (AS DEFINED IN RULE 144A UNDER THE SECURITIES ACT) OR (B) IT IS NOT A U.S. PERSON AND IS ACQUIRING THIS NOTE IN AN OFFSHORE TRANSACTION, (2) AGREES THAT IT WILL NOT PRIOR TO THE DATE WHICH IS [IN THE CASE OF RULE 144A NOTES: ONE YEAR] [IN THE CASE OF REGULATION S NOTES: 40 DAYS] (OR SUCH SHORTER PERIOD OF TIME AS PERMITTED BY [RULE 144A] [REGULATION S] UNDER THE SECURITIES ACT OR ANY SUCCESSOR PROVISION THEREUNDER) AFTER THE LATER OF THE DATE OF ORIGINAL ISSUE AND THE LAST DATE ON WHICH THE ISSUER OR ANY AFFILIATE OF THE ISSUER WAS THE OWNER OF THE NOTES (OR ANY PREDECESSOR THERETO) (THE "RESALE RESTRICTION TERMINATION DATE") RESELL, PLEDGE OR OTHERWISE TRANSFER THIS NOTE OR A BENEFICIAL INTEREST IN THIS NOTE EXCEPT (A) TO THE ISSUER, THE GUARANTORS OR ANY SUBSIDIARY THEREOF, (B) TO A PERSON THAT THE SELLER, AND ANY PERSON ACTING ON ITS BEHALF, REASONABLY BELIEVES IS A QUALIFIED INSTITUTIONAL BUYER IN A TRANSACTION COMPLYING WITH RULE 144A UNDER THE SECURITIES ACT, (C) PURSUANT TO OFFERS AND SALES TO NON-U.S. PERSONS IN AN OFFSHORE TRANSACTION IN COMPLIANCE WITH REGULATION S UNDER THE SECURITIES ACT, (D) PURSUANT TO ANY OTHER AVAILABLE EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OR (E) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT, AND IN EACH OF SUCH CASES IN COMPLIANCE WITH ANY APPLICABLE SECURITIES LAW OF ANY STATE OF THE UNITED STATES AND (3) AGREES THAT IT WILL DELIVER TO EACH PERSON TO WHOM THIS NOTE IS TRANSFERRED A NOTICE SUBSTANTIALLY TO THE EFFECT OF THIS LEGEND. PROVIDED THAT THE ISSUER, THE TRUSTEE, THE TRANSFER AGENT AND THE REGISTRAR SHALL HAVE THE RIGHT PRIOR TO ANY SUCH OFFER, SALE OR TRANSFER PURSUANT TO CLAUSE (C) PRIOR TO THE END OF THE 40-DAY

THIS LEGEND WILL BE REMOVED UPON THE REQUEST OF THE HOLDER AFTER THE RESALE RESTRICTION TERMINATION DATE. THE INDENTURE CONTAINS A PROVISION REQUIRING THE TRUSTEE, THE TRANSFER AGENT AND THE REGISTRAR TO REFUSE TO REGISTER ANY TRANSFER OF THIS NOTE IN VIOLATION OF THE FOREGOING RESTRICTIONS. AS USED HEREIN, THE TERMS "OFFSHORE TRANSACTION," "UNITED STATES," AND "U.S. PERSON" HAVE THE MEANING GIVEN TO THEM BY REGULATION S UNDER THE SECURITIES ACT.

(B) Notwithstanding the foregoing, any Global Note or Definitive Note issued pursuant to subparagraph (b)(4), (c)(2), (c)(3), (d)(2), (d)(3), (e)(2) or (e)(3) of this Section 2.06 (and all Notes issued in exchange therefor or substitution thereof) will not bear the Private Placement Legend.

(2) Global Note Legend. Each Global Note will bear a legend in substantially the following form:

THIS GLOBAL NOTE IS HELD BY THE COMMON DEPOSITARY (AS DEFINED IN THE INDENTURE GOVERNING THIS NOTE) OR ITS NOMINEE IN CUSTODY FOR THE BENEFIT OF THE BENEFICIAL OWNERS HEREOF, AND IS NOT TRANSFERABLE TO ANY PERSON UNDER ANY CIRCUMSTANCES EXCEPT THAT (1) THE TRUSTEE MAY MAKE SUCH NOTATIONS HEREON AS MAY BE REQUIRED PURSUANT TO SECTION 2.06 OF THE INDENTURE, (2) THIS GLOBAL NOTE MAY BE EXCHANGED IN WHOLE BUT NOT IN PART PURSUANT TO SECTION 2.06(a) OF THE INDENTURE, (3) THIS GLOBAL NOTE MAY BE DELIVERED TO THE TRUSTEE FOR CANCELLATION PURSUANT TO SECTION 2.11 OF THE INDENTURE AND (4) THIS GLOBAL NOTE MAY BE TRANSFERRED TO A SUCCESSOR DEPOSITARY WITH THE PRIOR WRITTEN CONSENT OF THE ISSUER.

UNLESS AND UNTIL IT IS EXCHANGED IN WHOLE OR IN PART FOR NOTES IN DEFINITIVE FORM, THIS NOTE MAY NOT BE TRANSFERRED EXCEPT AS A WHOLE BY THE COMMON DEPOSITARY TO A NOMINEE OF THE COMMON DEPOSITARY OR BY A NOMINEE OF THE COMMON DEPOSITARY TO THE COMMON DEPOSITARY OR ANOTHER NOMINEE OF THE COMMON DEPOSITARY OR BY THE COMMON DEPOSITARY OR ANY SUCH NOMINEE TO A SUCCESSOR COMMON DEPOSITARY OR A NOMINEE OF SUCH SUCCESSOR COMMON DEPOSITARY. UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE COMMON DEPOSITARY OR ITS NOMINEE TO THE ISSUER OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REGISTERED IN THE NOMINEE NAME OF THE COMMON DEPOSITARY OR SUCH OTHER

NAME AS MAY BE REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE COMMON DEPOSITARY (AND ANY PAYMENT IS MADE TO OR TO THE ORDER OF THE COMMON DEPOSITARY OR SUCH OTHER ENTITY AS MAY BE REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE COMMON DEPOSITARY), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, THE COMMON DEPOSITARY, HAS AN INTEREST HEREIN.

(h) Cancellation and/or Adjustment of Global Notes. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(i) General Provisions Relating to Transfers and Exchanges.

(1) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee (or the Authentication Agent) shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order or at the Registrar's request.

(2) No service charge will be made to a Holder of a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer may require payment by any such Holder of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.06, 3.06, 3.09, 4.10, 4.15 and 9.05).

(3) The Registrar will not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) The Issuer and the Registrar shall not be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the

day of any selection of Notes for redemption under Section 3.02 and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(7) The Trustee (or the Authentication Agent) shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

Section 2.07. Replacement Notes. If any mutilated Note is surrendered to the Trustee or the Issuer or the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuer shall issue and the Trustee (or the Authentication Agent), upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuer, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuer to protect the Issuer, the Trustee, any Agent and any Authentication Agent from any loss that any of them may suffer if a Note is replaced. The Issuer may charge for its expenses in replacing a Note.

If, after the delivery of such replacement Note, a bona fide purchaser of the original Note in lieu of which such replacement Note was issued presents for payment or registration such original Note, the Trustee shall be entitled to recover such replacement Note from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Issuer, the Trustee, any Agent and any Authentication Agent in connection therewith.

Subject to the provisions of the final sentence of the preceding paragraph of this Section 2.07, every replacement Note is an obligation of the Issuer and shall be entitled to all the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08. Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee or the Authentication Agent except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note; provided, however, that Notes held by the Issuer or a Subsidiary of the Issuer shall not be deemed to be outstanding for purposes of Section 3.07.

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser in whose hands such Note is a legal, valid and binding obligation of the Issuer.

If the entire principal amount and premium, if any, of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, and is not prohibited from paying such money to the Holders pursuant to the terms of this Indenture, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an Agent duly appointed in writing or may be embodied in or evidenced by an electronic transmission which identifies the documents containing the proposal on which such consent is requested and certifies such Holders' consent thereto and agreement to be bound thereby; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee, and where it is hereby expressly required, to the Issuer.

Section 2.09. Treasury Notes. In determining whether the Holders of the required principal amount of the Notes have concurred in any direction, waiver or consent, the Notes owned by the Issuer or by any Person directly or indirectly controlling, or controlled by, or under direct or indirect common control with, the Issuer will be treated as though they are not outstanding.

Section 2.10. Temporary Notes. Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee or the Authentication Agent, upon receipt of an Authentication Order, shall authenticate, temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuer considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare and the Trustee (or the Authentication Agent) shall authenticate Definitive Notes in exchange for temporary Notes. Holders of temporary Notes will be entitled to all the benefits of this Indenture.

Section 2.11. Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar, the Transfer Agent and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Notes in its customary manner unless the Issuer directs the Trustee to deliver canceled Notes to the Issuer. The Issuer may not issue new Notes to replace Notes that it has redeemed or paid or that have been delivered to the Trustee for cancellation.

Section 2.12. Defaulted Interest. If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, in accordance with the terms hereof, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuer shall fix or cause to be fixed each such special record date and payment date in a manner satisfactory to the Trustee; provided that no such special record date may be less than 10 days

prior to the related payment date for such defaulted interest. At least 10 days before the special record date, the Issuer shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.13. Additional Amounts.

(a) All payments made by the Issuer, a Successor Company or a Guarantor (a “Payor”) on the Notes or the Note Guarantees will be made free and clear of and without withholding or deduction for, or on account of, any Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of:

(1) the Grand Duchy of Luxembourg, the United Kingdom or any political subdivision or Governmental Authority thereof or therein having power to tax;

(2) any jurisdiction from or through which payment on any such Note or Note Guarantee is made by the Issuer, Successor Company, Guarantor or their agents, or any political subdivision or Governmental Authority thereof or therein having the power to tax; or

(3) any other jurisdiction in which the Payor is incorporated or organized, engaged in business for tax purposes or otherwise considered to be a resident for tax purposes, or any political subdivision or Governmental Authority thereof or therein having the power to tax (each of clauses (1), (2) and (3), a “Relevant Taxing Jurisdiction”),

will at any time be required from any payments made with respect to any Note or Note Guarantee, including payments of principal, redemption price, premium, if any, or interest, the Payor shall pay (together with such payments) such additional amounts (the “Additional Amounts”) as may be necessary in order that the net amounts received in respect of such payments by the Holders or the Trustee, as the case may be, after such withholding or deduction (including any such deduction or withholding from such Additional Amounts), will not be less than the amounts which would have been received in respect of such payments on any such Note or Note Guarantee in the absence of such withholding or deduction; provided, however, that no such Additional Amounts will be payable for or on account of:

(1) any Taxes that would not have been so imposed but for the existence of any present or former connection between the relevant Holder (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of power over the relevant Holder, if the relevant Holder is an estate, nominee, trust, partnership, limited liability company or corporation) and the Relevant Taxing Jurisdiction (including, but not limited to, being a citizen or resident or national or domiciliary of, or the existence of a business, a permanent establishment, a dependent agent, a place of business or a place of management present or deemed present in the Relevant Taxing Jurisdiction) but excluding, in each case, any connection arising solely from the acquisition, ownership or holding of such Note or enforcement of rights hereunder or under a Note Guarantee or the receipt of any payment in respect thereof;

(2) any Taxes that are imposed or withheld by reason of the failure by the Holder or the beneficial owner of the Note to comply with a written request of the Payor addressed to the Holder, after reasonable notice, to provide certification, information, documents or other evidence concerning the nationality, residence,

identity or connection with the Relevant Taxing Jurisdiction of the Holder or such beneficial owners or to make any declaration or similar claim or satisfy any other reporting requirement relating to such matters, in each case that is required by applicable law, regulation, treaty or administrative practice of the Relevant Taxing Jurisdiction as a precondition to exemption from all or part of such Tax; provided that in each case the Holder or beneficial owner is legally eligible to do so;

(3) any Taxes that are payable otherwise than by deduction or withholding from a payment with respect to the Notes or any Note Guarantee;

(4) any estate, inheritance, gift, sales, transfer, personal property or similar Taxes;

(5) any Taxes imposed in connection with a Note presented for payment (where presentation is required for payment) by or on behalf of a Holder or beneficial owner who would have been able to avoid such Tax by presenting the relevant Note to, or otherwise accepting payment from, another Paying Agent in the United Kingdom or any member state of the European Union;

(6) any Taxes imposed on or with respect to a payment to a Holder that is a fiduciary or partnership or any Person other than the sole beneficial owner of such payment or Note, to the extent that a beneficiary or settlor with respect to such fiduciary, a member of such partnership or the beneficial owner of such payment or Note would not have been entitled to the Additional Amounts had such beneficiary, settlor, member or beneficial owner been the actual Holder of such Note;

(7) any Taxes imposed pursuant to or in connection with Sections 1471 through 1474 of the Code, the United States Treasury Regulations thereunder or any similar law or regulations adopted pursuant to an intergovernmental agreement between a non-U.S. jurisdiction and the United States with respect to the foregoing; or

(8) any combination of the above.

(b) Such Additional Amounts will also not be payable (x) to the extent the payment could have been made without such deduction or withholding if the beneficiary of the payment had presented the Note for payment (where presentation is required for payment) within 30 days after the relevant payment was first made available for payment to the Holder, except for Additional Amounts with respect to Taxes that would have been imposed had the Holder presented the Note for payment within such 30 day period or (y) where, had the beneficial owner of the Note been the Holder, except for Additional Amounts with respect to Taxes that would have been imposed had the Holder presented the Note for payment within such 30-day period, such beneficial owner would not have been entitled to payment of Additional Amounts by reason of any of clauses (1) to (8) inclusive above, but only if there is no material cost or legal restriction associated with transferring the Note to such beneficial owner.

(c) The Payor shall (i) make any required withholding or deduction and (ii) remit the full amount deducted or withheld to the Relevant Taxing Jurisdiction in accordance with applicable law. The Payor shall use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes, in such form as provided in the ordinary course by the Relevant Taxing Jurisdiction and as is reasonably available to the Payor, and shall provide such certified copies to the Trustee. Such copies shall be made available to the Holders upon request

and shall be made available at the offices of the Paying Agent. The Payor shall attach to each certified copy a certificate stating (x) that the amount of withholding Taxes evidenced by the certified copy was paid in connection with payments in respect of the principal amount of Notes then outstanding and (y) the amount of such withholding Taxes paid per €1,000 principal amount of Notes.

(d) If any Payor becomes aware that it shall be obligated to pay Additional Amounts under or with respect to any payment made on any Note or Note Guarantee, at least 30 days prior to the date of such payment, the Payor shall deliver to the Trustee and the Paying Agent an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount so payable and such other information necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date (unless such obligation to pay Additional Amounts arises, or the Payor becomes aware of such obligation, less than 45 days prior to the relevant payment date, in which case the Payor may deliver such Officer's Certificate as promptly as practicable after the date that is 30 days prior to the payment date but in any event no less than 2 (two) Business Days prior to the payment date). The Trustee and the Paying Agent shall be entitled to rely solely on such Officer's Certificate without further inquiry, as conclusive proof that such payments are necessary.

(e) Wherever in this Indenture or the Note Guarantees there are mentioned, in any context:

- (1) the payment of principal;
- (2) purchase or redemption prices in connection with a purchase or redemption of Notes;
- (3) interest; or
- (4) any other amount payable on or with respect to any of the Notes,

such reference shall be deemed to include payment of Additional Amounts pursuant to this Section 2.13 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(f) The Payor shall pay any present or future stamp, court or documentary Taxes, or any other excise, property or similar Taxes that arise in any jurisdiction from the execution, delivery, registration or enforcement of any Notes, this Indenture, the Proceeds Loan Agreement, the Intercreditor Agreements, the other Security Documents or any other document or instrument in relation thereto (other than a transfer or exchange of the Notes) excluding any such Taxes, charges or similar levies imposed by any jurisdiction that is not a Relevant Taxing Jurisdiction.

(g) The foregoing obligations of this Section 2.13 will survive any termination, defeasance or discharge of this Indenture and will apply mutatis mutandis to any jurisdiction in which any successor to the Issuer or any Guarantor is organized or any political subdivision or taxing authority or agency thereof or therein.

Section 2.14. Currency Indemnity.

(a) The euro is the sole currency of account and payment for all sums payable by the Issuer and any Guarantor under or in connection with the Notes or any Note Guarantee, as applicable, including damages. Any amount received or recovered in a currency other than euro, whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction,

in the winding-up or dissolution of the Issuer or any Guarantor or otherwise by any Holder or by the Trustee, in respect of any sum expressed to be due to it from the Issuer or any Guarantor will only constitute a discharge to the Issuer or such Guarantor to the extent of the euro amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

(b) If that euro amount is less than the euro amount expressed to be due to the recipient or the Trustee under any Note, the Issuer and the Guarantors shall indemnify them against any loss sustained by such recipient or the Trustee as a result. In any event, the Issuer and the Guarantors shall indemnify the recipient or the Trustee against the cost of making any such purchase. For the purposes of this currency indemnity provision, it will be *prima facie* evidence of the matter stated therein for the Holder or the Trustee to certify in a manner satisfactory to the Issuer (indicating the sources of information used) the loss it incurred in making any such purchase. These indemnities constitute a separate and independent obligation from the Issuer's and the Guarantors' other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder or the Trustee (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or to the Trustee.

Section 2.15. Deposit of Moneys. No later than 10:00 a.m. London time one Business Day prior to each due date of the principal of, interest and premium (if any) on any Note and the Stated Maturity date of the Notes, the Issuer shall deposit with the Principal Paying Agent in same day immediately available cleared funds money sufficient to make cash payments, if any, due on such day or date, as the case may be, in a timely manner which permits the Trustee or relevant Paying Agent to remit payment to the Holders on such day or date, as the case may be. Subject to actual receipt of such amounts in same day immediately available cleared funds as provided by this Section 2.15 by the designated Paying Agent, such Paying Agent shall make payments on the Notes in accordance with the provisions of this Indenture. The Issuer shall promptly notify the Trustee and the Paying Agents of its failure to so act.

The rights of holders of beneficial interests in the Notes to receive the payments on such Notes are subject to applicable procedures of the applicable Depository. If the due date for any payment in respect of any Note is not a Business Day at the place at which such payment is due to be paid, the Holder thereof will not be entitled to payment of the amount due until the next succeeding Business Day at such place, and will not be entitled to any further interest or other payment as a result of any such delay.

Section 2.16. Computation of Interest.

(a) Interest on the Notes will accrue at a rate per annum (the "Applicable Rate"), reset quarterly, equal to the sum of (i) three-month EURIBOR (subject to a 0% floor) plus (ii) 6.375% (the "Margin"), as determined by the Calculation Agent.

(b) The Calculation Agent shall, as soon as practicable after 11:00 a.m. (Brussels time) on each Determination Date, determine the Applicable Rate and calculate the aggregate amount of interest payable in respect of the following Interest Period (the "Interest Amount"). The Interest Amount shall be calculated by applying the Applicable Rate to the principal amount of each Note outstanding at the commencement of the Interest Period, multiplying each such amount by the actual amounts of days in the Interest Period concerned divided by 360.

(c) All percentages resulting from any of the above calculations shall be rounded, if necessary, to the nearest one hundred thousandth of a percentage point, with five one-millionths of a percentage point being rounded upwards (e.g., 4.876545% (or .04876545) being rounded to 4.87655% (or .0487655)). All euro amounts used in or resulting from such calculations shall be rounded to the nearest euro cent (with one-half euro cent being rounded upwards). The determination of the Applicable Rate and the Interest Amount by the Calculation Agent shall, in the absence of willful default or gross negligence, be final and binding on all parties.

(d) In no event shall the rate of interest on the Notes be higher than the maximum rate permitted by applicable law, provided, however, that the Calculation Agent shall not be responsible for determining nor verifying that the rate of interest on the Notes is higher than the maximum rate permitted under any applicable law.

ARTICLE III

Redemption and Prepayment

Section 3.01. Notices to Trustee. If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 and paragraph 5 of the relevant Notes, it must furnish to the Trustee, at least 10 days but not more than 60 days (or such shorter period as may be agreed by the Trustee) before notice of redemption is given to Holders, an Officer's Certificate setting forth:

- (a) the clause of this Indenture pursuant to which the redemption shall occur;
- (b) the record date for the redemption and the redemption date;
- (c) the principal amount, including make-whole premium, if any, of Notes to be redeemed; and
- (d) the redemption price.

Section 3.02. Selection of Notes to be Redeemed or Purchased. If less than all the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee or the Registrar (as applicable) will select Notes for redemption or purchase as follows:

- (a) if the applicable Notes are listed on any national securities exchange (including the Luxembourg Stock Exchange), in compliance with the requirements of the principal securities exchange, if any, on which they are listed, as certified to the Trustee by the Issuer and in compliance with the rules and procedures of Euroclear and Clearstream; or
- (b) if the applicable Notes are not listed on any national securities exchange or the relevant national securities exchange does not have any applicable requirements and the Notes are not held through Euroclear or Clearstream or Euroclear and/or Clearstream prescribes no method of selection, on a pro rata basis.

In the event of partial redemption or purchase, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 10 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase, and in the case of any Global Notes, in accordance with the rules and procedures of Euroclear and Clearstream.

