PROXY STATEMENT

This Proxy Statement relates to the 2001 Annual Meeting of Stockholders to be held on January 24, 2002 at 4:00 p.m. local time, at the offices of BDO Seidman, LLP, 350 Madison Avenue, New York, New York 10017-5001, or at such other time and place to which the annual meeting may be adjourned or postponed. **The enclosed proxy is solicited by the Board of Directors of the Company.** The proxy materials relating to the annual meeting are first being mailed to stockholders entitled to vote at the meeting on or about December 13, 2001.

ABOUT THE MEETING

What is the purpose of the annual meeting?

At the Company's annual meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, including the election of six directors and the change of the Company's name. In addition, the Company's management will report on the progress of the Company during 2001 and respond to questions from stockholders.

Who is entitled to vote?

Only stockholders of record at the close of business on the record date, November 30, 2001, are entitled to receive notice of the annual meeting and to vote the shares that they held on that date at the meeting, or any postponement or adjournment of the meeting. At the close of business on November 30, 2001, there were 7,161,131 outstanding shares outstanding of the Company's common stock, which are entitled to cast 7,161,131 votes.

Who can attend the meeting?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares on the record date will constitute a quorum, permitting the Company to

[Table of Contents](#)

conduct its business at the annual meeting. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the meeting.

How do I vote?

You can vote on matters to come before the meeting in two ways:

1. You can attend the meeting and cast your vote in person; or
2. You can vote by completing, dating and signing the enclosed proxy card and returning it to the Company. If you do so, you will authorize the individuals named on the proxy card, referred to as the proxyholders, to vote your shares according to your instructions or, if you provide no instructions, according to the recommendations of the Board of Directors.

What if I vote and then change my mind?

You may revoke your proxy at any time before it is exercised by:

- filing with the Secretary of the Company a notice of revocation; or
- sending in another duly executed proxy bearing a later date; or
- attending the meeting and casting your vote in person.

Your last vote will be the vote that is counted.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendations are set forth together with a description of such item in this proxy statement. In summary, the Board recommends a vote for election of the nominated slate of directors and a vote for the change of the Company's name.

With respect to any other matter that properly comes before the meeting, the proxyholders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

What vote is required to approve each item?

Election of Directors. The nominees who receive the most votes will be elected to the Board of Directors. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum.

Other Items. For each other item the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item will be required for

Table of Contents

approval. A properly executed proxy marked “ABSTAIN” with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum. Accordingly, an abstention will have the effect of a negative vote.

Effect of Broker Non-Votes. If you hold your shares in “street name” through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such “broker non-votes” will, however, be counted in determining whether there is a quorum.

Can I dissent or exercise rights of appraisal?

Under Delaware law, holders of our voting stock are not entitled to dissent from any of the proposals to be presented at the annual meeting or to demand appraisal of their shares as a result of the approval of any of the proposals.

How much did this proxy solicitation cost?

We will bear the cost of solicitation of proxies. This includes the charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of our outstanding common stock. We may solicit proxies by mail, personal interview, telephone or telegraph.

Election of Directors (Proposal No. 1)

General

A board of six (6) directors is to be elected at the annual meeting. It is expected that a majority of the Common Stock will be voted in favor of the six (6) nominees named below, all six (6) of whom are presently directors of the Company. In the event that any management nominee is unable or declines to serve as a director, an alternate nominee shall be designated by the present Board of Directors to fill the vacancy. The Company is not aware of any nominee who will be unable or will decline to serve as a director. The term of office for each person elected as a director will continue until the next annual meeting or until his or her successor has been elected and qualified.

Vote Required

If a quorum is present and voting, the **six (6)** nominees receiving the highest number of votes will be elected to the Board of Directors.

The Board of Directors recommends a vote FOR election of each of the director nominees.

**REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE
COMPENSATION**

The Company's executive compensation program is administered by the Compensation Committee of the Board. The members of the Compensation Committee are not employees of the Company. The Compensation Committee determines the compensation of the Company's executive officers and administers the Company's stock option plans.

