### **Encore Capital Group, Inc. Announces Proposed Senior Secured Floating Rate Notes Offering**

SAN DIEGO, December 7, 2020 (GLOBE NEWSWIRE) -- Encore Capital Group, Inc. (Nasdaq: ECPG) (the “**Company**”) today announced its intention to offer, subject to market and other conditions, €275.0 million aggregate principal amount of senior secured floating rate notes due 2027 (the “**notes**”) in a private offering to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “**Securities Act**”) and outside the United States to non-U.S. persons (within the meaning of Regulation S under the Securities Act).

The notes will be senior secured obligations of the Company, and will be fully and unconditionally guaranteed on a senior secured basis by substantially all material subsidiaries of the Company. The obligations of the Company and the guarantors will be secured, together with the Company’s other senior secured indebtedness, by substantially all of the assets of the Company and the guarantors. The interest rate and other terms of the notes will be determined at the pricing of the offering.

The Company intends to use the proceeds from this offering to redeem a portion of the outstanding €400.0 million senior secured floating rate notes due 2024, issued by Cabot Financial (Luxembourg) II S.A., a wholly owned subsidiary of the Company, and to pay certain transaction fees and expenses incurred in connection with the offering of the notes.

The offer and sale of the notes have not been, and will not be, registered under the Securities Act, and the notes may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. This press release does not constitute an offer to sell, or the solicitation of an offer to buy, the notes nor will there be any sale of the notes in any state or other jurisdiction in which such offer, sale or solicitation would be unlawful. Any offer of the securities will be made only by means of a private offering memorandum.

The Company provided an update on cash collections on a year-to-date basis through October 2020, with global cash collections at 100% of the ERC forecast for the period based on the reported December 31, 2019 ERC forecast. Within this total, U.S. performance was at 106% and Europe performance was at 87%, each compared to the ERC forecast for the period based on the reported December 31, 2019 ERC forecast.