The Trustee shall promptly notify the Issuer, the Paying Agent and the Registrar (if not the Issuer) in writing of the Notes selected for redemption or purchase and, in the case of any Notes selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum amounts of €100,000 and integral multiples of €1,000 in excess thereof, except that if all the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of €1,000 (in excess of €100,000), shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Neither the Trustee nor the Registrar shall be liable for selections made by it under this Section.

Section 3.03. Notice of Redemption. Not less than 10 days but not more than 60 days before a redemption date, the Issuer shall mail or cause to be mailed, by first class mail, postage prepaid, a notice of redemption to each Holder whose Notes are to be redeemed at their respective addresses as they appear on the registration books of the Registrar, with a copy to the Trustee and the Paying Agent, except that redemption notices may be mailed more than 15 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes pursuant to Article VIII or a satisfaction and discharge of this Indenture pursuant to Article X. So long as any series of the Notes is listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Euro MTF Market and if required by the rules and regulations of the Luxembourg Stock Exchange, the Issuer shall provide any notice of redemption to the Luxembourg Stock Exchange and publish it on the website of the Luxembourg Stock Exchange (www.bourse.lu).

The notice shall identify the Notes to be redeemed and shall state:

(a) the record date for the redemption and the redemption date;

(b) the redemption price;

(c) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;

(d) the name and address of the Paying Agent;

(e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(f) that, unless the Issuer defaults in making such redemption payment or the relevant Paying Agent is prohibited from making such payment pursuant to the terms of this Indenture, interest on Notes called for redemption ceases to accrue on and after the redemption date, unless the redemption price is not paid on the redemption date;

(g) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(h) that no representation is made as to the correctness or accuracy of the ISIN or Common Code number, if any, listed in such notice or printed on the Notes.

At the Issuer's direction, the Trustee shall give the notice of redemption in the Issuer's name and at its expense; provided, however, that the Issuer has delivered to the Trustee, at least 15 Business Days prior to the redemption date (unless a shorter period shall be acceptable to the Trustee in its sole discretion), an Officer's Certificate directing the Trustee to give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04. Effect of Notice of Redemption. Once notice of redemption is mailed in accordance with Section 3.03, subject to Section 3.07(f), Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. Failure to give notice or any defect in the notice to any Holder shall not affect the validity of the notice to any other Holder.

Section 3.05. Deposit of Redemption or Purchase Price. No later than 10:00 a.m. London time one Business Day prior to the redemption or purchase price date, the Issuer shall deposit with the Principal Paying Agent, in same day immediately available cleared funds, money sufficient to pay the redemption or purchase price of and accrued and unpaid interest, if any, and Additional Amounts, if any, on all Notes to be redeemed or purchased on that date other than Notes or portions of Notes called for redemption that have been delivered by the Issuer to the Trustee for cancellation. The Principal Paying Agent shall promptly return to the Issuer any money deposited with the Principal Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of, and accrued and unpaid interest, if any, and Additional Amounts, if any, on, all Notes to be redeemed or purchased. Neither the Trustee nor any Paying Agent shall be required to pay out any money without first having been placed in funds.

If the Issuer complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase unless the relevant Paying Agent is prohibited from making such redemption payment pursuant to the terms of this Indenture. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

Section 3.06. Notes Redeemed or Purchased in Part. Upon surrender of a Note that is redeemed or purchased in part, the Issuer shall issue and, upon receipt of an Authentication Order, the Trustee (or the Authentication Agent) shall authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered. In the case of a Global Note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof.

Section 3.07. Optional Redemption.

(a) At any time and from time to time on or after June 14, 2020, the Issuer may redeem the Notes, in whole or in part, at its option, upon not less than 10 nor more than 60 days' prior notice to the Holders, at a redemption price equal to the applicable percentage of principal amount set forth below plus accrued and unpaid interest and Additional Amounts, if any, to the applicable redemption date (subject to the right of Holders of record on the relevant

record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on June 14 of the years indicated below:

Year	Redemption Price
2020	101.000%
2021 and thereafter	100.000%

(b) At any time and from time to time prior to June 14, 2020 the Issuer may redeem Notes with the Net Cash Proceeds received by the Company from any Equity Offering occurring after the Issue Date, upon not less than 10 nor more than 60 days' prior notice to the Holders at a redemption price equal to 106.375% plus accrued and unpaid interest and Additional Amounts, if any, to the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), in an aggregate principal amount for all such redemptions not to exceed 40% of the original aggregate principal amount of the Notes (including the principal amount of any Additional Notes); *provided that*:

(1) in each case the redemption takes place not later than 120 days after the closing of the related Equity Offering, and

(2) not less than 60% of the original aggregate principal amount of the Notes (including the principal amount of any Additional Notes) remains outstanding immediately thereafter.

(c) At any time and from time to time prior to June 14, 2020, the Issuer may redeem the Notes in whole or in part, at its option, upon not less than 10 nor more than 60 days' prior notice to the Holders at a redemption price equal to 100% of the principal amount of such Notes plus the relevant Applicable Premium as of, and accrued and unpaid interest and Additional Amounts, if any, to the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

(d) In connection with any tender offer for the Notes (including any Change of Control Offer or Asset Disposition Offer), if Holders of not less than 90% in aggregate principal amount of outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuer, or any third party making such a tender offer in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right upon not less than 10 nor more than 60 days' prior notice to the Holders of such Notes, such notice given not more than 30 days following such purchase date, to redeem all (but not part) of the applicable Notes that remain outstanding following such purchase at a price equal to the price offered to each of the Holders of the Notes in such tender offer (excluding any early tender or incentive fee), plus, to the extent not included in the tender offer payment, accrued and unpaid interest and Additional Amounts, if any, thereon, to, but not including, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

(e) Notice of redemption shall be provided as set forth in Section 3.03. If the Issuer effects an optional redemption of Notes, it will, for so long as the Notes are listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Euro MTF Market, inform the Luxembourg Stock Exchange of such optional redemption and confirm the aggregate principal amount of the Notes of that series that will remain outstanding immediately after such redemption.

(f) Any redemption and notice of redemption may, at the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent (including, in the case of a redemption related to an Equity Offering, the consummation of such Equity Offering).

(g) If the optional redemption date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Note is registered at the close of business on such record date, and no additional interest will be payable to Holders whose Notes will be subject to redemption by the Issuer.

Section 3.08. Mandatory Redemption. The Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

Section 3.09. Asset Disposition Offer. In the event that, pursuant to Section 4.10, the Issuer is required to commence an Asset Disposition Offer, it shall follow the procedures specified below.

Upon the commencement of an Asset Disposition Offer, the Issuer shall send or cause to be sent, by first class mail, to the Trustee and each of the Holders at the address appearing in the security register, a notice stating:

(a) that the Asset Disposition Offer is being made pursuant to this Section 3.09 and Section 4.10 and the length of time the Asset Disposition Offer will remain open;

(b) the Asset Disposition Offer Amount, the purchase price and the Asset Disposition Purchase Date;

(c) that any Note not tendered or accepted for payment will continue to accrue interest;

(d) that, unless the Issuer defaults in making such payment, any Note accepted for payment pursuant to the Asset Disposition Offer will cease to accrue interest after the Asset Disposition Purchase Date;

(e) that Holders electing to have a Note purchased pursuant to an Asset Disposition Offer may elect to have Notes purchased only in minimum denominations of €100,000 and in integral multiples of €1,000 in excess thereof, except that a Holder may elect to have all the Notes held by such Holder purchased even if not an integral multiple of €1,000 (in excess of €100,000);

(f) that Holders electing to have a Note purchased pursuant to any Asset Disposition Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Note completed, or transfer by book-entry transfer, to the Issuer, a Depositary, if appointed by the Issuer, or a Paying Agent at the address specified in the notice at least three days before the Asset Disposition Purchase Date;

(g) the procedure for withdrawing an election to tender;

(h) that if the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness;

(i) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer); and

(j) on or before the Asset Disposition Purchase Date, the Issuer or another Restricted Subsidiary, as applicable, shall, to the extent lawful, accept for payment, on a pro rata basis to the extent necessary, the Asset Disposition Offer Amount of Notes and Pari Passu Indebtedness or portions of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to the Asset Disposition Offer, or if less than the Asset Disposition Offer Amount has been validly tendered and not properly withdrawn, all Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn and in minimum denominations of €100,000 and in integral multiples of €1,000 in excess thereof. The Issuer shall deliver to the Trustee an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Issuer in accordance with the terms of this Section 3.09. The Issuer or an agent designated by the Company, as the case may be, shall promptly (but in any case not later than five Business Days after termination of the Asset Disposition Offer Period) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes so validly tendered and not properly withdrawn by such Holder, and accepted by the Issuer for purchase, and the Issuer shall promptly issue a new Note (or amend the Global Note), and the Trustee, upon delivery of an Officer's Certificate from the Issuer, shall (via the Authentication Agent) authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; provided that each such new Note will be in a principal amount with a minimum denomination €100,000 or in integral multiples of €1,000 in excess thereof. Any Note not so accepted will be promptly mailed or delivered (or transferred by book entry) by the Issuer to the Holder thereof.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06.

Section 3.10. Redemption for Taxation Reasons. The Issuer or a Successor Company may redeem the Notes in whole, but not in part, at any time upon giving not less than 10 nor more than 60 days' notice to the Holders (which notice will be irrevocable) at a redemption price equal to 100% of the outstanding principal amount thereof, together with accrued and unpaid interest, if any, to, but excluding, the date fixed for redemption (a "Tax Redemption Date") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if as a result of:

(a) any change in, or amendment to, the law (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(b) any change in, or amendment to, the application, administration or interpretation of such laws, regulations or rulings (including pursuant to a holding, judgment or order by a court of competent jurisdiction) of a Relevant Taxing Jurisdiction (each of the foregoing in clauses (1) and (2), a "Change in Tax Law"),

the Issuer, Successor Company or any Guarantor are, or on the next interest payment date in respect of the Notes would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to the Issuer, Successor Company or such Guarantor (including, for the avoidance of doubt, the appointment of a new Paying Agent where this would be reasonable and, in the case of a payment by a Guarantor, having the Issuer or another Guarantor make the payment, but not including assignment of the obligation to make payment with respect to the Notes). In the case of redemption due to withholding as a result of a

Change in Tax Law in a jurisdiction that is a Relevant Taxing Jurisdiction at the date of the Offering Memorandum, such Change in Tax Law must become effective on or after the date of the Offering Memorandum. In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that becomes a Relevant Taxing Jurisdiction after the date of the Offering Memorandum, such Change in Tax Law must become effective on or after the date the jurisdiction becomes a Relevant Taxing Jurisdiction. Notice of redemption for taxation reasons shall be published in accordance with Section 3.03. Notwithstanding the foregoing, no such notice of redemption shall be given (a) earlier than 90 days prior to the earliest date on which the Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional Amounts remains in effect. Prior to the publication or mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuer or Successor Company shall deliver to the Trustee (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and that it would not be able to avoid the obligation to pay Additional Amounts by taking reasonable measures available to it and (b) an opinion of an independent tax counsel of recognized standing to the effect that the Issuer, Successor Company or Guarantor has or have been or shall become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee shall accept such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the Holders.

ARTICLE IV

Covenants

Section 4.01. Payment of Notes. The Issuer shall pay or cause to be paid the principal of, premium, if any, and interest and Additional Amounts, if any, on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest and Additional Amounts, if any, will be considered paid on the date due if the Paying Agent holds, as of 10:00 a.m. London time one Business Day prior to such date (or such other time as the Issuer and the Paying Agent may mutually agree from time to time, but always subject to actual receipt), money deposited by the Issuer in same day immediately available cleared funds and designated for and sufficient to pay all principal, premium and Additional Amounts, if any, and interest then due and is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture. The Issuer shall promptly notify the Trustee and the applicable Paying Agent of its failure to so deposit. Subject to actual receipt of amounts in same day immediately available cleared funds as provided by this Section 4.01 by the designated Paying Agent, such Paying Agent shall make payments on the Notes in accordance with this Indenture. In any event, the Issuer shall, prior to 10:00 a.m. London time on the second Business Day prior to the date on which the Principal Paying Agent receives payment, procure that the bank effecting payment for it confirms by SWIFT message to the Principal Paying Agent that an irrevocable payment instruction has been given. A Paying Agent (or the Trustee, if applicable) shall only be obliged to make a payment under this Indenture if it has actually received the full amount due on the Notes in same day immediately available cleared funds from the Issuer as required under this Section 4.01. Subject to Section 2.13, the Paying Agent or the Trustee, as the case may be, shall be entitled to make payments net of Taxes or other amounts required by any applicable law to be withheld or deducted.

The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) at the same rate.

If a Paying Agent pays out funds on or after the due date therefor, or pays out funds (although it is not obligated to do so) on the assumption that the corresponding payment by the Issuer has been or shall be made and such payment has in fact not been so made by the Issuer, then the Issuer shall on demand reimburse the Paying Agent for the relevant amount, and pay interest to the Paying Agent on such amount from the date on which it is paid out to the date of reimbursement at a rate per annum equal to the cost to the Paying Agent of funding the amount paid out, as certified by the Paying Agent and expressed as a rate per annum.

Section 4.02. Maintenance of Office or Agency. The Issuer shall maintain an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee or Paying Agent) for the Notes in London, England where (1) Notes may be surrendered for registration of transfer or for exchange and (2) notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission will in any manner relieve the Issuer of its obligation to maintain an office or agency in London, England for such purposes. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03. Reports.

(12) payments by the Company, or loans, advances, dividends or distributions to any Parent to make payments, to holders of Capital Stock of the Company or any Parent in lieu of the issuance of fractional shares of such Capital Stock; provided, however, that any such payment, loan, advance, dividend or distribution shall not be for the purpose of evading any limitation of this Section 4.07 or otherwise to facilitate any dividend or other return of capital to the holders of such Capital Stock (as determined in good faith by the Board of Directors of the Company);

(13) Investments in an aggregate amount outstanding at any time not to exceed the aggregate cash amount of Excluded Contributions, or consisting of non-cash Excluded Contributions, or Investments to the extent made in exchange for or using as consideration Investments previously made under this Section 4.07(b)(13);

(14) (i) the declaration and payment of dividends to holders of any class or series of Designated Preference Shares of the Company issued after the Issue Date; and (ii) the declaration and payment of dividends to any Parent or any Affiliate thereof, the proceeds of which will be used to fund the payment of dividends to holders of any class or series of Designated Preference Shares of such Parent issued after the Issue Date; provided, however, that, in the case of clauses (i) and (ii), the amount of all dividends declared or paid pursuant to this

Section 4.07(b)(14) shall not exceed the Net Cash Proceeds received by the Company or, in the case of Designated Preference Shares issued by any Parent or any Affiliate thereof, the aggregate amount contributed in cash to the equity (other than through the issuance of Disqualified Stock or an Excluded Contribution) of the Company or loaned as Subordinated Shareholder Funding to the Company, from the issuance or sale of such Designated Preference Shares; and

(15) dividends or other distributions of Capital Stock, Indebtedness or other securities of Unrestricted Subsidiaries.

(c) The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be paid, transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The fair market value of any cash Restricted Payment shall be its face amount, and the fair market value of any non-cash Restricted Payment shall be determined conclusively by the Board of Directors of the Company acting in good faith.

Section 4.08. Limitation on Restrictions on Distributions from Restricted Subsidiaries.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions in cash or otherwise on its Capital Stock or pay any Indebtedness or other obligations owed to the Company or any Restricted Subsidiary;

(2) make any loans or advances to the Company or any Restricted Subsidiary; or

(3) sell, lease or transfer any of its property or assets to the Company or any Restricted Subsidiary,

provided that (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill requirements to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary shall not be deemed to constitute such an encumbrance or restriction.

(b) The provisions of Section 4.08(a) shall not prohibit:

(1) any encumbrance or restriction pursuant to (a) the Senior Facilities Agreement or (b) any other agreement or instrument (including the Existing Notes Indentures), in each case, in effect at or entered into on the Issue Date;

(2) any encumbrance or restriction pursuant to an agreement or instrument of a Person or relating to any Capital Stock or Indebtedness of a Person, entered into on or before the date on which such Person was acquired by or merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary, or on which such agreement or instrument is assumed by the Company or any Restricted Subsidiary in connection with an acquisition of assets (other than Capital Stock or Indebtedness Incurred as consideration in, or to

provide all or any portion of the funds utilized to consummate, the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was acquired by or was merged, consolidated or otherwise combined with or into the Company or any Restricted Subsidiary or entered into in connection with such transaction) and outstanding on such date; provided that, for the purposes of this Section 4.08(b)(2), if another Person is the Successor Company, any Subsidiary thereof or agreement or instrument of such Person or any such Subsidiary shall be deemed acquired or assumed by the Company or any Restricted Subsidiary when such Person becomes the Successor Company;

(3) any encumbrance or restriction pursuant to an agreement or instrument effecting a refinancing of Indebtedness Incurred pursuant to, or that otherwise refinances, an agreement or instrument referred to in Section 4.08(b)(1) or Section 4.08(b)(2) or this Section 4.08(b)(3) (an “Initial Agreement”) or contained in any amendment, supplement or other modification to an agreement referred to in Section 4.08(b)(1) or Section 4.08(b)(2) or this Section 4.08(b)(3); provided, however, that the encumbrances and restrictions with respect to the Company or any Restricted Subsidiary contained in any such agreement or instrument are no less favorable in any material respect to the Holders taken as a whole than the encumbrances and restrictions contained in the Initial Agreement or Initial Agreements to which such refinancing or amendment, supplement or other modification relates (as determined in good faith by the Company);

(4) any encumbrance or restriction:

(A) that restricts in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease, license or similar contract, or the assignment or transfer of any lease, license or other contract;

(B) contained in mortgages, pledges, charges or other security agreements permitted under this Indenture or securing Indebtedness of the Company or a Restricted Subsidiary permitted under this Indenture to the extent such encumbrances or restrictions restrict the transfer of the property or assets subject to such mortgages, pledges, charges or other security agreements; or

(C) pursuant to customary provisions restricting dispositions of real property interests set forth in any reciprocal easement agreements of the Company or any Restricted Subsidiary;

(5) any encumbrance or restriction pursuant to Purchase Money Obligations and Capitalized Lease Obligations permitted under this Indenture, in each case, that impose encumbrances or restrictions on the property so acquired or any encumbrance or restriction pursuant to a joint venture agreement that imposes restrictions on the transfer of the assets of the joint venture;

(6) any encumbrance or restriction with respect to a Restricted Subsidiary (or any of its property or assets) imposed pursuant to an agreement entered into for the direct or indirect sale or disposition to a Person of all or substantially all the Capital Stock or assets of such Restricted Subsidiary (or the property or assets that are subject to such restriction) pending the closing of such sale or disposition;

- (7) customary provisions in leases, licenses, joint venture agreements, debt purchase agreements and other similar agreements and instruments entered into in the ordinary course of business;
- (8) encumbrances or restrictions arising or existing by reason of applicable law or any applicable rule, regulation or order, the terms of any license, authorization, concession or permit or required by any regulatory authority;
- (9) any encumbrance or restriction on cash or other deposits or net worth imposed by customers or suppliers or required by insurance, surety or bonding companies, in each case, under agreements entered into in the ordinary course of business;
- (10) any encumbrance or restriction pursuant to Currency Agreements, Interest Rate Agreements or Commodity Hedging Agreements;
- (11) any encumbrance or restriction arising pursuant to an agreement or instrument relating to any Indebtedness permitted to be Incurred subsequent to the Issue Date pursuant to Section 4.09 if (a) the encumbrances and restrictions contained in any such agreement or instrument taken as a whole are not materially less favorable to the Holders than (i) the encumbrances and restrictions contained in the Senior Facilities Agreement, together with the security documents associated therewith as in effect on the Issue Date or (ii) as is customary in comparable financings (as determined in good faith by the Company) or (b) the Company determines at the time such Indebtedness is Incurred that such encumbrances or restrictions will not adversely affect, in any material respect, the Issuer's ability to make principal or interest payments on the Notes or the ability of Cabot (Treasury) Ireland to make principal or interest payments on the Proceeds Loan;
- (12) restrictions relating to Permitted Purchase Obligations SPVs effected in connection with the incurrence of Permitted Purchase Obligations that, in the good faith determination of the Board of Directors of the Company, are necessary or advisable;
- (13) any encumbrance or restriction existing by reason of any lien permitted under Section 4.12;
- (14) any encumbrance or restriction on assets held in trust for a third party, including pursuant to the relevant trust agreement; or
- (15) any encumbrance or restriction existing under any agreement that extends, renews, refinances or replaces the agreements containing the encumbrances or restrictions under Section 4.11(b) provided that the terms and conditions of any such encumbrances or restrictions are, in the good faith judgment of the Board of Directors of the Company, no more restrictive in any material respect than those under or pursuant to the agreement so extended, renewed, refinanced or replaced.

Section 4.09. Limitation on Indebtedness.

- (a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, Incur any Indebtedness (including Acquired Indebtedness); provided, however, that the Issuer or a Guarantor may Incur Indebtedness if on the date of such Incurrence and after

giving pro forma effect thereto (including pro forma application of the proceeds thereof), the Fixed Charge Coverage Ratio for the Company and its Restricted Subsidiaries is greater than 2.0 to 1.0.