EXECUTIVE COMPENSATION POLICIES

Overview. Incentive compensation arrangements are the cornerstone of the Compensation Committee's executive compensation policies. These incentive compensation arrangements reward those executive officers that achieve individual and Company objectives that increase stockholder value.

The Company's executive compensation package consists of three components: base salary and related benefits; annual cash bonus incentives; and stock-based compensation incentives. The Compensation Committee reviews each of these components and develops an incentive compensation package for each of the Company's executive officers based, in part, upon the recommendations of senior management and, in part, upon the Compensation Committee's assessment of each executive officer's contribution to the Company. In addition, from time to time, the Compensation Committee may review competitive information. The Compensation Committee strives to develop individual compensation packages for the Company's executive officers that will encourage superior individual and Company-wide performance, serve to retain those executive officers that perform well, and lead to increased stockholder value. Each component of the Company's executive compensation package is discussed below.

Base Salary and Benefits. Each executive officer receives a base salary and benefits based on his or her responsibilities and experience. The Compensation Committee reviews each executive officer's base salary and benefits from time to time.

Annual Incentive Bonus. When appropriate the Company may pay discretionary bonuses to certain executives. Bonuses paid to the Named Executive Officers for the year ended December 31, 2000 are shown in the Executive Compensation Summary above.

Stock-Based Compensation Incentives. The third component of the Company's executive compensation package is stock-based compensation incentives, traditionally non-qualified stock options. This compensation component is an important incentive tool designed to more closely align the interests of the executive officers of the Company with the long-term interests of the Company's stockholders and to encourage its executive officers to remain with the Company.

[Table of Contents](#)

The Compensation Committee considers grants of options to the Company's executive officers and key employees on an annual basis. In selecting recipients and the size of option grants during 2000, the Compensation Committee considered the other components of the recipients' compensation packages, the recipients' responsibilities and performance, the Company's performance during the preceding fiscal year, the exercise price of the options to be awarded and prior option grants.

COMPENSATION OF CHIEF EXECUTIVE OFFICER

On May 22, 2000, Carl C. Gregory, III was hired as the President and Chief Executive Officer of the Company. At present, no employment contract exists between Mr. Gregory and the Company. Mr. Gregory's base salary is \$350,000 per year. On April 13, 2001 Mr. Gregory was paid a discretionary bonus of \$250,000.

Consistent with the Compensation Committee's determination to provide incentives to maximize stockholder value, the Compensation Committee approved option grants to Mr. Gregory of 300,000 shares exercisable at \$1.00 per share. Such options are described in the table entitled "Option Grants in Last Fiscal Year."

In 2000, Robert E. Koe, the Company's Chief Executive Officer from July 22, 1999 to May 21, 2000, was compensated pursuant to an employment agreement. Under the agreement, Mr. Koe was entitled to a base salary of \$225,000 per year. The Compensation Committee determined Mr. Koe's salary through negotiations with Mr. Koe. Mr. Koe received an incentive bonus for 2000 of \$93,750 based on the terms of Mr. Koe's employment agreement.

In 2000, Frank Chandler, the Company's Chief Executive Officer through July 21, 1999, was compensated pursuant to an employment agreement. Under the agreement, Mr. Chandler was paid a base salary of \$225,000 through February 15, 2001.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code limits the deductibility of executive compensation paid by publicly held corporations to \$1 million for each executive officer named in this proxy statement. The \$1 million limitation generally does not apply to compensation that is considered performance-based. Non-performance-based compensation paid to the Company's executive officers for the 2000 fiscal year did not exceed the \$1 million limit per employee. The Company believes that its compensation policy satisfies 162(m). As a result, the Company believes that the compensation paid under this policy is not subject to limits of deductibility. However, there can be no assurance that the Internal Revenue Service would reach the same conclusion.