(b) Section 4.09(a) shall not prohibit the Incurrence of the following Indebtedness:

(1) Indebtedness Incurred pursuant to any Credit Facility (including letters of credit or bankers' acceptances issued or created under any Credit Facility), and any Refinancing Indebtedness in respect thereof and Guarantees in respect of such Indebtedness in a maximum aggregate principal amount at any time outstanding not exceeding (i) the greater of (x) £250.0 million and (y) 17.5% of ERC, plus (ii) in the case of any refinancing of any Indebtedness permitted under this Section 4.09(b)(1) or any portion thereof, the aggregate amount of fees, underwriting discounts, premiums and other costs and expenses Incurred in connection with such refinancing;

(2) (A) Guarantees by the Company or any Restricted Subsidiary of Indebtedness of the Company or any Restricted Subsidiary in each case so long as the Incurrence of such Indebtedness being guaranteed is permitted under the terms of this Indenture; provided, that if the Indebtedness being guaranteed is subordinated to the Notes or Note Guarantee, then the guarantee must be subordinated to the Notes or Note Guarantee to the same extent as the Indebtedness guaranteed; or

(B) without limiting Section 4.12, Indebtedness arising by reason of any Lien granted by or applicable to such Person securing Indebtedness of the Company or any Restricted Subsidiary so long as the Incurrence of such Indebtedness is permitted under the terms of this Indenture;

(3) Indebtedness of the Company owing to and held by any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary owing to and held by the Company or any Restricted Subsidiary; provided, however, that:

(A) if the Issuer or any Guarantor is the obligor on any such Indebtedness and the obligee is not a Guarantor or the Issuer, it is either a Working Capital Intercompany Loan or unsecured and expressly subordinated in right of payment to prior payment in full in cash (whether upon Stated Maturity, acceleration or otherwise) and the performance in full of its obligations under the Notes or Note Guarantee, as applicable; and

(B) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than the Company or a Restricted Subsidiary, and any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary, shall be deemed, in each case, to constitute an Incurrence of such Indebtedness not permitted by this Section 4.09(b)(3) by the Company or such Restricted Subsidiary, as the case may be;

(4) Indebtedness represented by (A) the Notes (other than any Additional Notes), (B) any Indebtedness (other than Indebtedness described in

Section 4.09(b)(1), 4.09(b)(3) or 4.09(b)(7)) outstanding on the Issue Date, including the Existing Notes, after giving effect to the issuance of the Notes and the application of the proceeds thereof, (C) Refinancing Indebtedness Incurred in respect of any Indebtedness described in this Section 4.09(b)(4) or Section 4.09(b)(5) or Incurred pursuant to Section 4.09(a), and (D) Management Advances;

(5) Indebtedness of any Person (i) outstanding on the date on which such Person becomes a Restricted Subsidiary or is merged, consolidated, amalgamated or otherwise combined with (including pursuant to any acquisition of assets and assumption of related liabilities) the Company or any Restricted Subsidiary or (ii) Incurred to provide all or any portion of the funds utilized to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary; provided, however, with respect to this Section 4.09(b)(5), that at the time of such acquisition or other transaction (x) the Company would have been able to Incur £1.00 of additional Indebtedness pursuant to Section 4.09(a) after giving pro forma effect to the relevant acquisition and Incurrence of such Indebtedness pursuant to this Section 4.09(b)(5) or (y) the Fixed Charge Coverage Ratio for the Company and its Restricted Subsidiaries would not be lower than it was immediately prior to giving effect to such acquisition or other transaction;

(6) Indebtedness under Currency Agreements, Interest Rate Agreements and Commodity Hedging Agreements entered into for bona fide hedging purposes of the Company or its Restricted Subsidiaries and not for speculative purposes (as determined in good faith by the Board of Directors or senior management of the Company);

(7) Indebtedness represented by Capitalized Lease Obligations or Purchase Money Obligations, in each case, Incurred for the purpose of financing all or any part of the purchase price, lease expense, rental payments or cost of design, construction, installation or improvement of property, plant or equipment or other assets (including Capital Stock) used in the business of the Company or any of its Restricted Subsidiaries, and in each case any Refinancing Indebtedness in respect thereof, in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this Section 4.09(b)(7) and then outstanding, will not exceed at any time outstanding the greater of (i) £40.0 million and (ii) 3.0% of Total Assets;

(8) Indebtedness in respect of (a) workers' compensation claims, self-insurance obligations, performance, indemnity, surety, judgment, appeal, advance payment, customs, VAT or other tax or other guarantees or other similar bonds, instruments or obligations and completion guarantees and warranties provided by the Company or a Restricted Subsidiary or relating to liabilities, obligations, indemnities or guarantees Incurred in the ordinary course of business or for governmental or regulatory requirements, in each case not in connection with the borrowing of money, (b) letters of credit, bankers' acceptances, guarantees or other similar instruments or obligations issued or relating to liabilities or obligations Incurred in the ordinary course of business, (c) the financing of insurance premiums in the ordinary course of business and (d) any customary cash management, cash pooling or netting or setting off arrangements in the ordinary course of business; provided, however, that upon the drawing of such letters of credit or other instrument, such obligations are reimbursed within 30 days following such drawing;

(9) Indebtedness arising from agreements providing for customary guarantees, indemnification, obligations in respect of earn-outs or other adjustments of purchase price or, in each case, similar obligations, in each case, Incurred or assumed in connection with the acquisition or disposition of any business or assets or Person or any Capital Stock of a Subsidiary (other than Guarantees of Indebtedness Incurred by any Person acquiring or disposing of such business or assets or such Subsidiary for the purpose of financing such acquisition or disposition); provided that, in the case of a disposition, the maximum liability of the Company and its Restricted Subsidiaries in respect of all such Indebtedness shall at no time exceed the gross proceeds, including the fair market value of non-cash proceeds (measured at the time received and without giving effect to any subsequent changes in value), actually received by the Company and its Restricted Subsidiaries in connection with such disposition;

(10) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business; provided, however, that such Indebtedness is extinguished within five Business Days of Incurrence; (b) Customer deposits and advance payments received in the ordinary course of business from customers for goods purchased in the ordinary course of business; and (c) Indebtedness Incurred by a Restricted Subsidiary in connection with bankers' acceptances, discounted bills of exchange or the discounting or factoring of Receivables for credit management purposes, in each case, not in connection with the borrowing of money and Incurred or undertaken in the ordinary course of business on arm's length commercial terms;

(11) Indebtedness in an aggregate outstanding principal amount which, when taken together with any Refinancing Indebtedness in respect thereof and the principal amount of all other Indebtedness Incurred pursuant to this Section 4.09(b)(11) and then outstanding, will not exceed the greater of (i) £80.0 million and (ii) 6.0% of Total Assets;

(12) Indebtedness represented by Permitted Purchase Obligations;

(13) Indebtedness in an aggregate outstanding principal amount which, when taken together with any Refinancing Indebtedness in respect thereof and the principal amount of all other Indebtedness Incurred pursuant to this Section 4.09(b)(13) and then outstanding, will not exceed 100% of the Net Cash Proceeds received by the Company from the issuance or sale (other than to a Restricted Subsidiary) of its Subordinated Shareholder Funding or Capital Stock (other than Disqualified Stock, Designated Preference Shares or an Excluded Contribution) or otherwise contributed to the equity (other than through the issuance of Disqualified Stock, Designated Preference Shares or an Excluded Contribution) of the Company, in each case, subsequent to the Issue Date; provided, however, that (i) any such Net Cash Proceeds that are so received or contributed shall be excluded for purposes of making Restricted Payments under Section 4.07(a) and Sections 4.07(b)(1), 4.07(b)(6), 4.07(b)(10) and 4.07(b)(14) to the extent the Company and its Restricted Subsidiaries incur Indebtedness in reliance thereon and (ii) any Net Cash Proceeds that are so received or contributed shall be excluded for purposes of Incurring Indebtedness pursuant to this Section 4.09(b)(13) to the extent the Company or any of its Restricted Subsidiaries makes a Restricted Payment under Section 4.07(a) and/or Sections 4.07(b)(1), 4.07(b)(6), 4.07(b)(10) or 4.07(b)(14) in reliance thereon; and

(14) Indebtedness represented by the unpaid purchase price for portfolio assets acquired in the ordinary course of business; provided, however, that such amounts are due within one year of the acquisition of the related portfolio assets.

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.09:

(1) in the event that Indebtedness meets the criteria of more than one of the types of Indebtedness described in this Section 4.09, the Company, in its sole discretion, will classify, and may from time to time reclassify, such item of Indebtedness and will only be required to include the amount and type of such Indebtedness in one of the clauses of Section 4.09(b) or Section 4.09(a); provided that Indebtedness Incurred pursuant to Section 4.09(b)(1) may not be reclassified, and Indebtedness under the Senior Facilities Agreement Incurred or outstanding on the Issue Date will be deemed to have been Incurred on such date in reliance on the exception provided in Section 4.09(b)(1);

(2) Guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(3) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Section 4.09(b)(1), 4.09(b)(7) or 4.09(b)(11) or Section 4.09(a) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(4) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(5) for the purposes of determining "ERC" under Section 4.09(b)(1)(i)(y), (i) pro forma effect shall be given to ERC on the same basis as for calculating the LTV Ratio for the Company and its Restricted Subsidiaries and (ii) ERC shall be measured on or about the date on which the Company obtains new commitments (in the case of revolving facilities) or incurs new Indebtedness (in the case of term facilities);

(6) Indebtedness permitted by this Section 4.09 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.09 permitting such Indebtedness; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of IFRS.

(d) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of

additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in IFRS will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.09. The amount of any Indebtedness outstanding as of any date shall be calculated as specified under the definition of "Indebtedness".

(e) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.09, the Company shall be in default under this Section 4.09).

(f) For purposes of determining compliance with any pound sterling-denominated restriction on the Incurrence of Indebtedness, the Sterling Equivalent of the principal amount of Indebtedness denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term Indebtedness, or, at the option of the Company, first committed, in the case of Indebtedness Incurred under a revolving credit facility; provided that (i) if such Indebtedness is Incurred to refinance other Indebtedness denominated in a currency other than pound sterling, and such refinancing would cause the applicable pound sterling-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such pound sterling-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced; (ii) the Sterling Equivalent of the principal amount of any such Indebtedness outstanding on the Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Issue Date; and (iii) if and for so long as any such Indebtedness is subject to a Currency Agreement with respect to the currency in which such Indebtedness is denominated covering principal and interest on such Indebtedness, the amount of such Indebtedness, if denominated in pound sterling, will be the amount of the principal payment required to be made under such Currency Agreement and, otherwise, the Sterling Equivalent of such amount plus the Sterling Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement. For purposes of calculating compliance with Section 4.09(b)(1) or for calculating the amount of Indebtedness outstanding under the Senior Facilities Agreement, to the extent a Credit Facility is utilized for the purpose of guaranteeing or cash collateralizing any letter of credit or guarantee, such guarantee or collateralization and issuance of such letter of credit or guarantee shall be deemed to be a utilization of such Credit Facility permitted under Section 4.09(b)(1) without double counting.

(g) Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

Section 4.10. Limitation on Sales of Assets and Subsidiary Stock.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal

to the fair market value (such fair market value to be determined on the date of contractually agreeing to such Asset Disposition), as determined in good faith by the Board of Directors of the Company, of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap);

(2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition (excluding any consideration by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, other than Indebtedness) received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash, Cash Equivalents or Temporary Cash Investments; and

(3) an amount equal to 100% of the Net Available Cash from such Asset Disposition is applied by the Company or such Restricted Subsidiary, as the case may be:

(A) to the extent the Company or any Restricted Subsidiary, as the case may be, elects (or is required by the terms of any Indebtedness of a Restricted Subsidiary), (i) to prepay, repay or purchase any Indebtedness of a Restricted Subsidiary that is not a Guarantor (in each case, other than Indebtedness owed to the Company or any Restricted Subsidiary or Indebtedness of the Issuer or Marlin Intermediate Holdings plc) or Indebtedness under the Senior Facilities Agreement (or any Refinancing Indebtedness in respect thereof) within 365 days from the later of (x) the date of such Asset Disposition and (y) the receipt of such Net Available Cash; provided, however, that, in connection with any prepayment, repayment or purchase of Indebtedness pursuant to this clause ((A)), the Company or such Restricted Subsidiary shall retire such Indebtedness and shall cause the related commitment (if any) (except in the case of the Senior Facilities Agreement) to be permanently reduced in an amount equal to the principal amount so prepaid, repaid or purchased; or (ii) to prepay, repay or purchase Pari Passu Indebtedness at a price of no more than 100% of the principal amount of such Pari Passu Indebtedness plus accrued and unpaid interest to the date of such prepayment, repayment or purchase within 365 days from the later of (A) the date of such Asset Disposition and (B) the receipt of such Net Available Cash; provided that the Company or a Restricted Subsidiary shall redeem, repay or repurchase Pari Passu Indebtedness pursuant to this clause (ii) only if the Issuer makes (at such time or subsequently in compliance with this Section 4.10) an offer to the Holders to purchase their Notes in accordance with the provisions set forth below for an Asset Disposition Offer for an aggregate principal amount of Notes at least equal to the proportion that (x) the total aggregate principal amount of Notes outstanding bears to (y) the sum of the total aggregate principal amount of Notes outstanding plus the total aggregate principal amount outstanding of such Pari Passu Indebtedness; or

(B) to the extent the Company or such Restricted Subsidiary elects, to invest in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted

Subsidiary) within 365 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; provided, however, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors of the Company that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 365th day; provided further, that if the assets (including Capital Stock) sold constitute Collateral, subject to the Agreed Security Principles, the Company shall pledge or shall cause the applicable Restricted Subsidiary to pledge any acquired Additional Assets (to the extent such assets (including Capital Stock) were of a category of assets included in the Collateral as of the Issue Date) in favor of the Notes on a first-ranking basis (subject to pre-existing Liens and Permitted Collateral Liens),

provided that, pending the final application of any such Net Available Cash in accordance with clause (A) or clause (B) above, the Company and its Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise invest such Net Available Cash in any manner not prohibited by this Indenture.

(b) Any Net Available Cash from Asset Dispositions that is not applied or invested or committed to be applied or invested as provided in the preceding paragraph, or offered to be applied in accordance with Section 4.10(a)(3)(A)(ii) above, will be deemed to constitute "Excess Proceeds". On the 366th day after an Asset Disposition, or at such earlier date that the Company elects, if the aggregate amount of Excess Proceeds exceeds £10.0 million (or equivalent thereof), the Issuer or another Restricted Subsidiary shall be required to make an offer ("Asset Disposition Offer") to all Holders and, to the extent the Issuer or such Restricted Subsidiary elects, to all holders of other outstanding Pari Passu Indebtedness, to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds, at an offer price in respect of the Notes in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount of the Notes and 100% of the principal amount of Pari Passu Indebtedness, in each case, plus accrued and unpaid interest, if any, to, but not including, the date of purchase, in accordance with Section 3.09 or the agreements governing the Pari Passu Indebtedness, as applicable, and in minimum denominations of €100,000 and in integral multiples of €1,000 in excess thereof.

(c) To the extent that the aggregate amount of Notes and Pari Passu Indebtedness so validly tendered and not properly withdrawn pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes, subject to other covenants contained in this Indenture. If the aggregate principal amount of the Notes surrendered in any Asset Disposition Offer by Holders and other Pari Passu Indebtedness surrendered by holders or lenders, collectively, exceeds the amount of Excess Proceeds, the Excess Proceeds shall be allocated among the Notes and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount of tendered Notes and Pari Passu Indebtedness. For the purposes of calculating the principal amount of any such Indebtedness not denominated in pound sterling, such Indebtedness shall be calculated by converting any such principal amount into its Sterling Equivalent determined as of a date selected by the Issuer that is within the Asset Disposition Offer Period (as defined below). Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

(d) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than pound sterling, the amount thereof payable in

respect of the Notes shall not exceed the net amount of funds in pound sterling that is actually received by the Issuer upon converting such portion into pound sterling.

(e) The Asset Disposition Offer, insofar as it relates to the Notes, will remain open for a period of not less than 20 Business Days following its commencement (the “Asset Disposition Offer Period”). No later than five Business Days after the termination of the Asset Disposition Offer Period (the “Asset Disposition Purchase Date”), the Issuer or another Restricted Subsidiary, as applicable, shall purchase the principal amount of Notes and, to the extent they elect, Pari Passu Indebtedness required to be purchased pursuant to this Section 4.10 (the “Asset Disposition Offer Amount”) or, if less than the Asset Disposition Offer Amount has been so validly tendered, all Notes and Pari Passu Indebtedness validly tendered in response to the Asset Disposition Offer.

(f) For the purposes of Section 4.10(a)(2) the following (or any combination thereof) will be deemed to be cash:

(1) the assumption by the transferee of Indebtedness of the Company or Indebtedness of a Restricted Subsidiary (other than Subordinated Indebtedness of the Company, the Issuer or a Guarantor) and the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Company, the Issuer or the Existing Cabot Fixed Rate Notes Issuer (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 4.10 that is at that time outstanding, not to exceed the greater of £40.0 million and 3.0% of Total Assets (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(g) The Issuer shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations (or rules of any exchange on which the Notes are then listed) in connection with the repurchase of Notes. To the extent that the provisions of any securities laws or regulations (or exchange rules) conflict with provisions of this Section 4.10, the Company shall comply with the applicable securities laws and regulations (or exchange rules) and shall not be deemed to have breached its obligations under this Indenture by virtue of any such conflict.

Section 4.11. Transactions with Affiliates.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with or for the benefit of any Affiliate of the Company (such transaction or series of transactions being an “Affiliate Transaction”) involving aggregate value in excess of £5.0 million unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm’s length dealings with a Person who is not such an Affiliate;

(2) in the event such Affiliate Transaction, individually or together with other related Affiliate Transactions, involves an aggregate value in excess of £10.0 million, the terms of such transaction have been approved by a resolution of the majority of the members of the Board of Directors of the Company resolving that such transaction complies with Section 4.11(a)(1); and

(3) in the event such Affiliate Transaction, individually or together with other related Affiliate Transactions, involves an aggregate value in excess of £20.0 million, the Company has received a written opinion from an Independent Financial Advisor that such Affiliate Transaction is fair, from a financial standpoint, to the Company and its Restricted Subsidiaries or that the terms are not materially less favorable than those that could reasonably have been obtained in a comparable transaction at such time on an arm’s length basis from a Person that is not an Affiliate; provided, no such written opinion is required to be delivered under this clause (3) to the extent at the time of such Affiliate Transaction (x) a public market exists for the equity securities of the Company or any Parent of the Company then listed on an internationally recognized exchange or traded on an internationally recognized market and (y) the Company determines (in its sole discretion) that it is in compliance with the fair dealing requirements of the relevant exchange or market with respect to such Affiliate Transaction.

Any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in Section 4.11(a)(2) if such Affiliate Transaction is approved by a resolution of a majority of the Disinterested Directors. If there are no Disinterested Directors, any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in this Section 4.11 if the Company or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Company or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person on an arm’s length basis.

(b) The provisions of Section 4.11(a) will not apply to:

(1) any Restricted Payment permitted to be made pursuant to Section 4.07, any Permitted Payments (other than pursuant to Section 4.07(b)(9)(B) or any Permitted Investment (other than Permitted Investments as defined in paragraphs (1)(b), (2), (11), (15) and (17) of the definition thereof);

(2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Company, any Restricted Subsidiary or any Parent, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors or consultants approved by the Board of Directors of the Company, in each case in the ordinary course of business;

(3) any Management Advances;

(4) any transaction between or among the Company and any Restricted Subsidiary (or entity that becomes a Restricted Subsidiary as a result of such transaction), or between or among Restricted Subsidiaries;

(5) the payment of reasonable fees and reimbursement of expenses to, and customary indemnities (including under customary insurance policies) and employee benefit and pension expenses provided on behalf of, directors, officers, consultants or employees of the Company, any Restricted Subsidiary or any Parent (whether directly or indirectly and including through any Person owned or controlled by any of such directors, officers or employees);

(6) the entry into and performance of obligations of the Company or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Issue Date, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time in accordance with the other terms of this Section 4.11 or to the extent not more disadvantageous to the Holders in any material respect and the entry into and performance of any registration rights or other listing agreement in connection with any Public Offering;

(7) the formation and maintenance of any consolidated group for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(8) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, which, in each case, are in the ordinary course of business and are either fair to the Company or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or the senior management of the Company or the relevant Restricted Subsidiary or on terms no less favorable than those that could reasonably have been obtained at such time from an unaffiliated party;

(9) any transaction in the ordinary course of business between or among the Company or any Restricted Subsidiary and any Affiliate of the Company or an Associate or similar entity that would constitute an Affiliate Transaction solely because the Company or a Restricted Subsidiary or any Affiliate of the Company or a Restricted Subsidiary or any Affiliate of any

Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

(10) (A) issuances or sales of Capital Stock (other than Disqualified Stock or Designated Preference Shares) of the Company or options, warrants or other rights to acquire such Capital Stock or Subordinated Shareholder Funding; provided that the interest rate and other financial terms of such Subordinated Shareholder Funding are approved by a majority of the members of the Board of Directors of the Company in their reasonable determination and

(B) any amendment, waiver or other transaction with respect to any Subordinated Shareholder Funding in compliance with the other provisions of this Indenture;

(11) without duplication in respect of payments made pursuant to Section 4.11(b)(12), (A) payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent) of annual management, consulting, monitoring or advisory fees and related expenses in an aggregate amount not to exceed £1.75 million per fiscal year and (B) customary payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent) for financial advisory, financing, underwriting or placement services or in respect of other investment banking activities, including in connection with acquisitions or divestitures, which payments in respect of this Section 4.11(b)(11)(B) are approved by a majority of the Board of Directors of the Company in good faith; and

(12) payment to any Permitted Holder of all reasonable out of pocket expenses Incurred by such Permitted Holder in connection with its direct or indirect investment in the Company and its Restricted Subsidiaries.

Section 4.12. Liens. The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, Incur or suffer to exist any Lien upon any of its property or assets (including Capital Stock of a Subsidiary), whether owned on the Issue Date or acquired after that date, or any interest therein or any income or profits therefrom, which Lien is securing any Indebtedness (such Lien, the "Initial Lien"), except (a) in the case of any property or asset that does not constitute Collateral, (1) Permitted Liens or (2) Liens on property or assets that are not Permitted Liens if, contemporaneously with the Incurrence of such Initial Lien, the Notes and this Indenture (or a Note Guarantee in the case of Liens of a Guarantor) are directly secured equally and ratably with, or prior to, in the case of Liens with respect to Subordinated Indebtedness, the Indebtedness secured by such Initial Lien for so long as such Indebtedness is so secured, and (b) in the case of any property or asset that constitutes Collateral, Permitted Collateral Liens.

Section 4.13. Amendments to the Proceeds Loan. For so long as any Notes are outstanding, the Issuer shall not, except as expressly permitted by this Indenture, (i) change the Stated Maturity of the principal of, or any installment of interest on, the Proceeds Loan; (ii) reduce the rate of interest on the Proceeds Loan; (iii) change the currency for payment of any amount under the Proceeds Loan; (iv) prepay or otherwise reduce or permit the prepayment or reduction of the Proceeds Loan (except to facilitate a payment of principal on the Notes); (v) assign or novate the Proceeds Loan or any rights or obligations under the Proceeds Loan Agreement (other than to secure the Notes and the Note Guarantees or to grant any Permitted Collateral Lien or in connection with a transaction that is subject to Section 5.01 and is completed in compliance therewith); or (vi) amend, modify or alter the Proceeds Loan or the

Proceeds Loan Agreement and the terms of the Intercreditor Agreements related to the Proceeds Loan in any manner adverse to the rights of the Holders in any material respect. Notwithstanding the foregoing, (i) the Proceeds Loan may be prepaid or reduced to facilitate or otherwise accommodate or reflect a repayment, redemption or repurchase of outstanding Notes and (ii) to the extent not having a materially adverse effect to Holders, the Proceeds Loan may be novated and/or assigned to any Guarantor.

Section 4.14. Corporate Existence. Subject to Article V hereof, the Company, the Issuer and each Guarantor shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(a) its corporate existence, and the corporate, partnership or other existence of each of the Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary; and

(b) the rights (charter and statutory), licenses and franchises of the Company, each Guarantor and the Restricted Subsidiaries;

provided, however, that the Company and each Guarantor shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of the Restricted Subsidiaries (other than the Issuer), if the Board of Directors or an Officer of the Company shall determine that the preservation thereof is no longer necessary or desirable in the conduct of the business of the Company, each Guarantor and the Restricted Subsidiaries, taken as a whole.

The foregoing shall not prohibit a sale, transfer or conveyance of a Restricted Subsidiary (other than the Issuer) or any of its assets in compliance with the terms of this Indenture.

Section 4.15. Offer to Repurchase upon Change of Control.

(a) If a Change of Control occurs, subject to the terms hereof, each Holder shall have the right to require the Issuer to repurchase all or part (equal to €100,000 or an integral multiple of €1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date); provided, however, that the Issuer shall not be obliged to repurchase Notes pursuant to this Section 4.15 in the event and to the extent that it has unconditionally exercised its right to redeem all the Notes pursuant to Section 3.07 or all conditions to such redemption have been satisfied or waived.

(b) Unless the Issuer has unconditionally exercised its right to redeem all the Notes pursuant to Section 3.07 or all conditions to such redemption have been satisfied or waived, no later than the date that is 60 days after any Change of Control, the Issuer shall mail a notice (the "Change of Control Offer") to each Holder of any such Notes, with a copy to the Trustee:

(1) stating that a Change of Control has occurred or may occur and that such Holder has the right to require the Issuer to purchase such Holder's Notes at a purchase price in cash equal to 101% of the principal amount of such Notes plus accrued and unpaid interest to, but not including, the date of purchase (subject to the right of Holders of record on a record date to receive interest on the relevant interest payment date) (the "Change of Control Payment");

(2) stating the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed) (the “Change of Control Payment Date”) and record date;

(3) describing the circumstances and relevant facts regarding the transaction or transactions that constitute the Change of Control;

(4) stating that any Note accepted for payment pursuant to the Change of Control Offer will cease to accrue interest after the Change of Control Payment Date unless the Change of Control Payment is not paid, and that any Note or part thereof not tendered will continue to accrue interest;

(5) stating that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the repurchase date;

(6) stating that Holders shall be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the repurchase date, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his election to have the Notes purchased;

(7) stating that Holders whose Notes are being purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered, which unpurchased portion must be equal to, €100,000 in principal amount or an integral multiple of €1,000 in excess thereof; and

(8) if such notice is mailed prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control.

On the Change of Control Payment Date, if the Change of Control shall have occurred, the Issuer shall, to the extent

lawful:

(A) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;

(B) deposit with an agent to be appointed by the Issuer an amount equal to the Change of Control Payment in respect of all Notes so tendered;

(C) deliver or cause to be delivered to the Trustee an Officer’s Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Issuer in the Change of Control Offer;

(D) in the case of Global Notes, deliver, or cause to be delivered, to the Principal Paying Agent the Global Notes in order to reflect thereon the portion of such Notes or portions thereof that have been tendered to and purchased by the Issuer; and

(E) in the case of Definitive Registered Notes, deliver, or cause to be delivered, to the Registrar for cancellation all Definitive Registered Notes accepted for purchase by the Issuer.

(c) If any Definitive Registered Notes have been issued, the Paying Agent shall promptly mail to each Holder of Definitive Registered Notes so tendered the Change of Control Payment for such Notes, and the Trustee or the Authentication Agent appointed by the Trustee shall promptly authenticate and mail (or cause to be transferred by book entry) to each Holder of Definitive Registered Notes a new Note equal in principal amount to the unpurchased portion of the Notes surrendered, if any; provided that each such new Note will be in a principal amount that is at least €100,000 or an integral multiple of €1,000 in excess thereof.

(d) Notwithstanding anything to the contrary in this Section 4.15, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control; provided that the purchase date will be no earlier than 30 days from the date a notice of such Change of Control Offer is mailed.

(e) The Issuer shall not be required to make a Change of Control Offer upon a Change of Control if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuer and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

(f) The Issuer shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations (or rules of any exchange on which the Notes are then listed) in connection with the repurchase of Notes pursuant to this Section 4.15. To the extent that the provisions of any securities laws or regulations (or exchange rules) conflict with provisions of this Indenture, the Issuer shall comply with the applicable securities laws and regulations (or exchange rules) and shall not be deemed to have breached its obligations under the Change of Control provisions of this Indenture by virtue of the conflict.

(g) For so long as the Notes are listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Euro MTF Market and the rules and regulations of the Luxembourg Stock Exchange so require, the Issuer will provide a notice to the Luxembourg Stock Exchange and publish a public announcement with respect to the results of the Change of Control Offer as soon as practicable after the Change of Control Payment Date on the official website of the Luxembourg Stock Exchange (www.bourse.lu).

Section 4.16. Additional Note Guarantees.

(a) The Company shall cause each Restricted Subsidiary (other than the Issuer) that, after the Issue Date, guarantees any Indebtedness of the Company or any Guarantor, or assumes or in any other manner becomes liable with respect to any Indebtedness under the Senior Facilities Agreement or any refinancing Indebtedness in respect thereof, to simultaneously or prior thereto execute and deliver a supplemental indenture substantially in the form of Exhibit D hereto or other appropriate agreement providing for such Restricted Subsidiary's Note Guarantee on the same terms and conditions as those set forth in this Indenture. In addition, the Company shall cause each Restricted Subsidiary (other than the Issuer, an Immaterial Subsidiary or a Permitted Purchase Obligations SPV) to execute and deliver a supplemental indenture substantially in the form of Exhibit D or other appropriate agreement providing for such Restricted Subsidiary's guarantee of the Notes on the same terms and conditions as those set forth in this Indenture, within 30 days of delivery of the Company's or CCM's audited consolidated annual reports to the Trustee pursuant to Section 4.03 that show that such Restricted

Subsidiary is not an Immaterial Subsidiary or a Permitted Purchase Obligations SPV (each such additional guarantee of the Notes, an “Additional Note Guarantee”).

(b) Notwithstanding the foregoing, the Company shall not be obligated to cause any such Restricted Subsidiary to guarantee the Notes to the extent that the grant of such Note Guarantee would be inconsistent with the Agreed Security Principles.

Section 4.17. Maintenance of Listing. The Company shall use its commercially reasonable efforts to obtain and maintain the listing of the Notes on the official list of the Luxembourg Stock Exchange and the admission to trading on the Euro MTF Market of the Luxembourg Stock Exchange for so long as such Notes are outstanding; provided that if the Company is unable to obtain such listing or such admission to trading or if at any time the Company determines that it shall not maintain such listing and such admission to trading, it shall obtain (where the Notes are initially so listed and admitted to trading, prior to the delisting of the Notes from the official list of the Luxembourg Stock Exchange and the Notes ceasing to be admitted to trading on the Euro MTF Market), and thereafter use its best efforts to maintain, a listing of such Notes on another “recognised stock exchange” as defined in Section 1005 of the Income Tax Act 2007 of the United Kingdom.

Section 4.18. Suspension of Covenants on Achievement of Investment Grade Status. If on any date following the Issue Date, the Notes have achieved Investment Grade Status and no Default or Event of Default has occurred and is continuing (a “Suspension Event”), then, the Issuer shall notify the Trustee of this fact (provided that such notice shall not be a precondition of the suspension of covenants described in this Section 4.18) and beginning on that day and continuing until the Reversion Date, the following Sections of this Indenture will not apply to such Notes: Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11 and Section 5.01(a)(3) and, in each case, any related default provision of this Indenture will cease to be effective and will not be applicable to the Company and its Restricted Subsidiaries. Such Sections and any related default provisions will again apply according to their terms from the first day on which a Suspension Event ceases to be in effect. Such Sections will not, however, be of any effect with regard to actions of the Company properly taken during the continuance of the Suspension Event, and Section 4.07 will be interpreted as if it has been in effect since the date of this Indenture except that no default will be deemed to have occurred solely by reason of a Restricted Payment made while Section 4.07 was suspended. On the Reversion Date, all Indebtedness Incurred during the continuance of the Suspension Event will be classified, at the Company’s option, as having been Incurred pursuant to Section 4.09(a) or one of the clauses set forth in Section 4.09(b) (to the extent such Indebtedness would be permitted to be Incurred thereunder as of the Reversion Date and after giving effect to Indebtedness Incurred prior to the Suspension Event and outstanding on the Reversion Date). To the extent such Indebtedness would not be so permitted to be incurred under Section 4.09(a) or Section 4.09(b), such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 4.09(b)(4)(B).

Section 4.19. Further Instruments and Acts. Upon request of the Trustee, but without an affirmative duty on the Trustee to do so, the Company and the Guarantors shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture and the Intercreditor Agreements. Subject to the Agreed Security Principles, the Company and its Restricted Subsidiaries shall, at their own expense, execute and do all such acts and things and provide such assurances as the Security Agent may reasonably require (i) for registering any Security Documents in any required register and for perfecting or protecting the security intended to be afforded, created or granted by such Security Documents and (ii) if such Security Documents have become enforceable, for facilitating the realization of all or any part of the assets which are subject to such Security Documents and for facilitating the exercise of all

powers, authorities and discretions vested in the Security Agent or in any receiver of all or any part of those assets. Subject to the Agreed Security Principles, the Company and its Restricted Subsidiaries shall execute all transfers, conveyances, assignments and releases of that property whether to the Security Agent or to its nominees and give all notices, orders and directions which the Security Agent may reasonably request. Subject to the Agreed Security Principles, if any Restricted Subsidiary becomes a Guarantor pursuant to Section 4.16, the Company shall cause such Guarantor to provide security over substantially all of its assets in favor of the Security Agent for the benefit of the Trustee acting for and on behalf of the Holders and consistently with the Intercreditor Agreements; provided that so long as the Senior Facilities Agreement entered into on September 20, 2012, as amended from time to time, is in place, no security need be granted over assets which are not also made subject to security in favor of the Senior Facilities Agreement. For the avoidance of doubt, the assets and shares of any Permitted Purchase Obligations SPV (including Cabot Securitisation UK Limited, Cabot Securitisation (UK) Holdings Limited, Cabot Securitisation (UK) II Limited and Cabot Securitisation (UK) Holdings II Limited) shall be excluded from the Collateral.

ARTICLE V

Successors

Section 5.01. Merger and Consolidation.

(a) None of the Company, CCMG or the Issuer shall consolidate with or merge with or into, or convey, transfer or lease all or substantially all its assets to, any Person, unless:

(1) the resulting, surviving or transferee Person (the “Successor Company”) shall be a Person organized and existing under the laws of the United Kingdom, or any member state of the European Union on January 1, 2004 (other than Greece), or the United States of America, any State of the United States or the District of Columbia, Canada or any province of Canada, Norway or Switzerland and the Successor Company (if not the Company, CCMG or the Issuer, as applicable) shall expressly assume, (x) by supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, all the obligations of the Company, CCMG or the Issuer, as applicable, under the Notes and this Indenture and (y) all obligations of the Company, CCMG or the Issuer, as applicable, under the Intercreditor Agreements and the other Security Documents;

(2) immediately after giving effect to such transaction (and treating any Indebtedness that becomes an obligation of the Successor Company or any Subsidiary of the Successor Company as a result of such transaction as having been Incurred by the Successor Company or such Subsidiary at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(3) immediately after giving effect to such transaction, either (A) the Successor Company would be able to Incur at least an additional £1.00 of Indebtedness pursuant to Section 4.09(a) or (B) the Fixed Charge Coverage Ratio for the Successor Company and its Restricted Subsidiaries would not be lower than it was immediately prior to giving effect to such transaction; and

(4) the Company shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel, each to the effect that such consolidation,

merger or transfer and such supplemental indenture (if any) comply with this Indenture, and that all conditions precedent therein provided for relating to such transaction have been complied with and an Opinion of Counsel to the effect that such supplemental indenture (if any) has been duly authorized, executed and delivered and is a legal, valid and binding agreement enforceable against the Successor Company and the Notes constitute legal, valid and binding obligations of the Successor Company, enforceable in accordance with their terms (in each case, in form and substance reasonably satisfactory to the Trustee); provided that in giving an Opinion of Counsel, counsel may rely on an Officer's Certificate as to any matters of fact, including as to satisfaction of clauses (2) and (3) above.

Any Indebtedness that becomes an obligation of the Company or any Restricted Subsidiary (or that is deemed to be Incurred by any Restricted Subsidiary that becomes a Restricted Subsidiary) as a result of any such transaction undertaken in compliance with this Section 5.01, and any Refinancing Indebtedness with respect thereto, shall be deemed to have been Incurred in compliance with Section 4.09.

For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all the properties and assets of one or more Subsidiaries of the Company, CCMG or the Issuer, which properties and assets, if held by the Company, CCMG or the Issuer, as applicable, instead of such Subsidiaries, would constitute all or substantially all the properties and assets of the Company, CCMG or the Issuer, as applicable, on a consolidated basis, shall be deemed to be the transfer of all or substantially all the properties and assets of the Company, CCMG or the Issuer, as applicable.

The Successor Company shall succeed to, and be substituted for, and may exercise every right and power of, the Company, CCMG or the Issuer, as applicable, under this Indenture and the Notes but in the case of a lease of all or substantially all its assets, the predecessor company shall not be released from its obligations under such Indenture or the Notes.

Notwithstanding Sections 5.01(a)(2) and 5.01(a)(3) (which do not apply to transactions referred to in this sentence) and, other than with respect to the second preceding paragraph, Section 5.01(a)(4), (x) any Restricted Subsidiary may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to the Company, CCMG or the Issuer and (y) any Restricted Subsidiary that is not a Guarantor may consolidate or otherwise combine with, merge into or transfer all or part of its properties and assets to any other Restricted Subsidiary. Notwithstanding Sections 5.01(a)(2) and 5.01(a)(3) (which do not apply to the transactions referred to in this sentence), the Company may consolidate or otherwise combine with or merge into an Affiliate incorporated or organized for the purpose of changing the legal domicile of the Company, reincorporating the Company in another jurisdiction, or changing the legal form of the Company.

(b) No Subsidiary Guarantor may:

(1) consolidate with or merge with or into any Person;

(2) sell, convey, transfer or dispose of, all or substantially all its assets as an entirety or substantially as an entirety, in one transaction or a series of related transactions, to any Person; or

(3) permit any Person to merge with or into a Subsidiary Guarantor, unless:

(A) the other Person is a Subsidiary Guarantor or becomes a Subsidiary Guarantor concurrently with the transaction; or

(B) (i) either (x) a Subsidiary Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all the obligations of the Subsidiary Guarantor under its Note Guarantee and the obligations under the Intercreditor Agreements and the other Security Documents and, if applicable, the Proceeds Loan Agreement; and

(ii) immediately after giving effect to the transaction, no Default has occurred and is continuing; or

(C) the transaction constitutes a sale or other disposition (including by way of consolidation or merger) of the Subsidiary Guarantor or the sale or disposition of all or substantially all the assets of the Subsidiary Guarantor (in each case other than to the Company or a Restricted Subsidiary) otherwise permitted by this Indenture.

ARTICLE VI

Defaults and Remedies

Section 6.01. Events of Default.

(a) Each of the following is an “Event of Default”:

(1) default in any payment of interest or Additional Amounts, if any, on any Note when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure to comply for 30 days after written notice by the Trustee on behalf of the Holders or by the Holders of 25% in principal amount of the outstanding Notes with the Issuer’s obligations under Section 4.15 or the Guarantors’ or the Restricted Subsidiaries’ or the Issuer’s obligations under Section 4.03, Section 4.06, Section 4.07, Section 4.08, Section 4.09, Section 4.10, Section 4.11, Section 4.12, Section 4.13, Section 4.16, Section 4.17, Section 4.18, Section 4.19, Section 5.01, Section 9.07 or Section 12.03 (in each case, other than a failure to purchase Notes which will constitute an Event of Default under Section 6.01(a)(2));

(4) failure to comply for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 25% in principal amount of the outstanding Notes with the Guarantors’ or Issuer’s other agreements contained in this Indenture;

Restricted Subsidiaries) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee exists on the Issue Date, or is created after the Issue Date, which default:

(A) is caused by a failure to pay principal of, or interest or premium, if any, on such Indebtedness, immediately upon the expiration of the grace period provided in such Indebtedness (“payment default”); or

(B) results in the acceleration of such Indebtedness prior to its maturity (the “cross acceleration provision”);

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated, aggregates £10.0 million or more;

(6) (A) a proceeding is commenced seeking a decree or order for (i) relief in respect of the Company, CCMG, the Issuer, the Existing Cabot Fixed Rate Notes Issuer, Marlin Intermediate Holdings plc, a Significant Subsidiary, or a group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary, in an involuntary case under any applicable Bankruptcy Law, (ii) the appointment of a receiver, administrative receiver, liquidator, assignee, custodian, trustee, examiner, administrator, sequestrator, compulsory manager, *commissaire*, *juge-commissaire*, *curateur* or similar official of the Company, CCMG, the Issuer, the Existing Cabot Fixed Rate Notes Issuer, Marlin Intermediate Holdings plc, a Significant Subsidiary or a group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary, or for all or substantially all the property and assets of the Company, the Issuer or a Significant Subsidiary or a group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary or (iii) the winding up or liquidation of the affairs of the Company, CCMG, the Issuer, the Existing Cabot Fixed Rate Notes Issuer, Marlin Intermediate Holdings plc, a Significant Subsidiary, or a group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary (other than, except in the case of the Issuer, a solvent winding up or liquidation in connection with a transfer of assets among the Company and the Restricted Subsidiaries) and, in each case, such proceeding shall remain unstayed and in effect for a period of 30 consecutive days; or (B) other than, except in the case of the Issuer, in relation to a solvent winding up or liquidation in connection with a transfer of assets among the Company and the Restricted Subsidiaries, the Company, CCMG, the Issuer, the Existing Cabot Fixed Rate Notes Issuer, Marlin Intermediate Holdings plc, a Significant Subsidiary or a group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries), would constitute a Significant Subsidiary (i) commences a voluntary case (including taking any action for the purpose of winding up) under any applicable Bankruptcy Law, or consents to the entry of an order for relief in an involuntary case under any such law, or enters into a scheme of arrangement for the purpose of restructuring all or a portion of its debts, (ii) consents to the appointment of or taking possession by a receiver,

(7) failure by the Issuer, the Company or any Restricted Subsidiary to pay final judgments aggregating in excess of £10.0 million (exclusive of any amounts that a solvent insurance company has acknowledged liability for), which judgments are not paid, discharged or stayed for a period of 60 days after the judgment becomes final;

(8) any security interest under the Security Documents on any material Collateral shall, at any time, cease to be in full force and effect (other than in accordance with the terms of the relevant Security Document and this Indenture) for any reason other than the satisfaction in full of all obligations under this Indenture or the release or amendment of any such security interest in accordance with the terms of this Indenture or such Security Document or any such security interest created thereunder shall be declared invalid or unenforceable or the Issuer shall assert in writing that any such security interest is invalid or unenforceable and any such default continues for 10 days;

(9) any Note Guarantee ceases to be in full force and effect, other than in accordance with the terms of this Indenture, or a Guarantor denies or disaffirms its obligations under its Note Guarantee, other than in accordance with the terms thereof or upon release of the Note Guarantee in accordance with this Indenture; and

(10) except in accordance with this Indenture or as a result of a repayment in full, the Proceeds Loan Agreement ceases to be in full force and effect or is declared fully or partially void in a judicial proceeding or Cabot (Treasury) Ireland or the Company or any other Restricted Subsidiary asserts that the Proceeds Loan is fully or partially invalid.