Certain Relationships and Related Transactions

On January 12, 2000, we issued \$10.0 million in principal amount of 12% Series No. 1 Senior Notes to an institutional investor. The Senior Notes are unsecured obligations of the Company but are guaranteed by Midland Credit Management, Inc., Midland Acquisition Corporation and Triarc, a shareholder of the Company. Triarc beneficially owns approximately 9.8% of the outstanding common stock of the Company. In connection with the issuance of the Senior Notes, we issued warrants to the institutional investor and Triarc to acquire up to 428,571 and 100,000 shares, respectively, of the Company's common stock at an exercise price of \$0.01 per share. Each of the warrant agreements pursuant to which the foregoing warrants were issued contains antidilutive provisions. In addition, we paid a fee to Triarc in the amount of \$200,000 in consideration of Triarc's guarantee of this indebtedness. We engaged an independent valuation firm to determine the allocation of the \$10.0 million principal amount between the Senior Notes and the warrants. The results of the valuation valued the warrants at approximately \$3.05 per share. This valuation of \$3.05 per share results in the warrants being included as a component of stockholders' equity in the amount of \$1.6 million with the same amount recorded as a reduction of the \$10.0 million note payable. This debt discount is being amortized as interest expense over the five-year exercise period of the warrants resulting in a remaining debt discount balance of \$1.5 million at December 31, 2000. In addition, the Senior Notes require semi-annual interest payments each January 15 and July 15 except that during the first two years the Senior Notes are outstanding the interest may be repaid in kind at the Company management's option through issuance of additional 12% Senior Notes due July 1, 2005. For the interest payment that was due in July 2000 we issued a 12% Senior Note in the amount of \$0.6 million. Another 12% Senior Note in the amount of \$0.6 million was issued in January 2001 for the interest payment then due.

Effective October 31, 2000, we executed an agreement with certain of our affiliates for a \$2.0 million stand-by line of credit, secured by substantially all of the assets of the Company and its subsidiaries, to use, if necessary, for working capital purposes. The funding period under the line of credit expires on December 31, 2001. The line of credit accrues interest at 12% per annum on any amount drawn on the line of credit and repayment would be due in 12 equal monthly payments of principal with any unpaid principal due no later than December 31, 2002. Upon execution of the agreement, the lenders received Warrants to acquire up to 50,000 shares of the Company's common stock at \$0.01 per share. They may receive warrants to acquire 50,000 additional shares of the Company's common stock at \$0.01 per share upon the occurrence of each of the following (i) any borrowing under the line of credit, (ii) the election to extend the funding period for an additional three month period, with the funding period to not extend beyond December 31, 2001. At December 31, 2000, the Company had not drawn any funds against this line of credit. In the first quarter of 2001, we extended the \$2.0 million standby line of credit through June 30, 2001. As a result of the extension of the funding period through June 30, 2001, warrants to purchase an additional 100,000 shares were issued to the lender. Also, as a result of the warrants to purchase an additional 100,000 shares issued to lenders, warrants to purchase an additional 5,241 shares were issued to the institutional holder of the \$10.0 million Senior Note and warrants to purchase 1,275 shares were issued to Triarc pursuant to the antidilutive provisions of the warrant agreements discussed in the preceding paragraph.

We have extended a facility with Bank of America, NA, formerly NationsBank, NA, for a revolving line of credit of up to \$15 million that matures April 15, 2002 with a right to renew (subject to the satisfaction of certain conditions) through April 15, 2003. Some of our present and former directors, stockholders and affiliates have guaranteed this facility, including Messrs. May, Kogan, Chandler, Peltz, the Chandler Family Limited Partnership, Triarc, Consolidated Press Holdings Limited, and Peter Stewart Nigel Frazer.

The Company is currently in discussions with certain of its existing institutional stockholders regarding a possible investment in the Company in the amount of \$5,000,000. The terms and conditions of such investment have not been determined, and there can be no assurances that such investment will be made.

Section 16(a) Beneficial Ownership Reporting Compliance

Executive officers, directors and greater than ten percent Stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file. Based solely on its review of the copies of such forms received by it during the year ended December 31, 2000, the Company believes that, during such year its executive officers, directors and ten-percent stockholders complied with all such filing requirements.