(b) A default under Section 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) or 6.01(a)(7) will not constitute an Event of Default until the Trustee or the Holders of 25% in principal amount of the outstanding Notes notify the Issuer of the default and, with respect to Sections 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) and 6.01(a)(7), the Issuer does not cure such default within the time specified in Section 6.01(a)(3), 6.01(a)(4), 6.01(a)(5) or 6.01(a)(7), as applicable, after receipt of such notice.

(c) The Issuer shall deliver to the Trustee, within 30 days after the occurrence thereof, written notice in the form of an Officer's Certificate of any event which is, or with the giving of notice or lapse of time or both would become, an Event of Default, its status and what action the Issuer is taking or proposes to take in respect thereof.

Section 6.02. Acceleration. If an Event of Default (other than an Event of Default described in Section 6.01(a)(6)) occurs and is continuing, the Trustee by notice to the Issuer or the Holders of at least 25% in principal amount of the outstanding Notes by written notice to the Issuer and the Trustee, may, and the Trustee at the request of such Holders shall, declare the principal of, premium, if any, and accrued and unpaid interest, including Additional Amounts, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium and accrued and unpaid interest, including Additional Amounts, if any, will be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default described in Section 6.01(a)(5) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(a)(5) shall be remedied or cured, or waived by the holders of the Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium or interest, including Additional Amounts, if any, on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

If an Event of Default described in Section 6.01(a)(6) above occurs and is continuing, the principal of, premium, if any, and accrued and unpaid interest, including Additional Amounts, if any, on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

Section 6.03. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture or any Security Document. Following such Event of Default, the Trustee is entitled to require all Agents to act under its direction.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence to the Event of Default. No remedy is exclusive of any other remedy. All remedies are cumulative to the extent permitted by law.

Section 6.04. Waiver of Past Defaults. Subject to Sections 6.07 and 9.02, the Trustee, upon receipt of written notice from the Holders of not less than a majority in aggregate principal amount of the Notes then outstanding, may on behalf of the Holders of all the Notes rescind an acceleration or waive all past or existing Defaults or Events of Default (except with respect to (i) nonpayment of principal, premium or interest, or Additional Amounts, if any, and (ii) a covenant or provision which under this Indenture cannot be modified or amended without the consent of the Holders of not less than 90% in aggregate principal amount of the Notes then outstanding, each of which may only be waived with the consent of the Holders of not less than 90% in aggregate principal amount of the Notes then outstanding) and rescind any such acceleration with respect to such Notes and its consequences if rescission would not conflict with any judgment or decree of a court of competent jurisdiction. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05. Control by Majority. The Holders of a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting

any proceeding for exercising any remedy available to the Trustee, or of exercising any trust or power conferred on the Trustee, in respect of the Notes. However, the Trustee may refuse to follow any direction that the Trustee determines (after consultation with counsel) conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that may involve the Trustee in personal liability; provided that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with any such direction. Prior to taking any action under this Indenture, the Trustee will be entitled to indemnification and/or security satisfactory to it against all losses and expenses caused by taking or not taking such action.

Section 6.06. Limitation on Suits. Subject to Article VII, if an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity and/or security satisfactory to the Trustee against any loss, liability or expense. Except to enforce the right to receive payment of principal or interest when due, no Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(a) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(b) Holders of at least 25% in principal amount of the outstanding Notes have requested in writing that the Trustee pursue the remedy;

(c) such Holders have offered in writing to the Trustee security and/or indemnity satisfactory to the Trustee against any loss, liability or expense;

(d) the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security and/or indemnity; and

(e) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a written direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

The Trustee shall have no obligation to ascertain whether actions by Holders are unduly prejudicial to other Holders.

Section 6.07. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal, premium, if any, and interest on the Note held by such Holder, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of Holders of not less than 90% in aggregate principal amount of the Notes then outstanding.

Section 6.08. Collection Suit by Trustee. If an Event of Default specified in Section 6.01(a)(1) or (2) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer or any other obligor on the Notes for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Issuer fails to pay such amounts forthwith upon such demand, the Trustee, in its own name as trustee of an express trust, may institute a judicial proceeding in its own name

for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Issuer or any other obligor upon the Notes and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Issuer or any other obligor upon the Notes, wherever situated.

Section 6.09. Trustee may File Proofs of Claim. The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the properly incurred compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer, any other obligor upon the Notes, their creditors or their property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims, and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 out of the estate in any such proceeding shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. Priorities. If the Trustee collects any money pursuant to this Article VI, it shall pay out the money, subject to the terms of the Intercreditor Agreements, in the following order:

First: to the Trustee, its agents and attorneys and the Agents for amounts due under Section 7.07, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any and interest, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Issuer shall mail to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

Section 6.11. Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit,

having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes, or to any suit initiated by any Holder for the enforcement of the payment of any principal of or interest on any Note, on or after its maturity date.

Section 6.12. Stay, Extension and Usury Laws. The Company and its Restricted Subsidiaries shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and its Restricted Subsidiaries (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 6.13. Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Issuer, any Guarantor, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

ARTICLE VII

The Trustee

Section 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee and the Agents shall be determined solely by the express provisions of this Indenture and the Trustee and the Agents need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee and the Agents and no Agents shall be under any fiduciary duty or have any relationship of agency or trust with any Person other than the Issuer; and

(2) the Trustee may conclusively rely upon, as to the truth of the statements and the correctness of the opinions expressed therein, certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, with respect to certificates or opinions specifically required to be furnished to it hereunder, the Trustee may examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own gross negligence or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of Section 7.01(b);

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.02, 6.04 or 6.05; and

(4) no provision of this Indenture will require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it, it being understood that the Trustee shall not be required to advance its own funds in connection with its duties and responsibilities as Trustee.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), and (c) of this Section 7.01.

(e) The Trustee shall be under no obligation to exercise any of its rights and powers under this Indenture or the Intercreditor Agreements at the request of any Holders, unless such Holders have provided to the Trustee security and/or prefunding and/or indemnity satisfactory to it against any loss, liability or expense.

(f) The Trustee and the Agents shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer.

Section 7.02. Rights of Trustee. The Trustee and each Agent may conclusively rely without further investigation or verification, and shall be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, whether in original, facsimile or electronic form, believed by it to be genuine and to have been signed or presented by the proper person. In the event that the Trustee or any Agent receives conflicting, unclear or equivocal instructions, the Trustee or the relevant Agent (as the case may be) shall be entitled to take no action until such instructions have been resolved or clarified to its satisfaction and the Trustee or the relevant Agent (as the case may be) shall not become liable in any way to any person for any failure to comply with such conflicting, unclear or equivocal instructions.

(a) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney, delegate, depository or agent appointed with due care or for supervising any such attorney, delegate, depository or agent.

(b) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture. Before the Trustee acts or refrains from acting, it may require an Officer's Certificate and/or an Opinion of Counsel from the Issuer. The Trustee shall not be liable for any action it takes in good faith in reliance upon such certificate or opinion.

(c) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer will be sufficient if signed by an Officer of the Issuer.

(d) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, direction, order, approval, bond, debenture, note, other evidence of indebtedness or other paper or document but the Trustee in its sole and absolute discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole expense of the Issuer, and shall incur no liability of any kind by reason of such inquiry or investigation.

(e) The Trustee shall have no duty to inquire as to the Issuer's performance of the covenants in Article IV. In addition, the Trustee shall not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default of which a Responsible Officer of the Trustee has received written notification identifying the Notes or Indenture or obtained actual knowledge. The Trustee shall be under no obligation to monitor financial performance of the Company or the Issuer.

(f) Neither the Trustee, the Agents nor any clearing system through which the Notes are traded shall have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance, with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect of any transfer, exchange, redemption, purchase or repurchase, as applicable, of interest in any Note.

(g) The Trustee is not required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Indenture.

(h) In the event the Trustee or any Agent receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than a majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture, the Trustee or any such Agent, each in its sole discretion, as applicable, may determine what action, if any, will be taken and the Trustee and any such Agent shall not incur any liability for failure to act until such inconsistency or conflict is, in its reasonable opinion, resolved.

(i) The permissive right of the Trustee to take the actions enumerated in this Indenture or the Intercreditor Agreements will not be construed as an obligation or duty to do so and the Trustee will not be answerable other than for its own negligence or willful default.

(j) Delivery of reports, information and documents to the Trustee under Section 4.03 is for informational purposes only and the Trustee's receipt of the foregoing will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates or Opinions of Counsel, as applicable).

(k) The rights, privileges, protections, immunities, indemnities and benefits given to, and disclaimers of, the Trustee, including, without limitation, its right to be indemnified and/or secured, are extended to, and will be enforceable by, the Trustee in each of its capacities hereunder, and each agent (including the Agents), custodian and other Person employed to act hereunder (including Citibank N.A., London Branch and Citigroup Global Markets Europe AG).

Absent willful misconduct or gross negligence, each Agent shall not be liable for acting in good faith on instructions believed by it to be genuine and from the proper party.

(l) The Trustee may request that the Issuer deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(m) Under no circumstances will the Trustee or any Agent be liable to the Company or any other Person for any indirect, punitive or consequential loss (including, but not limited to, loss of business, goodwill, opportunities or profit) even if advised of the possibility of such loss or damage and regardless of whether the claim for loss or damage is made in negligence, for breach of contract or otherwise.

(n) The Trustee and the Agents will be entitled to assume, without inquiry, that the Issuer and the Company has performed in accordance with all the provisions of this Indenture or the Intercreditor Agreements, unless notified to the contrary.

(o) The Trustee may without liability refrain from taking any action in any jurisdiction if the taking of such action would or might, in its opinion based upon legal advice, be contrary to any law of any state or jurisdiction (including, but not limited to, Germany, Luxembourg, the European Union, the United States of America or, in each case, any jurisdiction forming part of it, or England and Wales) or any directive or regulation of any state or jurisdiction. Furthermore, the Trustee may without liability do anything which is in its opinion based upon such legal advice necessary to comply with any such law, directive or regulation.

(p) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee and any Agent may retain professional advisors to assist them in performing their duties. The Trustee and any Agent may consult with counsel or other professional advisors and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(q) In no event shall the Trustee or any Agent be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused directly or indirectly by acts of war or terrorism involving the United States, the United Kingdom or any member state of the European Monetary Union or any other national or international calamity or emergency (including natural disasters or acts of God), it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(r) The Trustee will not be liable to any Person if prevented or delayed in performing any of their obligations or discretionary functions under this Indenture by reason of any present or future law applicable to them, by any governmental or regulatory authority or by any circumstances beyond their control.

(s) At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders have given a direction to the Trustee to enforce such Collateral, the Trustee is not required to give any direction to the Security Agent with respect thereto unless it has been indemnified, prefunded and/or secured in accordance with Section 7.01(e). In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

- (1) any failure of the Security Agent to enforce such security within a reasonable time or at all;
- (2) any failure of the Security Agent to pay over the proceeds of enforcement of the Collateral;
- (3) any failure of the Security Agent to realize such security for the best price obtainable;
- (4) monitoring the activities of the Security Agent in relation to such enforcement;
- (5) taking any enforcement action itself in relation to such security;
- (6) agreeing to any proposed course of action by the Security Agent which could result in the Trustee incurring any liability for its own account; or
- (7) paying any fees, costs or expenses of the Security Agent.

Section 7.03. Individual Rights of Trustee. The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or the Issuer or any of their respective Affiliates or Subsidiaries with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interests it must eliminate such conflict within 90 days, or resign. Any Agent (or their affiliates) may do the same with like rights. The Trustee is also subject to Section 7.10.

Section 7.04. Trustee's Disclaimer. The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture, the Notes or any Note Guarantee and it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes, except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes and perform its obligations hereunder. The Trustee shall not be accountable for the use or application by the Issuer of Notes or the proceeds thereof or the use or application of any money received by any Paying Agent other than the Trustee.

Section 7.05. Notice of Defaults. If a Default occurs and is continuing and is known to the Trustee (through the Issuer having so notified the Trustee), the Trustee shall mail to the Holders a notice of the Default within 60 days after being notified by the Issuer.

Section 7.06. [Intentionally Omitted].

Section 7.07. Compensation and Indemnity.

(a) The Issuer and each Guarantor, jointly and severally, shall pay to the Trustee and the Agents from time to time such fees, costs, expenses and compensation for its acceptance of this Indenture and services hereunder as shall from time to time be separately agreed in writing between the Issuer and the Trustee. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Issuer and each Guarantor, jointly and severally, shall reimburse the Trustee and the Agents promptly upon

request for all disbursements, advances and expenses incurred or made by it, including costs of collection, any additional fees the Trustee and the Agents may incur acting after a Default or an Event of Default and any fees the Trustee and the Agents may incur in connection with exceptional duties in relation thereto, in addition to the compensation for its services. Such expenses will include the properly incurred compensation, disbursements, expenses and advances of the Trustee's agents, counsel, accountants and experts.

(b) The Issuer and each Guarantor, jointly and severally, shall indemnify the Trustee and the Agents, and hold them harmless, against any and all losses, claims, damages, liabilities or expenses (including properly incurred attorney's fees) incurred by it arising out of or in connection with the acceptance or administration of this trust and its duties under this Indenture or under the Intercreditor Agreements, including the costs and expenses of enforcing this Indenture against the Issuer (including this Section 7.07) and defending themselves against any claim (whether asserted by the Issuer, or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder. The Trustee and the Agents shall notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee and the Agents to so notify the Issuer shall not relieve the Issuer of its obligations hereunder. At the Trustee's sole discretion, the Issuer shall defend the claim and the Trustee and the Agents shall provide reasonable cooperation and may participate at the Issuer's expense in the defense. Alternatively, the Trustee and the Agents may at its option have separate counsel of its own choosing and the Issuer shall pay the properly incurred fees and expenses of such counsel; provided that the Issuer shall not be required to pay such fees and expenses if, at the discretion of the Trustee, it assumes the Trustee's defense and there is, in the opinion of the Trustee, no conflict of interest between the Issuer and the Trustee in connection with such defense and no Default or Event of Default has occurred and is continuing. The Issuer need not pay for any settlement made without its written consent, which consent shall not be unreasonably withheld. The Issuer need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Trustee through its negligence or willful misconduct.

(c) The obligations of the Issuer and the Guarantors under this Section 7.07 and any Lien arising hereunder will survive the resignation or removal of the Trustee or an Agent, the discharge of the Issuer's obligations pursuant to Article X or the termination of this Indenture.

(d) To secure the Issuer's payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held to pay principal and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(6) occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(f) For the avoidance of doubt, the rights, privileges, protections, immunities and benefits given to the Trustee and the Agents under this Section 7.07, including its rights to be indemnified, are extended to and shall be enforced by the Trustee in each of its capacities hereunder and by each Agent.

Section 7.08. Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuer in writing. The Issuer may remove the Trustee, or any Holder who has been a bona fide Holder for not less than six months may petition any court for the removal of the Trustee and the appointment of a successor Trustee, if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (3) a custodian or public officer takes charge of the Trustee or its property;
- (4) the Trustee becomes incapable of acting; or
- (5) the Trustee has or acquires a conflict of interest that this is not eliminated.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuer.

(d) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture and the Security Documents. The successor Trustee shall mail a notice of any succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, provided that all sums owing to the Trustee hereunder have been paid and subject to the lien provided for in Section 7.07.

(e) The Issuer covenants that, in the event of the Trustee giving reasonable notice pursuant to this Section 7.08, it shall use its reasonable best efforts to procure a successor Trustee to be appointed. If a successor Trustee is not appointed and does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee may appoint a successor Trustee at any time prior to the date on which a successor Trustee takes office. If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of at least 25% in outstanding principal amount of the Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee at the expense of the Issuer.

(f) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer, or the Holders of at least 10% in principal amount of the then outstanding Notes may petition at the expense of the Issuer any court of competent jurisdiction for the appointment of a successor Trustee.

(g) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(h) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; provided that all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 will continue for the benefit of the retiring Trustee or Agent as the case may be, and the Issuer shall pay to any replaced or removed Trustee or Agent all amounts owed under Section 7.07 upon such replacement or removal.

Section 7.09. Successor Trustee by Merger, etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to another corporation, the successor corporation without any further act will be the successor Trustee.

Section 7.10. Eligibility; Disqualification. There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United Kingdom, or of the United States or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by UK or U.S. federal or state authorities, and which is generally recognized as a corporation which customarily performs such corporate trustee roles and provides such corporate trustee services in transactions similar in nature to the offering of the Notes as described in the Offering Memorandum.

Section 7.11. Resignation of Agents. Any Agent may resign and be discharged from its duties under this Indenture at any time by giving 30 days' prior written notice of such resignation to the Trustee and Issuer. The Trustee or Issuer may remove any Agent at any time by giving 30 days' prior written notice to any Agent. Upon such notice, a successor Agent shall be appointed by the Issuer, who shall provide written notice of such to the Trustee. Such successor Agent shall become the Agent hereunder upon the resignation or removal date specified in such notice. If the Issuer is unable to replace the resigning Agent within 30 days after such notice, the Agent may appoint a replacement Agent or may deliver any funds then held hereunder in its possession to the Trustee or may apply to a court of competent jurisdiction for the appointment of a successor Agent or for other appropriate relief. The costs and expenses (including its counsels' fees and expenses) incurred by the Agent in connection with such proceeding shall be paid by the Issuer. Upon receipt of the identity of the successor Agent, the Agent shall deliver any funds then held hereunder to the successor Agent, less the Agent's fees, costs and expenses or other obligations owed to the Agent. Upon its resignation and delivery of any funds, the Agent shall be discharged of and from any and all further obligations arising in connection with this Indenture, but shall continue to enjoy the benefit of Section 7.07. Subject to Section 6.03, the Agents shall act solely as agents of the Issuer.

ARTICLE VIII

Legal Defeasance and Covenant Defeasance

Section 8.01. Option to Effect Legal Defeasance or Covenant Defeasance. The Company and the Issuer may, at the option of their respective Boards of Directors evidenced by a resolution set forth in an Officer's Certificate, at any time, elect to have either Section 8.02 or 8.03 be applied to all outstanding Notes, the Note Guarantees, this Indenture, the Intercreditor Agreements and the other Security Documents with respect to the Notes, and cause the release of all Liens on the Collateral granted under the Security Documents with respect to the Notes upon compliance with the conditions set forth below in this Article VIII.

Section 8.02. Legal Defeasance and Discharge. Upon the Company's or the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.02, the Issuer shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from its obligations with respect to all outstanding Notes, the Note Guarantees, this Indenture, the Intercreditor Agreements and the other Security Documents with respect to the Notes, and cause the release of all Liens on the Collateral granted under the Security Documents with respect to the Notes on the date the conditions set forth below are satisfied (hereinafter, "**Legal Defeasance**"). For this purpose, Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes of a series, which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in clauses (a) and (b) below, and to have satisfied all its other obligations under such Notes, the Note Guarantees, this Indenture, the Intercreditor Agreements and the other Security Documents with respect to the Notes and cause the release of all Liens on the Collateral granted under the Security Documents with respect to the Notes (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (a) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium, if any, on such Notes when such payments are due from the trust referred to in Section 8.04;
- (b) the Issuer's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust set forth in Article II;
- (c) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Issuer's obligations in connection therewith; and
- (d) this Article VIII.

Subject to compliance with this Article VIII, the Issuer and the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03. Covenant Defeasance. Upon the Company's or the Issuer's exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuer shall, subject to the satisfaction of the conditions set forth in Section 8.04, be released from each of its obligations under the covenants contained in Sections 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10 (including Section 3.09), 4.11, 4.12, 4.13, 4.14, 4.15, 4.16, 4.17, 4.18, 4.19, 5.01(a)(3), 9.07 and 12.03 with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, "**Covenant Defeasance**"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes will be unaffected thereby. In addition, upon the Company's or the Issuer's exercise

under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, payment of the Notes may not be accelerated because of an Event of Default specified in Section 6.01(a)(3) (other than with respect to Sections 5.01(a)(1) and 5.01(a)(2)), 6.01(a)(4), 6.01(a)(5), 6.01(a)(6) (other than with respect to the Issuer, the Existing Cabot Fixed Rate Notes Issuer, Marlin Intermediate Holdings plc, CCMG and the Company), 6.01(a)(7), 6.01(a)(8) or 6.01(a)(9).

Section 8.04. Conditions to Legal Defeasance or Covenant Defeasance. In order to exercise the Issuer's option under Section 8.02 or Section 8.03, the Issuer must irrevocably deposit in trust (the "defeasance trust") with the Trustee (or such other entity designated by the Trustee for this purpose) cash in euro, European Government Obligations denominated in euro, or a combination of cash in euro and European Government Obligations denominated in euro, in such amounts as will be sufficient for the payment of principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be; and must deliver to the Trustee:

(a) an Opinion of Counsel in the United States to the effect that Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and defeasance and will be subject to U.S. federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred (and in the case of legal defeasance only, such Opinion of Counsel in the United States must be based on a ruling of the U.S. Internal Revenue Service or other change in applicable U.S. federal income tax law since the Issue Date);

(b) an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer;

(c) an Officer's Certificate and an Opinion of Counsel (which opinion of counsel may be subject to customary assumptions and exclusions), each stating that that all conditions precedent provided for or relating to Legal Defeasance or Covenant Defeasance, as the case may be, have been complied with;

(d) an Opinion of Counsel to the effect that the trust resulting from the deposit does not constitute, or is qualified as, a regulated investment company under the U.S. Investment Company Act of 1940; and

(e) all other documents or other information that the Trustee may reasonably require in connection with the Issuer's option under Section 8.02 or Section 8.03.

Section 8.05. Deposited Money and Government Securities to be held in Trust; Other Miscellaneous Provisions. Subject to Section 8.06, all money and European Government Obligations (including the proceeds thereof), as applicable, deposited with the Trustee (or such other entity designated by the Trustee for this purpose, or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such money need not be segregated from other funds except to the extent required by law. Money and securities so held in trust are not subject to the Intercreditor Agreements and the Trustee is not prohibited from paying such funds to Holders by the terms of this Indenture or the Intercreditor Agreements.

The Issuer shall pay and indemnify the Trustee against any Taxes imposed or levied on or assessed against the cash or European Government Obligations deposited pursuant

to Section 8.04 or the principal and interest received in respect thereof other than any such Taxes which by law are for the account of the Holders of the outstanding Notes.

The obligations of the Issuer under this Section 8.05 shall survive the resignation or renewal of the Trustee and/or satisfaction and discharge of this Indenture.

Notwithstanding anything in this Article VIII to the contrary, the Trustee shall deliver or pay to the Issuer from time to time upon the request of the Issuer any money or European Government Obligations held by it as provided in Section 8.04 which, in the opinion of an Independent Financial Advisor, expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06. Repayment to Issuer. Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer in trust, for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such money, and all liability of the Issuer as trustee thereof, will thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in the New York Times and the *Financial Times*, notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 8.07. Reinstatement. If the Trustee or Paying Agent is unable to apply any euro or European Government Obligations denominated in euro in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Company's obligations under this Indenture and the Notes will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; provided, however, that, if the Issuer makes any payment of principal of, premium, if any, or interest on any Note following the reinstatement of its obligations, the Issuer will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE IX

Amendment, Supplement and Waiver

Section 9.01. Without Consent of Holders.

(a) Notwithstanding Section 9.02, the Issuer, the Guarantors, the Trustee, the Security Agent and the other parties thereto, as applicable, may amend or supplement any Note Documents or the Note Guarantee without the consent of any Holder to:

(1) cure any ambiguity, omission, defect, error or inconsistency, conform any provision of the Note Documents to the "Description of the Notes" contained in the Offering Memorandum, or reduce the minimum denomination of the Notes;

(2) provide for the assumption by a successor Person of the obligations of the Issuer or the Guarantors under any Note Document;

(3) provide for uncertificated Notes in addition to or in place of certificated Notes (provided that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code);

(4) add to the covenants or provide for a Note Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Issuer, the Company or any Restricted Subsidiary;

(5) make any change that does not adversely affect the rights of any Holder in any material respect or make any change that would provide any additional rights or benefits to the Trustee or the Holders;

(6) make such provisions as necessary (as determined in good faith by the Issuer) for the issuance of Additional Notes;

(7) provide for any Restricted Subsidiary to provide a Note Guarantee in accordance with Section 4.16, to add Note Guarantees, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Note Guarantee or Lien (including the Collateral and the Security Documents) with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture (without giving effect to Section 12.04(h)) or the Security Documents, including the Intercreditor Agreements;

(8) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee pursuant to the requirements thereof or to provide for the accession by the Trustee to any Note Document;

(9) in the case of the Security Documents, mortgage, pledge, hypothecate or grant a security interest in favor of the Security Agent for the benefit of parties to the Senior Facilities Agreement, in any property which is required by the Senior Facilities Agreement (as in effect on the Issue Date) to be mortgaged, pledged or hypothecated, or in which a security interest is required to be granted to the Security Agent, or to the extent necessary to grant a security interest for the benefit of any Person; provided that the granting of such security interest is not prohibited by this Indenture and Section 12.03 is complied with; or

(10) to make any amendments or supplements as provided in Section 12.05 and Section 12.06.

(b) After an amendment becomes effective, the Issuer is required to mail to Holders a notice briefly describing such amendment. However, the failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of the amendment. In addition, for so long as the Notes are listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Euro MTF Market and the rules and regulations of the Luxembourg Stock Exchange so require, the Issuer shall provide notice of any amendment, supplement or waiver to the Luxembourg Stock Exchange and shall publish notice of such amendment, supplement or waiver on the website of the Luxembourg Stock Exchange (www.bourse.lu).

(c) Upon the request of the Issuer, and upon receipt by the Trustee of the documents described in Section 11.06, the Trustee shall join with the Issuer in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02. With Consent of Holders. Except as provided below in this Section 9.02, the Issuer, the Guarantors and the Trustee may amend or supplement any Note Documents or the Note Guarantees with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes) and, subject to this Indenture and the Notes, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of the Note Documents may be waived with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02.

Upon the request of the Issuer, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02, the Trustee shall join with the Issuer in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It is not necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it is sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer shall mail to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Section 6.07, the Holders of a majority in aggregate principal amount of the Notes then outstanding may waive compliance in a particular instance by the Issuer with any provision of this Indenture or the Notes. However, without the consent of Holders holding not less than 90% of the then outstanding principal amount of Notes, an amendment or waiver under this Section 9.02 may not, with respect to any Notes held by a non-consenting Holder:

- (a) reduce the principal amount of such Notes whose Holders must consent to an amendment;
- (b) reduce the stated rate of or extend the stated time for payment of interest on any such Note;
- (c) reduce the principal of or extend the Stated Maturity of any such Note;

(d) reduce the premium payable upon the redemption of any such Note or change the time at which any such Note may be redeemed, in each case, pursuant to Section 3.07 or Section 3.10;

(e) make any such Note payable in currency other than that stated in such Note;

(f) impair the right of any Holder to receive payment of principal of and interest or Additional Amounts, if any, on such Holder's Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes;

(g) make any change in Section 2.13 that adversely affects the right of any Holder of such Notes in any material respect;

(h) release all or substantially all the Guarantors from their obligations under their respective Note Guarantees or this Indenture, except otherwise in accordance with the terms of this Indenture;

(i) release the security interest granted for the benefit of the Holders in the Collateral other than pursuant to the terms of the Security Documents or as otherwise permitted by this Indenture and the Intercreditor Agreements;

(j) waive a Default or Event of Default with respect to the nonpayment of principal, premium, interest or Additional Amounts, if any, on the Notes (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration); or

(k) make any change in the amendment or waiver provisions which require the consent of the Holders holding not less than 90% of then outstanding principal amount of the Notes.

For the avoidance of doubt, no amendment to, or deletion of, any of the covenants described in Article IV of this Indenture (other than Section 4.01) shall be deemed to impair or affect any rights of Holders to receive payment of principal of or interest or Additional Amounts, if any, on the Notes.

Section 9.03. Supplemental Indenture. Every amendment or supplement to this Indenture or the Notes will be set forth in an amended or supplemental indenture.

Section 9.04. Revocation and Effect of Consents. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date on which the Trustee receives an Officer's Certificate from the Issuer certifying that the requisite number of consents have been received. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver. Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06. Trustee to Sign Amendments, etc. The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In executing any amended or supplemental indenture, the Trustee shall be provided with and (subject to Section 7.01) shall be fully protected in relying upon, in addition to the documents required by Section 13.04, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture. In signing any amendment, supplement or waiver, the Trustee shall be entitled to receive security and/or an indemnity and/or prefunding satisfactory to it.

Section 9.07. Payments for Consent. The Company shall not, and shall not permit any of its Restricted Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder for or as an inducement to any consent, waiver or amendment of any of the terms of the provisions of this Indenture or the Notes unless such consideration is offered to all Holders and is paid to all Holders that so consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement. Notwithstanding the foregoing, the Issuer, the Company and its Restricted Subsidiaries shall be permitted, in any offer or payment of consideration for, or as an inducement to, any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes, to exclude Holders in any jurisdiction where (i) the solicitation of such consent, waiver or amendment, including in connection with an exchange offer or an offer to purchase for cash, or (ii) the payment of the consideration therefor (A) would require the Issuer, the Company or any of its Restricted Subsidiaries to file a registration statement, prospectus or similar document under any applicable securities laws (including, but not limited to, the United States federal securities laws, the laws of the United Kingdom, and the laws of the European Union or its member states), which the Issuer and the Company in their sole discretion determine (acting in good faith) would be materially burdensome; or (B) would otherwise not be permitted under applicable law in such jurisdiction.

ARTICLE X

Satisfaction and Discharge

Section 10.01. Satisfaction and Discharge. This Indenture, and the rights of the Trustee and the Holders under the Security Documents, will be discharged and cease to be of further effect (except as to surviving rights of conversion or transfer or exchange of the Notes, as expressly provided for in this Indenture) as to all outstanding Notes when:

(a) either:

(1) all the Notes previously authenticated and delivered (other than certain lost, stolen or destroyed Notes and certain Notes for which provision for payment was previously made and thereafter the funds have been released to the Issuer) have been delivered to the Trustee for cancellation; or

(2) all Notes not previously delivered to the Trustee for cancellation (i) have become due and payable, (ii) will become due and payable at their Stated Maturity within one year or (iii) are to be called for redemption within one year under arrangements reasonably satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer;

(b) the Issuer has deposited or caused to be deposited with the Trustee (or such other entity designated by the Trustee for this purpose), cash in euro, European Government Obligations denominated in euro, or a combination of cash in euro and European Government

Obligations denominated in euro, in an amount sufficient to pay and discharge the entire indebtedness on the Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be;

(c) the Issuer has paid or caused to be paid all other sums payable under this Indenture; and

(d) the Issuer has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel each to the effect that all conditions precedent under this Section 10.01 relating to the satisfaction and discharge of this Indenture have been satisfied or complied with; provided that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with Sections 10.01(a), 10.01(b) and 10.01(c)).

If requested by the Issuer in writing no later than two Business Days prior to such distribution to the Trustee and Paying Agent (which request may be included in the applicable notice of redemption pursuant to the above referenced Officer's Certificate), the Trustee shall distribute any amount deposited to the Holders prior to the Stated Maturity or the redemption date, as the case may be; provided that the Notes shall be marked down on the date of early repayment and such early repayment will not occur prior to the record date set for redemption. For the avoidance of doubt, the distribution and payment to the Holders prior to the maturity or redemption date as set forth above shall not include any negative interest, present value adjustment, break cost or any additional premium on such amounts. To the extent the Notes are represented by a Global Note deposited with a depository for the clearing system, any payment to the beneficial holders holding interests as a participant of such clearing system shall be subject to the then applicable procedures of the clearing system.

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to Section 10.01(b), the provisions of Section 10.02 and Section 8.06 will survive. In addition, nothing in this Section 10.01 will be deemed to discharge those provisions of Section 7.07, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 10.02. Application of Trust Money. Subject to the provisions of Section 8.06, all money deposited with the Trustee (or the entity designated by the Trustee) pursuant to Section 10.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent as the Trustee may determine, to the Persons entitled thereto, of the principal and premium, if any, and interest for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or securities in accordance with Section 10.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 10.01; provided that if the Issuer has made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or European Government Obligations held by the Trustee or Paying Agent.

ARTICLE XI

Guarantees

Section 11.01. Guarantees.

(a) Each Guarantor hereby jointly and severally, irrevocably and unconditionally guarantees to each Holder and to the Trustee and its successors and assigns (1) the full and punctual payment when due, whether at Stated Maturity, by acceleration, by redemption or otherwise, of all obligations of the Issuer under this Indenture (including obligations to the Trustee) and the Notes, whether for payment of principal of, interest or premium, if any, on the Notes and all other monetary obligations of the Issuer under this Indenture and the Notes and (2) the full and punctual performance within applicable grace periods of all other obligations of the Issuer whether for fees, expenses, indemnification or otherwise under this Indenture and the Notes (all the foregoing being hereinafter collectively called the "Guaranteed Obligations"). Each Guarantor further agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice or further assent from each such Guarantor, and that each such Guarantor shall remain bound under this Article XI notwithstanding any extension or renewal of any Guaranteed Obligation.

(b) Each Guarantor waives presentation to, demand of payment from and protest to the Issuer of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations. The obligations of each Guarantor hereunder shall not be affected by (1) the failure of any Holder or the Trustee to assert any claim or demand or to enforce any right or remedy against the Issuer or any other Person under this Indenture, the Notes or any other agreement or otherwise; (2) any extension or renewal of any thereof; (3) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (4) the release of any security held by any Holder or the Trustee for the Guaranteed Obligations or any of them; (5) the failure of any Holder or Trustee to exercise any right or remedy against any other guarantor of the Guaranteed Obligations; or (6) any change in the ownership of such Guarantor, except as provided in Sections 11.02(b) and (c).

(c) Each Guarantor hereby waives any right to which it may be entitled to have its obligations hereunder divided among the Guarantors, such that such Guarantor's obligations would be less than the full amount claimed. Each Guarantor hereby waives any right to which it may be entitled to have the assets of the Issuer first be used and depleted as payment of the Issuer's or such Guarantor's obligations hereunder prior to any amounts being claimed from or paid by such Guarantor hereunder. Each Guarantor hereby waives any right to which it may be entitled to require that the Issuer be sued prior to an action being initiated against such Guarantor.

(d) Each Guarantor further agrees that its Note Guarantee herein constitutes a guarantee of payment, performance and compliance when due (and not a guarantee of collection) and waives any right to require that any resort be had by any Holder or the Trustee to any security held for payment of the Guaranteed Obligations.

(e) Except as expressly set forth in Sections 8.02, 11.02 and 11.08, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor herein shall not be discharged or impaired or

otherwise affected by the failure of any Holder or the Trustee to assert any claim or demand or to enforce any remedy under this Indenture, the Notes or any other agreement, by any waiver or modification of any thereof, by any default, failure or delay, willful or otherwise, in the performance of the obligations, or by any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of any Guarantor as a matter of law or equity.

(f) Except as expressly set forth in Sections 8.02, 11.02 and 11.08, each Guarantor agrees that its Note Guarantee shall remain in full force and effect until payment in full of all the Guaranteed Obligations. Each Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of or interest on any Guaranteed Obligation is rescinded or must otherwise be restored by any Holder or the Trustee upon the bankruptcy or reorganization of the Issuer or otherwise.

(g) In furtherance of the foregoing and not in limitation of any other right which any Holder or the Trustee has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Issuer to pay the principal of or interest on any Guaranteed Obligation when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, or to perform or comply with any other Guaranteed Obligation, each Guarantor hereby promises to and shall, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee an amount equal to the sum of (1) the unpaid principal amount of such Guaranteed Obligations, (2) accrued and unpaid interest on such Guaranteed Obligations (but only to the extent not prohibited by law) and (3) all other monetary obligations of the Issuer to the Holders and the Trustee.

(h) Each Guarantor further agrees that, as between it, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in Article VI for the purposes of any Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Guaranteed Obligations as provided in Article VI, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by such Guarantor for the purposes of this Section 11.01.

(i) Each Guarantor also agrees to pay any and all costs and expenses (including attorneys' fees and expenses) incurred by the Trustee in enforcing any rights under this Section 11.01.

(j) Upon request of the Trustee, each Guarantor shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 11.02. Limitation on Liability.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the maximum aggregate amount of the Guaranteed Obligations guaranteed hereunder by any Guarantor shall not exceed the maximum amount that can be hereby guaranteed by the applicable Guarantor without rendering the Note Guarantee, as it relates to such Guarantor, voidable under applicable law relating to *ultra vires*, fraudulent conveyance, fraudulent transfer, corporate benefit, financial assistance or similar laws affecting the rights of creditors generally or other considerations under applicable law.

(b) Luxembourg: Notwithstanding anything to the contrary in this Indenture or any other Debt Document (as defined in the Intercreditor Agreements), the aggregate obligations and liabilities of any Guarantor incorporated and existing under the laws of Luxembourg (a “Luxembourg Guarantor”) under this Article XI for the obligations of the Issuer or any other Guarantor which is not a direct or indirect subsidiary of such Luxembourg Guarantor shall, together with any similar guarantee and payment obligations (*garanties personnelles*) of such Luxembourg Guarantor arising under any other Debt Documents (as defined in the Intercreditor Agreements), be limited to an aggregate amount not exceeding the higher of:

(1) 95% of such Luxembourg Guarantor’s *capitaux propres* (as referred to in article 34 of the Luxembourg law dated 19 December 2002 on the commercial register and annual accounts, as amended) determined as at the date on which a demand is made under the Note Guarantee, increased by the amount of any Intra-Group Liabilities (without double counting); and

(2) 95% of such Luxembourg Guarantor’s *capitaux propres* (as referred to in article 34 of the Luxembourg law dated 19 December 2002 on the commercial register and annual accounts) determined as at the date of this Indenture, increased by the amount of any Intra-Group Liabilities (without double counting).

For the purposes of this Section 11.02(b), “Intra-Group Liabilities” shall mean any amounts owed by such Luxembourg Guarantor to the Company or any of its Subsidiaries that have not been financed (directly or indirectly) by a borrowing under the Debt Documents (as defined in the Intercreditor Agreements).

The limitation specified in this Section 11.02(b) shall not apply to (i) any amounts borrowed by such Luxembourg Guarantor under the Debt Documents (as defined in the Intercreditor Agreements) and (ii) any amounts borrowed under the Debt Documents (as defined in the Intercreditor Agreements) and on-lent to such Luxembourg Guarantor (in any form whatsoever).

(c) Ireland: Notwithstanding anything to the contrary in this Indenture, the obligations and liabilities of any Guarantor incorporated and existing under the laws of Ireland under this Article XI do not extend to any obligation or liability to the extent that it would result in this Article XI constituting:

- (1) unlawful financial assistance within the meaning of Section 82 of the Irish Companies Act 2014; or
- (2) a breach of Section 239 of the Irish Companies Act 2014.

Section 11.03. Successors and Assigns. This Article XI shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

Section 11.04. No Waiver. Neither a failure nor a delay on the part of either the Trustee or the Holders in exercising any right, power or privilege under this Article XI shall operate as a waiver thereof, nor shall a single or partial exercise thereof preclude any other or further exercise of any right, power or privilege. The rights, remedies and benefits of the

Trustee and the Holders herein expressly specified are cumulative and not exclusive of any other rights, remedies or benefits which either may have under this Article XI at law, in equity, by statute or otherwise.

Section 11.05. Modification. No modification, amendment or waiver of any provision of this Article XI, nor the consent to any departure by any Guarantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Trustee, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Guarantor in any case shall entitle such Guarantor to any other or further notice or demand in the same, similar or other circumstances.

Section 11.06. Execution of Supplemental Indenture for Future Guarantors. Each Restricted Subsidiary which is required to become a Subsidiary Guarantor pursuant to Section 4.16 shall promptly execute and deliver to the Trustee a supplemental indenture pursuant to which such Subsidiary shall become a Guarantor under this Article XI and shall guarantee the Guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Issuer shall deliver to the Trustee an Opinion of Counsel and an Officer's Certificate to the effect that such supplemental indenture has been duly authorized, executed and delivered by such Restricted Subsidiary and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Note Guarantee of such Guarantor is a legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms and or to such other matters as the Trustee may reasonably request.

Section 11.07. Non-Impairment. The failure to endorse a Note Guarantee on any Note shall not affect or impair the validity thereof.

Section 11.08. Release of Guarantees.

(a) Subject to the following paragraph and the terms of the Intercreditor Agreements, each Note Guarantee, once it becomes due, is a continuing guarantee and shall (i) remain in full force and effect until payment in full of all the Guaranteed Obligations, (ii) be binding upon each Guarantor and its successors and (iii) inure to the benefit of, and be enforceable by, the Trustee, the Holders and their successors, transferees and assigns.

(b) Each Note Guarantee by a Guarantor shall be automatically and unconditionally released and discharged, and each Guarantor and its obligations under the Note Guarantees and this Indenture and under the Security Documents, including the Intercreditor Agreements, with respect to the Note Guarantees shall be released and discharged:

(1) in the case of a Subsidiary Note Guarantee only, upon a sale or other disposition (including by way of consolidation or merger) of Capital Stock of the relevant Guarantor or of a Parent thereof, such that such Guarantor ceases to be a Restricted Subsidiary, or the sale or disposition of all or substantially all the assets of the relevant Guarantor (other than to the Company or a Restricted Subsidiary), in each case in a transaction otherwise permitted by this Indenture;

(2) in the case of a Subsidiary Note Guarantee only, upon the designation in accordance with this Indenture of the relevant Guarantor as an Unrestricted Subsidiary;

(3) upon defeasance or discharge of the Notes, as provided in Article VIII or Article X;

(4) in the case of a Subsidiary Note Guarantee only (other than a Subsidiary Note Guarantee issued on the Issue Date), to the extent that the relevant Guarantor is not an Immaterial Subsidiary solely due to the operation of clause (i) of the definition of “Immaterial Subsidiary”, upon the relevant release of the guarantee or discharge of Indebtedness referred to in such clause;

(5) upon full payment of all obligations of the Issuer and the Guarantors under this Indenture and the Notes;

(6) in connection with certain enforcement actions taken by the creditors under certain secured Indebtedness as provided under the Intercreditor Agreements; or

(7) as described under Article IX.

(c) Each Holder hereby authorizes the Trustee to take all actions, including the granting of releases or waivers under the Intercreditor Agreements, to effectuate any release in accordance with the provisions of this Section 11.08, subject to customary and reasonably satisfactory protections and indemnifications provided by the Company to the Trustee.

ARTICLE XII

Collateral, Security and Intercreditor Agreements

Section 12.01. The Collateral.

(a) Except as provided for in Section 4.18, the due and punctual payment of the principal of, premium, if any, and interest on the Notes and the Note Guarantees when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, interest on the overdue principal of and interest (to the extent lawful), if any, on the Notes and the Note Guarantees and performance of all other obligations under this Indenture, the Notes, the Note Guarantees and the Security Documents, shall be secured by Liens, subject to Permitted Liens, as provided in the Security Documents which the Company, the Issuer and the Guarantors, as the case may be, have entered into on or prior to the date hereof and shall be secured as provided by all Security Documents hereafter delivered as required or permitted by this Indenture and the Security Documents, including the Intercreditor Agreements.

(b) The Company and the Guarantors hereby agree that the Security Agent shall hold and administer the Collateral in trust for the benefit of all the Holders and the Trustee, in each case pursuant to the terms of the Security Documents, including the Intercreditor Agreements, and the Security Agent and the Trustee are hereby authorized to execute and deliver the Security Documents, including the Intercreditor Agreements and any other agreements, deeds or other documents in relation thereto, on behalf of all the Holders.

(c) Each Holder, by its acceptance of any Notes and the Note Guarantees, and the Trustee, by entering into this Indenture, consents and agrees to and accepts the terms of the Security Documents, including the Intercreditor Agreements, as the same may be in effect or as may be amended from time to time in accordance with their terms and irrevocably authorizes and directs the Security Agent to:

(1) perform the duties and exercise the rights, power and discretion that are specifically given to it under the Security Documents, including the

Intercreditor Agreements, together with any other incidental rights, power and discretions; and

(2) execute each Security Document, waiver, modification, amendment, renewal or replacement or any other document expressed to be executed by the Security Agent on its behalf.

(d) The Trustee and each Holder, by accepting the Notes and the Note Guarantees, acknowledges that, as more fully set forth in the Security Documents, including the Intercreditor Agreements, the Collateral as now or hereafter constituted shall be held for the benefit of all the Holders and the Trustee, and that the Lien of this Indenture and the Security Documents in respect of the Trustee and the Holders is subject to and qualified and limited in all respects by the Security Documents, including the Intercreditor Agreements, and actions that may be taken thereunder.

(e) Subject to the terms of this Indenture and the Security Documents, the Issuer and the Guarantors shall have the right to remain in possession and retain exclusive control of the Collateral securing the Notes, to freely operate the Collateral and to collect, invest and dispose of any income therefrom.

Section 12.02. Limitations on the Collateral. The Liens will be limited as necessary to recognize certain defenses generally available to providers of Liens (including those that relate to fraudulent conveyance or transfer, thin capitalization, voidable preference, financial assistance, corporate benefit, capital maintenance or similar laws, regulations or defenses affecting the rights of creditors generally) or other considerations under applicable law.

Section 12.03. Impairment of Security Interests. The Company shall not, and shall not permit any Restricted Subsidiary to, take or omit to take any action, which action or omission would have the result of materially impairing the security interest with respect to the Collateral (it being understood that the Incurrence of Permitted Collateral Liens shall under no circumstances be deemed to materially impair the security interest with respect to the Collateral) for the benefit of the Security Agent, the Trustee and the Holders, and the Company shall not, and shall not permit any Restricted Subsidiary to, grant to any Person other than the Security Agent, for the benefit of the Trustee and the Holders and the other beneficiaries described in the Security Documents, any interest whatsoever in any of the Collateral that is prohibited by Section 4.12; provided, that the Company and its Restricted Subsidiaries may Incur Permitted Collateral Liens and the Collateral may be discharged, transferred or released in accordance with this Indenture, the Intercreditor Agreements or the applicable Security Documents. Notwithstanding the above, nothing in this Section 12.03 shall restrict the discharge and release of any security interest in accordance with this Indenture and the Intercreditor Agreements. Subject to the foregoing, the Security Documents may be amended, extended, renewed, restated, supplemented or otherwise modified or released (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets) to (i) cure any ambiguity, omission, defect or inconsistency therein; (ii) provide for Permitted Collateral Liens; (iii) add to the Collateral; or (iv) make any other change thereto that does not adversely affect the Holders in any material respect; provided, however, that, except where permitted by this Indenture and the Intercreditor Agreements, no Security Document may be amended, extended, renewed, restated, supplemented or otherwise modified or released (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets), unless contemporaneously with such amendment, extension, renewal, restatement, supplement or modification or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets), the Company delivers to the Security Agent and the Trustee, either (1) a solvency opinion, in form and substance reasonably satisfactory to the Security Agent and the Trustee, from an independent financial advisor or appraiser or investment bank of international standing which confirms the

solvency of the Company and its Subsidiaries, taken as a whole, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets), (2) a certificate from the chief financial officer or the Board of Directors of the relevant Person which confirms the solvency of the person granting the security interest after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or release (followed by an immediate retaking of a Lien of at least equivalent ranking over the same assets), or (3) an Opinion of Counsel (subject to any qualifications customary for this type of Opinion of Counsel), in form and substance reasonably satisfactory to the Security Agent and the Trustee, confirming that, after giving effect to any transactions related to such amendment, extension, renewal, restatement, supplement, modification or release (followed by an immediate retaking of a lien of at least equivalent ranking over the same assets), the Lien or Liens created under the Security Document, so amended, extended, renewed, restated, supplemented, modified or released and retaken, are valid and perfected Liens not otherwise subject to any limitation, imperfection or new hardening period, in equity or at law, that such Lien or Liens were not otherwise subject to immediately prior to such amendment, extension, renewal, restatement, supplement, modification or release and retake and to which the new Indebtedness secured by the Permitted Collateral Lien is not subject. In the event that the Company and its Restricted Subsidiaries comply with the requirements of this Section 12.03, the Trustee and the Security Agent shall (subject to customary protections and indemnifications) consent to such amendments without the need for instructions from the Holders.

Section 12.04. Release of Liens on the Collateral. Subject to the terms of each of the Intercreditor Agreements, as applicable, or any Additional Intercreditor Agreements, the Security Agent shall release, and the Trustee shall release and if so requested direct the Security Agent to release, without the need for consent of the Holders, Liens on the Collateral securing the Notes:

(a) upon payment in full of principal, interest and all other obligations on the Notes issued under this Indenture or discharge or defeasance thereof;

(b) upon release of a Note Guarantee (with respect to the Liens securing such Note Guarantee granted by such Guarantor);

(c) in connection with any disposition of Collateral to any Person, other than the Company or any of its Restricted Subsidiaries, or to a Guarantor (other than CCM); provided that if the Collateral is disposed to such Guarantor, the relevant Collateral becomes immediately subject to a substantially equivalent Lien in favor of the Security Agent securing the Notes (but excluding any transaction subject to Section 5.01(a)); provided further, that, in each case, such disposition is permitted by this Indenture;

(d) if the Company designates any Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture, the release of the property, assets and Capital Stock of such Unrestricted Subsidiary;

(e) as provided under Section 12.03;

(f) in connection with certain enforcement actions taken by the creditors under certain of the Group's secured indebtedness as provided under the Intercreditor Agreements;

(g) in order to effectuate a merger, consolidation, conveyance or transfer conducted in compliance with Section 5.01(a); provided that following such merger,

consolidation, conveyance or transfer, a Lien of at least equivalent ranking over the same assets or property is granted in favor of the Security Agent (on its own behalf and on behalf of the Trustee for the Holders) to the extent such assets or property continue to exist as assets or property of the Company, the Successor Company or a Restricted Subsidiary or consist of Capital Stock of the Company or the Successor Company; and

(h) as described under Article IX.

Each of these releases shall be effected by the Security Agent without the consent of the Holders or any action on the part of the Trustee.

Section 12.05. Additional Intercreditor Agreement. At the request of the Issuer, in connection with the Incurrence or refinancing by the Company or its Restricted Subsidiaries of any Indebtedness secured or permitted to be secured on the Collateral, the Issuer, CCM, the Company, the relevant Restricted Subsidiaries, the Trustee and the Security Agent shall enter into an intercreditor or similar agreement or a restatement, amendment or other modification of the existing Intercreditor Agreements (an “Additional Intercreditor Agreement”) with the holders of such Indebtedness (or their duly authorized representatives) on substantially the same terms as the Intercreditor Agreements (or on terms that in the good faith judgment of the Issuer are not materially less favorable to the Holders), including containing substantially the same terms with respect to the application of the proceeds of the collateral held thereunder and the means of enforcement, it being understood that an increase in the amount of Indebtedness being subject to the terms of the Intercreditor Agreements or Additional Intercreditor Agreement shall not be deemed to be less favorable to the Holders and shall be permitted by this Section 12.05 if the incurrence of such Indebtedness and any Lien in its favor is permitted by Section 4.09 and Section 4.12; provided that such Additional Intercreditor Agreement shall not impose any personal obligations on the Trustee or Security Agent or, in the opinion of the Trustee or Security Agent, adversely affect the rights, duties, liabilities or immunities of the Trustee or Security Agent under this Indenture or the Intercreditor Agreements. As used herein, the term “Intercreditor Agreements” shall include references to any Additional Intercreditor Agreement that supplements or replaces the Cabot Intercreditor Agreement or the Marlin Intercreditor Agreement.

Section 12.06. Amendments to the Intercreditor Agreements. At the written direction of the Issuer and without the consent of the Holders, the Trustee or Security Agent shall from time to time enter into one or more amendments to any Intercreditor Agreements to: (i) cure any ambiguity, omission, defect or inconsistency of any such agreement, (ii) increase the amount or types of Indebtedness covered by any such agreement that may be Incurred by the Company or its Restricted Subsidiaries that is subject to any such agreement (provided that such Indebtedness is Incurred in compliance with this Indenture) (including, with respect to any Intercreditor Agreements or Additional Intercreditor Agreements, the addition of provisions relating to new Indebtedness ranking junior in right of payment to the Notes), (iii) add Restricted Subsidiaries to such Intercreditor Agreements, (iv) further secure the Notes (including Additional Notes incurred in compliance with this Indenture), (v) make provision for equal and ratable pledges of the Collateral to secure Additional Notes incurred in compliance with this Indenture or to implement any Permitted Collateral Liens or (vi) make any other change to any such agreement that does not adversely affect the Holders in any material respect. The Issuer shall not otherwise direct the Trustee or Security Agent to enter into any amendment to any Intercreditor Agreements without the consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding, except as otherwise permitted by Section 9.01 or as permitted by the terms of such Intercreditor Agreements, and the Issuer may only direct the Trustee or Security Agent to enter into any amendment to the extent such amendment does not impose any personal obligations on the Trustee or Security Agent or, in the opinion of the Trustee

or Security Agent, adversely affect the rights, duties, liabilities or immunities of the Trustee or Security Agent under this Indenture relating to the Notes or any Intercreditor Agreements.

Each Holder, by accepting a Note, shall be deemed to have agreed to and accepted: (i) the terms and conditions of any Intercreditor Agreements (whether then entered into or entered into in the future pursuant to the provisions described herein) and (ii) amendment to each of the Intercreditor Agreements to increase the amount specified in the Intercreditor Agreements for Priority Hedging from £10.0 million to £20.0 million, to have expressly deemed the Trustee authorised to enter into amendments relating to the order of priority or subordination of future junior indebtedness to the extent such amendments are specified in this Section 12.06, and to have authorized the Trustee or Security Agent to enter into any one or more amendments to any Intercreditor Agreements to effect the foregoing or as contemplated by this Section 12.06.

Section 12.07. Security Agent.

(a) The Security Documents and the Collateral will be administered by the Security Agent pursuant to the Intercreditor Agreements for the benefit of all holders of secured obligations.

(b) Any resignation or replacement of the Security Agent shall be made in accordance with the terms of the Intercreditor Agreements.

The Issuer, any Guarantor, the Trustee or the Security Agent, by notice to the others, may designate additional or different addresses for subsequent notices or communications.

All notices to the Holders shall be validly given if mailed to them at their respective addresses in the register of the Holders, if any, maintained by the Registrar. For so long as any Notes are represented by Global Notes, all notices to Holders will be delivered to Euroclear and Clearstream, delivery of which shall be deemed to satisfy the requirements of this paragraph, each of which will give such notices to the holders of Book-Entry Interests. In addition, for so long as any of the Notes are listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Euro MTF Market and the rules and regulations of the Luxembourg Stock Exchange so require, notices with respect to the Notes shall be published on the official website of the Luxembourg Stock Exchange or if, in the opinion of the Trustee such publication is not practicable, in an English language newspaper having general circulation in Europe.

Each such notice shall be deemed to have been given on the date of such publication or, if published more than once on different dates, on the first date on which publication is made; provided that, if notices are mailed, such notice shall be deemed to have been given on the later of such publication and the seventh day after being so mailed.

Any notice or communication mailed to a Holder shall be mailed to such Person by first class mail or other equivalent means and shall be sufficiently given to such Person if so mailed within the time prescribed. Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders.

If a notice or communication is mailed in the manner provided above, it is duly given, whether or not the addressee receives it.

If the Issuer mails a notice or communication to Holders, it shall mail a copy to the Trustee and each Agent at the same time.

Section 13.03. Communications.

(a) In no event shall the Agents or any other entity of Citigroup be liable for any Losses arising from the Agent or any other entity of Citigroup receiving or transmitting any data from the Issuer or the Company, any authorized Person or Officer or any party to the transaction via any non-secure method of transmission or communication, such as, but without limitation, by facsimile or email.

(b) The parties hereto accept that some methods of communication are not secure and the Trustee, the Agent or any other entity of Citigroup shall incur no liability for receiving instructions via any such non-secure method. The Agent or any other entity of Citigroup is authorized to comply with and rely upon any such notice, instructions or other communications believed by it to have been sent or given by an authorized Person or Officer or an appropriate party to the transaction (or authorized representative thereof). The Issuer, the Company or authorized officer of the Issuer or the Company shall use all reasonable endeavors to ensure that instructions transmitted to an Agent or any other entity of Citigroup pursuant to this Indenture are complete and correct. Any instructions shall be conclusively deemed to be valid instructions from the Issuer, the Company or authorized officer of the Issuer or the Company to such Agent or any other entity of Citigroup for the purposes of this Indenture.

Section 13.04. Certificate and Opinion as to Conditions Precedent. Upon any request or application by the Issuer to the Trustee to take any action under this Indenture, the Issuer shall furnish to the Trustee:

(a) an Officer's Certificate in form and substance satisfactory to the Trustee (which must include the statements set forth in Section 13.05) stating that, in the opinion of the signer, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been complied with; and

(b) an Opinion of Counsel in form and substance satisfactory to the Trustee (which must include the statements set forth in Section 13.05) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been complied with.

Section 13.05. Statements Required in Certificate or Opinion. Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture must include:

(a) a statement that the Person making such certificate or opinion has read such covenant or condition;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(c) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(d) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been complied with.

Section 13.06. Rules by Trustee and Agents. The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 13.07. No Personal Liability of Directors, Officers, Employees and Shareholders. No past, present or future director, officer, employee, incorporator or shareholder of the Issuer, the Company or any other Guarantor or any of their respective Subsidiaries or Affiliates, as such, shall have any liability for any obligations of the Issuer, the Company or the Guarantors under the Note Documents, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 13.08. Governing Law. THIS INDENTURE AND THE NOTES, INCLUDING THE NOTE GUARANTEES, AND THE RIGHTS AND DUTIES OF THE PARTIES HEREUNDER AND THEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. THE PROVISIONS OF ARTICLE 470-1 TO 470-19 OF THE LUXEMBOURG LAW DATED AUGUST 10, 1915 ON COMMERCIAL COMPANIES, AS AMENDED, SHALL NOT APPLY TO THIS INDENTURE AND THE NOTES.

Section 13.09. No Adverse Interpretation of Other Agreements. This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 13.10. Successors. All agreements of the Issuer in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors.

Section 13.11. Severability. In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 13.12. Counterpart Originals. The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement.

Section 13.13. Table of Contents, Headings, etc. The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Section 13.14. Submission to Jurisdiction; Appointment of Agent. The Issuer and each Guarantor irrevocably submit to the non-exclusive jurisdiction of any New York state or U.S. federal court located in the Borough of Manhattan in the City and State of New York over any suit, action or proceeding arising out of or relating to this Indenture. The Issuer and each Guarantor irrevocably waive, to the fullest extent permitted by law, any objection which they may have, pursuant to New York law or otherwise, to the laying of the venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in any inconvenient forum. In furtherance

of the foregoing, each of the Issuer and each Guarantor hereby irrevocably designates and appoints Corporation Service Company (at its office at 1180 Avenue of the Americas, Suite 210, New York, New York 10036-8401) as its agent to receive service of all process brought against them with respect to any such suit, action or proceeding in any such court in the City and State of New York, such service being hereby acknowledged by it to be effective and binding service in every respect. Copies of any such process so served shall also be given to the Issuer in accordance with Section 13.02, but the failure of the Issuer to receive such copies shall not affect in any way the service of such process as aforesaid.

Section 13.15. Prescription. Claims against the Issuer or any Guarantor for the payment of principal, or premium, if any, on the Notes or any Note Guarantee will be prescribed ten years after the applicable due date for payment thereof. Claims against the Issuer or any Guarantor for the payment of interest on the Notes will be prescribed five years after the applicable due date for payment of interest.

Nothing in this Section shall limit the right of the Trustee or any Holder to bring proceedings against the Issuer in the courts of any other jurisdiction or to serve process in any other manner permitted by law.

Section 13.16. Tax Matters. Any payment by a Paying Agent under this Indenture shall be made without any deduction or withholding for or on account of any Taxes unless such deduction or withholding is required by any applicable law, regulation or regulatory agreement. Without prejudice to Section 2.13, if Taxes are paid by a Paying Agent or any of its affiliates, the Payor shall promptly reimburse the Paying Agent for such payment to the extent not covered by withholding from any payment. If a Paying Agent is required to make a deduction or withholding referred to above, it will not be required to pay an additional amount in respect of that deduction or withholding to the Payor.

Each Payor undertakes to the Paying Agent to (i) provide the Paying Agent all documentation and other information required by that Paying Agent from time to time to comply with any applicable law, regulation or regulatory agreement forthwith upon request by the Paying Agent and (ii) notify the Paying Agent in writing within 30 days of any change that affects the Payor's tax status pursuant to any applicable law, regulation or regulatory agreement.

The Issuer acknowledges that it is its sole responsibility to determine whether a deduction or withholding is or will be required from any payment to be made in respect of the Notes or otherwise in connection with this Indenture and to procure that such deduction or withholding is made in a timely manner to the appropriate authorities. The Issuer shall notify each Paying Agent promptly upon determining or becoming aware of any requirement to make a deduction or withholding from any payment to be made in respect of the Notes or otherwise in connection with this Indenture. The Issuer shall provide such Paying Agent with all information required for such Paying Agent to be able to make any such payment.

[Form of Reverse of Note]

Senior Secured Floating Rate Notes due 2024

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) Interest. Cabot Financial (Luxembourg) II S.A., a *société anonyme* incorporated under the laws of Luxembourg with registered office at 6, rue Gabriel Lippmann, L-5365 Munsbach, Luxembourg, registered with the register of commerce and companies of Luxembourg under the number B 201.268 (the “Issuer”), promises to pay interest at a rate per annum (the “Applicable Rate”), reset quarterly, equal to the sum of (i) three-month EURIBOR (subject to a 0% floor) plus (ii) 6.375% (the “Margin”), as determined by and agent appointed by the Issuer to calculate EURIBOR for the purposes of the Indenture (the “Calculation Agent”). The Notes will pay interest, in cash, quarterly in arrears on January 15, April 15, July 15 and October 15 of each year, or if any such date is not a Business Day, on the next succeeding Business Day (each an “Interest Payment Date”). Interest on the Notes will accrue from the date of original issuance or, if interest has already been paid, from the Interest Payment Date for which interest was most recently paid; provided that the first Interest Payment Date shall be July 15, 2019. The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, and on overdue installments of interest, if any (without regard to any applicable grace periods), from time to time on demand at the same rate to the extent lawful. Interest will be computed on the basis of a 360-day year and the actual number of days elapsed.

The Calculation Agent shall, as soon as practicable after 11:00 a.m. (Brussels time) on each Determination Date, determine the Applicable Rate and calculate the aggregate amount of interest payable in respect of the following Interest Period (the “Interest Amount”). The Interest Amount shall be calculated by applying the Applicable Rate to the principal amount of each Note outstanding at the commencement of the Interest Period, multiplying each such amount by the actual amounts of days in the Interest Period concerned divided by 360. All percentages resulting from any of the above calculations shall be rounded, if necessary, to the nearest one hundred thousandth of a percentage point, with five one-millionths of a percentage point being rounded upwards (e.g., 4.876545% (or .04876545) being rounded to 4.87655% (or .0487655)). All euro amounts used in or resulting from such calculations shall be rounded to the nearest euro cent (with one-half euro cent being rounded upwards). The determination of the Applicable Rate and the Interest Amount by the Calculation Agent shall, in the absence of willful default or gross negligence, be final and binding on all parties. In no event will the rate of interest on the Notes be higher than the maximum rate permitted by applicable law, provided, however, that the Calculation Agent shall not be responsible for determining nor verifying that the rate of interest on the Notes is higher than the maximum rate permitted under any applicable law.

(2) Method of Payment. The Issuer shall pay interest on the Notes to the Persons who are registered Holders at the close of business on the January 1, April 1, July 1 or October 1 immediately preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, and interest at the office or agency of the Issuer maintained for such purpose as provided in the Indenture or, at the option of the Issuer, payment of interest may be made by check mailed or by bank transfer to the Holders at their addresses set forth in the register of Holders; provided that payment by wire transfer of immediately available funds will be required

with respect to principal of and interest and premium, if any, on all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuer or the Paying Agent. Such payment will be in such coin or currency of the European Union as at the time of payment is legal tender for payment of public and private debts. If the due date for any payment in respect of any Note is not a Business Day at the place at which such payment is due to be paid, the Holder thereof will not be entitled to payment of the amount due until the next succeeding Business Day at such place, and will not be entitled to any further interest or other payment as a result of any such delay.

(3) Paying Agent, Calculation Agent and Registrar. Initially, Citibank, N.A., London Branch will act as Principal Paying Agent and Calculation Agent and Citigroup Global Markets Europe AG will act as Registrar. The Issuer may change any Paying Agent, Calculation Agent or Registrar without notice to any Holder. The Issuer or any of its Subsidiaries may act as Paying Agent, Calculation Agent or Registrar.

(4) Indenture. The Issuer issued the Notes under an Indenture, dated as of June 14, 2019 (the “Indenture”), among the Issuer, the Guarantors parties thereto, the Security Agent and the Trustee. The terms of the Notes include those stated in the Indenture. The Notes include all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are senior secured obligations of the Issuer.

(5) Optional Redemption. At any time and from time to time on or after June 14, 2020, the Issuer may redeem the Notes, in whole or in part, at its option, upon not less than 10 nor more than 60 days’ prior notice to the Holders, at a redemption price equal to the applicable percentage of principal amount set forth below plus accrued and unpaid interest and Additional Amounts, if any, to the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), if redeemed during the twelve-month period beginning on June 14 of the years indicated below:

<u>Year</u>	<u>Redemption Price</u>
2020	101.000%
2021 and thereafter	100.000%

At any time and from time to time prior to June 14, 2020 the Issuer may redeem Notes with the Net Cash Proceeds received by the Company from any Equity Offering occurring after the Issue Date, upon not less than 10 nor more than 60 days’ prior notice to the Holders at a redemption price equal to 106.375% plus accrued and unpaid interest and Additional Amounts, if any, to the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date), in an aggregate principal amount for all such redemptions not to exceed 40% of the original aggregate principal amount of the Notes (including the principal amount of any Additional Notes); provided that:

(a) in each case the redemption takes place not later than 120 days after the closing of the related Equity Offering, and

(b) not less than 60% of the original aggregate principal amount of the Notes (including the principal amount of any Additional Notes) remains outstanding immediately thereafter.

At any time and from time to time prior to June 14, 2020, the Issuer may redeem the Notes in whole or in part, at its option, upon not less than 10 nor more than 60 days' prior notice to the Holders at a redemption price equal to 100% of the principal amount of such Notes plus the relevant Applicable Premium as of, and accrued and unpaid interest and Additional Amounts, if any, to, the applicable redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

In connection with any tender offer for the Notes (including any Change of Control Offer or Asset Disposition Offer), if Holders of not less than 90% in aggregate principal amount of outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuer, or any third party making such a tender offer in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right upon not less than 10 nor more than 60 days' prior notice to the Holders of such Notes, such notice given not more than 30 days following such purchase date, to redeem all (but not part) of the applicable Notes that remain outstanding following such purchase at a price equal to the price offered to each of the Holders of the Notes in such tender offer (excluding any early tender or incentive fee), plus, to the extent not included in the tender offer payment, accrued and unpaid interest and Additional Amounts, if any, thereon, to, but not including, the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date).

(6) Redemption for Taxation Reasons. The Issuer or a Successor Company may redeem the Notes in whole, but not in part, at any time upon giving not less than 10 nor more than 60 days' notice to the Holders (which notice will be irrevocable) at a redemption price equal to 100% of the outstanding principal amount thereof, together with accrued and unpaid interest, if any, to, but excluding, the date fixed for redemption (a "Tax Redemption Date") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date) and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if as a result of:

(a) any change in, or amendment to, the law (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(b) any change in, or amendment to, the application, administration or interpretation of such laws, regulations or rulings (including pursuant to a holding, judgment or order by a court of competent jurisdiction) of a Relevant Taxing Jurisdiction (each of the foregoing in clauses (1) and (2), a "Change in Tax Law"),

the Issuer, Successor Company or any Guarantor are, or on the next interest payment date in respect of the Notes would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to the Issuer, Successor Company or such Guarantor (including, for the avoidance of doubt, the appointment of a new Paying Agent where this would be reasonable and, in the case of a payment by a Guarantor, having the Issuer or another Guarantor make the payment, but not including assignment of the obligation to make payment with respect to the Notes). In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that is a Relevant Taxing Jurisdiction at the date of the Offering Memorandum, such Change in Tax Law must become effective on or after the date of the Offering Memorandum. In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that becomes a Relevant Taxing Jurisdiction after the date of the Offering Memorandum, such Change in Tax Law must become effective on or after the date the jurisdiction becomes a Relevant Taxing Jurisdiction. Notice of redemption for taxation reasons shall be published in accordance with Section 3.03 of the Indenture. Notwithstanding the foregoing, no such notice of redemption shall be given (a) earlier than 90 days prior to the

earliest date on which the Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional Amounts remains in effect. Prior to the publication or mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuer or Successor Company shall deliver to the Trustee (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and that it would not be able to avoid the obligation to pay Additional Amounts by taking reasonable measures available to it and (b) an opinion of an independent tax counsel of recognized standing to the effect that the Issuer, Successor Company or Guarantor has or have been or shall become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee shall accept such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further inquiry, in which event it will be conclusive and binding on the Holders.

(7) Mandatory Redemption. The Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

(8) Repurchase at Option of Holder. (a) Upon the occurrence of a Change of Control, unless the Issuer has unconditionally exercised its right to redeem all the Notes pursuant to Section 3.07 of the Indenture or all conditions to such redemption have been satisfied or waived, each Holder shall have the right to require the Issuer to purchase all or part (equal to €100,000 or an integral multiple of €1,000 in excess thereof) of such Holder's Notes at a purchase price in cash equal to 101% of the principal amount thereof, plus accrued and unpaid interest thereon, if any, to the date of purchase (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date). No later than 60 days following any Change of Control, the Issuer shall mail a notice to each Holder setting forth the procedures governing the Change of Control Offer as set forth in the Indenture.

(b) In the event of an Asset Disposition that requires the purchase of Notes pursuant to Section 4.10 of the Indenture, the Issuer shall be required to make an Asset Disposition Offer pursuant to Sections 3.09 and 4.10(b) of the Indenture to all Holders and, to the extent the Issuer or another Restricted Subsidiary elects, to all Holders of other outstanding Pari Passu Indebtedness, to purchase the maximum principal amount of Notes and any such Pari Passu Indebtedness to which the Asset Disposition Offer applies that may be purchased out of the Excess Proceeds at an offer price in respect of the Notes in an amount equal to (and, in the case of any Pari Passu Indebtedness, an offer price of no more than) 100% of the principal amount thereof plus accrued and unpaid interest thereon, if any, to, but not including, the date of purchase, in accordance with Section 3.09 of the Indenture or the agreements governing the Pari Passu Indebtedness, as applicable, and in minimum denominations of €100,000 and in integral multiples of €1,000 in excess thereof.

AGREED SECURITY PRINCIPLES

1. SECURITY PRINCIPLES

(a) The Note Guarantees and security to be provided pursuant to this Indenture will be given in accordance with the security principles set out herein (the “Agreed Security Principles”).

(b) The Agreed Security Principles embody recognition by all parties that there may be certain legal and practical difficulties in obtaining security and Note Guarantees from all proposed grantors of security and Note Guarantees (the “Grantors”) in every jurisdiction in which the Grantors are incorporated. In particular:

- (i) general statutory limitations, capital maintenance, financial assistance, corporate benefit, fraudulent preference, “thin capitalization” rules, retention of title claims and similar principles may limit the ability of a Grantor to provide Note Guarantees or security or may require that the Note Guarantee or security be limited by an amount or otherwise. The Company shall use reasonable endeavors to assist in demonstrating that adequate corporate benefit accrues to each Grantor. Limitation language will be included in respect of all Note Guarantees and Security Documents limiting the liability under the Note Guarantees and the enforceability of the security as required or customary under applicable law;
- (ii) the Liens and extent of their perfection will be agreed taking into account the cost to the Company and its Restricted Subsidiaries of providing security so as to ensure that it is proportionate to the benefit accruing to the Secured Parties (as defined in the applicable Intercreditor Agreement);
- (iii) any assets subject to third party arrangements which are not prohibited by the Debt Documents (as defined in the applicable Intercreditor Agreement) and which prevent those assets from being granted as security will be excluded in any relevant Security Document provided that reasonable endeavors to obtain consent to grant security interests over any such assets shall be used by the relevant Grantor if the relevant asset is material, and provided further that when making an acquisition of Capital Stock or other ownership interests in a company representing more than 50.1% but less than 100% of the issued Capital Stock or other ownership interests of such company (or of a business or undertaking carried on as a going concern) such that following the acquisition the entity would constitute a Restricted Subsidiary that is not an Immaterial Subsidiary, neither the Company nor any of its Restricted Subsidiaries shall enter into any agreement or undertaking at the time of such acquisition with a minority shareholder that prevents such entities from providing guarantees as contemplated in Section 4.16;
- (iv) Grantors shall not be required to give Note Guarantees or enter into Security Documents to the extent that it would conflict with the fiduciary duties of their directors or officers or contravene any legal or regulatory prohibition or result in a risk of personal or criminal liability on the part of any director or officer;

- (v) perfection of Liens, when required pursuant to these Agreed Security Principles, and other legal formalities will be completed as soon as practicable and, in any event, within the time periods specified in the Security Documents or (if earlier or to the extent no such time periods are specified in the Security Documents) within the time periods specified by applicable law in order to ensure due perfection. The perfection of Liens granted will not be required if it would have an unreasonable adverse effect on the ability of the relevant Grantor to conduct its operations and business in the ordinary course as to the extent not otherwise prohibited by the Debt Documents. The registration of security interests in intellectual property will (at all times subject to paragraph (iii) above and (c) below) only be in respect of material intellectual property in jurisdictions to be agreed;
- (vi) the maximum Guaranteed or secured amount may be limited to minimize stamp duty, notarization, registration or other applicable fees, taxes and duties as well as the tax cost to the Company and its Restricted Subsidiaries where the benefit of increasing the granted or secured amount is disproportionate to the level of such fee, taxes and duties or tax cost to the Company and its Restricted Subsidiaries;
- (vii) no perfection action will be required in jurisdictions where Grantors are not incorporated;
- (viii) where a class of assets to be secured includes material and immaterial assets, if the cost of granting Liens over the immaterial assets is disproportionate to the benefit of such Liens, Liens will be granted over the material assets only;
- (ix) unless granted under a global Security Document governed by the law of the jurisdiction of the Issuer or a Guarantor or under English law or as otherwise required by applicable law, all Security Documents (other than share security over subsidiaries of the relevant Grantor and other assets of the relevant Grantor incorporated or located in jurisdictions other than the jurisdiction of incorporation of the Grantor) shall be governed by the law of the jurisdiction of incorporation of that Grantor;
- (x) the Security Agent shall hold one set of security for the Secured Parties under each Intercreditor Agreement; and
- (xi) the Company shall be responsible for costs and expenses reasonably incurred by the Secured Parties and the Company and its Restricted Subsidiaries (including reasonable legal expenses, disbursements, registration costs and all taxes, duties and fees (notarial or otherwise)) in respect of Note Guarantees and security.

(c) The Security Agent or the Secured Parties, as the case may be, shall promptly discharge any Note Guarantees and release any Liens which are subject to any legal or regulatory prohibition as is referred to in paragraph (b)(iv) above.

2. GRANTORS AND SECURITY

(a) Each Note Guarantee will be an upstream, cross-stream and downstream Guarantee and each Note Guarantee and security will be for all liabilities of the Issuer and each

Guarantor (other than CCM) and any Grantors (other than CCM) under the Debt Documents in accordance with, and subject to the requirements of the Agreed Security Principles in each relevant jurisdiction.

(b) To the extent possible, all security shall be given in favor of the Security Agent in respect of the applicable Intercreditor Agreement and not the Secured Parties individually. "Parallel debt" provisions will be used where necessary; such provisions will be contained in the Intercreditor Agreements or the relevant transaction document and not the individual Security Documents unless required under local laws.

3. TERMS OF SECURITY DOCUMENTS

The following principles will be reflected in the terms of any security taken for the benefit of the Holders of the Notes under this Indenture:

(a) the security will be first ranking, to the extent possible;

(b) security will not be enforceable unless an event of default (howsoever described) has occurred and notice of acceleration has been given pursuant to Section 6.02 under this Indenture or any equivalent provision of any other Primary Finance Documents (as defined in the applicable Intercreditor Agreement) (a "Notes Relevant Acceleration Event");

(c) the Security Agent will be entitled, where the relevant Grantor fails to fulfill its obligations under a Security Document (after the expiry of any applicable grace period), to perfect the Liens, where such perfection is contemplated under these principles and the Security Document;

(d) the Security Documents shall only operate to create Liens rather than to impose new commercial obligations. Accordingly, they shall not contain additional representations or undertakings (such as in respect of title, validity, insurance, maintenance of assets, information or the payment of costs) unless the same are required for the creation or perfection of the Liens or the assets subject to the Liens and shall not operate so as to prevent transactions which are otherwise permitted under the Debt Documents or to require additional consents, authorizations or notifications;

(e) prior to an Event of Default that has occurred and is continuing (or in the case of Clauses 4 (Bank Accounts), 6 (Insurance Policies), 7 (Intellectual Property) and 9 (Trade Receivables) only, prior to a Notes Relevant Acceleration Event, the provisions of each Security Document will not be unduly burdensome on the Grantor or interfere unreasonably with the operation of its business;

(f) the Security Agent shall only be able to exercise a power of attorney following an Event of Default that has occurred and is continuing (or in the case of Clauses 4 (*Bank Accounts*), 6 (*Insurance Policies*), 7 (*Intellectual Property*) and 9 (*Trade Receivables*) only, after a Notes Relevant Acceleration Event) or if the relevant Grantor has failed to comply with a further assurance or perfection obligation (after the expiry of any applicable grace period);

(g) Security Documents, will where possible and practical, automatically create Liens over future assets of the same type as those already secured;

(h) Information, such as lists of assets, will be provided if, in the opinion of counsel to the Trustee or Security Agent, these are required by local law to be provided to perfect or register the security or to ensure the security can be enforced and, unless required to be provided by local law more frequently, in that case be provided annually or, following an Event

of Default which is continuing, on the Security Agent's reasonable request provided that no such regular information is required to be provided in respect of assets located in the United Kingdom.

4. BANK ACCOUNTS

(a) If a Grantor grants Liens over its bank accounts it shall be free to deal with those accounts in the ordinary course of its business until a Notes Relevant Acceleration Event (or until a later event has occurred as agreed upon in the relevant Security Document).

(b) In relation to any bank accounts opened prior to the Issue Date, notice of the Liens will be served on the account bank after a Notes Relevant Acceleration Event, if so requested by the Security Agent. There will be no restriction on the closure of any bank accounts which are no longer required by the Company and its Restricted Subsidiaries.

(c) In relation to any bank accounts opened after the Issue Date, notice of the Liens will be served on the account bank promptly after such bank account is opened and the Grantor shall use reasonable endeavors to obtain an acknowledgement by such account bank, if so requested by the Security Agent.

(d) Any Liens over bank accounts may be subject to any prior security interests in favor of the account bank which are created either by law or in the standard terms and conditions of the account bank.

(e) No Liens shall be granted over monies standing to the credit of a bank account where such money is held on trust for third parties.

5. FIXED ASSETS

(a) If a Grantor grants Liens over its fixed assets it shall be free to deal with those assets in the course of its business until an Event of Default has occurred and is continuing.

(b) No notice whether to third parties or by attaching a notice to the fixed assets shall be prepared or given until an Event of Default has occurred and is continuing.

(c) If required under local law Liens over fixed assets will be registered subject to the general principles set out in these Agreed Security Principles.

6. INSURANCE POLICIES

(a) Subject to these Agreed Security Principles, each Grantor shall grant Liens over its insurance policies (other than third party liability and public liability insurance) in relation to assets that are also subject to Liens. No Liens will be granted over any insurance policies which cannot be secured under local law or under the terms of the relevant policy. Insurance claims will be collected by the Grantor in the ordinary course of business until a Notes Relevant Acceleration Event.

(b) Notice of the Liens will be served on the insurance provider after a Notes Relevant Acceleration Event, if so requested by the Security Agent.

7. INTELLECTUAL PROPERTY

(a) If a Grantor grants Liens over its intellectual property it shall be free to deal with those assets in the course of its business (including, without limitation, allowing its

intellectual property to lapse if no longer material to its business and if permitted by this Indenture) until a Notes Relevant Acceleration Event.

(b) No Liens shall be granted over any intellectual property which cannot be secured under the terms of the relevant licensing agreement. No notice shall be prepared or given to any third party from whom intellectual property is licensed until a Notes Relevant Acceleration Event.

(c) If required under local law, security over intellectual property will be registered under the law of that security document or at a relevant supra-national registry (such as the EU) subject to the general principles set out in these Agreed Security Principles.

8. INTERCOMPANY RECEIVABLES

(a) If a Grantor grants Liens over its intercompany receivables from time to time it shall be free to deal with those receivables in the course of its business (subject to the Debt Documents) until an Event of Default has occurred and is continuing.

(b) Notice of the Liens will be served on the intercompany debtor after a Notes Relevant Acceleration Event, if so requested by the Security Agent.

9. TRADE RECEIVABLES

(a) If a Grantor grants Liens over its trade receivables it shall be free to deal with those receivables in the course of its business until a Notes Relevant Acceleration Event.

(b) No notice of Liens shall be served on a debtor until a Notes Relevant Acceleration Event, including for the avoidance of doubt, upon the underlying debtors in Right to Collect Accounts and all sub-performing or charged-off consumer accounts, installment loans or other similar accounts or portfolios thereof.

(c) No Liens will be granted over any trade receivables which cannot be secured or assigned under the terms of the relevant contract.

(d) Nothing contained in the relevant Security Documents shall cause the Grantor to violate any applicable data protection laws.

10. SHARES / PARTNERSHIP INTEREST

(a) The Security Document will be governed by the laws of the person whose shares or partnership interests are being secured and not by the law of the country of the person granting the Liens.

(b) Until an Event of Default has occurred and is continuing, the Grantor will be permitted to retain and to exercise voting rights to any shares or partnership interests pledged by it in a manner which does not materially adversely affect the validity or enforceability of the Liens and the company whose shares or partnership interests have been pledged will, subject to the terms of the Debt Documents, as applicable, be permitted to pay dividends (with the proceeds to be available to the recipient).

(c) Where customary, on or as soon as reasonably practicable after the date of execution of the share pledge (and in any event within the time periods specified in the Security Documents), the share certificate and a stock transfer form executed in blank will be provided to the Security Agent (as applicable).

(d) Unless the restriction is required by law, the constitutional documents of the company whose shares or partnership interests have been pledged will be amended to remove any restriction on the transfer or the registration of the transfer of the shares on enforcement of the Liens granted over them.

11. REAL ESTATE

(a) There will be no Liens granted over real estate other than in relation to any real estate acquired by the Issuer and Guarantors following the date of this Indenture subject to these Agreed Security Principles.

(b) Subject to these Agreed Security Principles, each Grantor shall use its reasonable endeavors to obtain any consent required to grant Liens over its real estate but will be under no obligation to obtain such consent if the granting of the Liens would contravene any legal prohibition.

(c) In respect of any real estate security to be granted, there will be no obligation to investigate title, register mortgages with land registries, provide surveys or other insurance or environmental diligence.

12. RELEASE OF SECURITY

Other than release of the Liens upon final payment in full of all the obligations secured by the Liens (and no Secured Party having any actual or contingent liability to advance further monies to, or incur liabilities on behalf of, any Debtor (as defined in the applicable Intercreditor Agreement) under the Primary Finance Documents), no circumstances in which the Liens shall be released should be dealt with in individual Security Documents unless required by local law. If so required, such circumstances shall, except to the extent required by local law, be the same as those set out in the Intercreditor Agreements and/or this Indenture.
